## The Fenelon Falls Gazette.

Friday, Feb. 19th, 1909.

### Death of Mr. Wm. Jordan.

In the death of Mr. Wm. Jordan, which occurred on Friday morning last, Fenelon Falls loses one of its oldest and most respected residents. Mr. Jordan retired from active life some years ago. For some time previous to his death he had been in poor health, and lately was constantly under the doctor's care, but on the day before his death there were little or no indications that the end was so near. Mr. Jordan came to Canada from Ireland with his parents when a boy, the family soon afterwards locating near Fenelon Falls, and has lived in the neighborhood and the village all his life, which has been a long one, his age at his death being 83 years. He was a member of the Methodist Church, and was one of the original trustees of the Church at the Falls. He is survived by two daughters and three sons, who are all residents of the Falls except Warden Jordan, of Lindsay. The funeral on Saturday was very largely attended, many from a distance being present, among whom were Mr. J. H. Carnegie, M. P., Col. Sam. Hughes, M. P., and Messrs. Jas. Mortimer, J. H. Delamere and Wm. Fielding, of Minden. Since Mr. Jordan's death, Mr. Fielding is the only remaining member of the first board of trustees of the Fenelon Falls Methodist Church.

### Curling

The first round for the McDiarmid-McFadden cup was played off on Monday, two games at the Falls and two games at Lindsay. The result was in favor of the Falls by a total of 7 shots on the round. The scores tell the story:

The second round will be played in the not very distant future, but the date is not yet fixed.

### Personals.

Mr. Geo. Chadwick of Uxbridge and his daughter Mrs. J. Smith, of York Mills, visited his son, Mr. Thos. Chadwick, this week.

Miss Fanny Brandon left on Monday for a visit to friends in Brantford.

Miss Jessie Lane, who was operated upon for appendicitis at the Toronto General Hospital on Saturday, is recovering.

Mrs. Geo. Lawson, who has been visiting her mother, Mrs. E. B. Whytall, at the Falls, returned to her home at Baddow on Monday.

Messrs. Fred Warren and Findlay Robson returned on Tuesday from Wingham.

### Eleven Nothing.

The hockey team from Lindsay that were to have played the locals here on Friday last, failed to appear, for some reason; but the Bobcaygeon seven came instead, and in a fast game received a drubbing to the tune of 11-0. The home team went in to get even with 'Caygeon for beating them 6-5 early in the season, and tying the score in a game at the Falls on Jan. 13, and they got even and have something to spare. However, the little fellows in gray put up a good fight, and may do better next time. Following is the line-up:

The Falls.	goal	Bobcaygeon.
Shane	point	Brooks
Boyer	cover pt.	Grant
E. Lansfield	rover	Moffat
Kerr	centre	Nicholls
Church		Kelly
McPhee	wings	Hayes
T. Lansfield		Hamilton

### OTHER HOCKEY NOTES.

Will Lane, of the Eureka "A" team that defeated U. C. C. by 15 to 9 and won the district championship on Thursday last week, is receiving bouquets from the hockey reporters of the city dailies, accompanied by photographs. The Toronto Star says: "While U. C. C. had a good little team all the way around, do not overlook this Eureka bunch. They played grand hockey all the way.

was the star. He was everywhere at once, and was particularly useful in front of U. C. C. nets." Will is a native of the Falls, the home of hockey players, and is a son of Mr. Thomas Lane, as is also Kenny Lane, who has been doing good work for Lindsay.

The return match will be played here to-night (Friday) between the Lindsay Y. M. C. A. Juniors and the local youngsters, whom they defeated a couple of weeks ago. The proceeds are in aid of the Sick Children's Hospital, and for this reason, and also to encourage the boys, a good attendance is hoped for. Admission 10 cents.

A team of senior juniors from Lindsay is expected the same night, Friday, the 19th, to play a local seven.

### A CHALLENGE.

Mr. Ray Burgess, manager of the "Canucks" of Fenelon Falls, wishes to have it made known that they challenge any hockey team under the age of 16 years in the county of Victoria. Any information wanted may be obtained by writing the manager, or John J. Cook, the captain of the team.

Mr. Frank Bryant spent Sunday at his home at Moore's Falls.

Mr. Daniel Kirkpatrick and Mr. James Powers, of the Baker Company, of Lindsay, were here on business last Saturday, and put up at the Boadway boarding-house.

Mr. Arnold Wakelin has returned home.

Mr. McKay, of Head Lake, was in the village one day last week, helping Mr. Edwin LeCraw to audit the township books.

Mrs. Robert Delamy has come back to nurse her sister, Mrs. Richard Day, who was threatened with appendicitis, but is slowly improving, and whose numerous friends hope soon to hear of her complete recovery.

### Baddow.

(Correspondence of the Gazette.)

Mrs. G. Wool entertained about fifty of her Verulam and Burnt River friends at a dance last week.

Mrs. James Fell gave a crokinole party on Friday evening last, and among the guests present were Mr. and Miss Lawrie, of Markham, and Miss L. Jordan, of Lindsay. The latter part of the evening was spent in games and music.

Mr. R. Lawrie and his sister returned home to Markham on Wednesday, after spending a few days in Baddow.

The community was shocked to hear of the sudden death of Mrs. John Barrett, which occurred on Tuesday, the 9th inst. Much sympathy is felt for the bereaved family.

The marriage of Miss Mabel Umphrey, of Burnt River, and Mr. Thomas Griffin, of Baddow, took place in Toronto on Wednesday, the 10th inst. The happy couple are spending their honeymoon in Toronto and other points. Their many friends wish them a long and happy married life.

**FARM HELP.**—Mr. Thomas Robson, Canadian Government Employment Agent, is open to receive applications from those requiring farm help or domestics.

**SANDWICH SOCIAL.**—The parish workers of St. James' church will hold a social evening at the home of Mrs. Geo. McGee on Tuesday next, the 23rd inst. Sandwiches of many kinds will be a feature, and entertainment will be provided. Admission 15c.

**SNOW.**—A light fall of snow on Saturday, a blizzard on Sunday, and several inches of a fall since then, have made sleighing again. Two or three mild spells through the winter took what snow there was off each time, and kept those who had driving to do busy changing from runners to wheels and back again.

**NEW BOAT.**—Mr. C. W. Burgoyne has given an order to Messrs. Hickey & Son, Peterborough, for a new boat, 65 feet in length and 14 feet beam, to accommodate the 50 h. p. engine purchased early in the winter. The new boat will carry 100 passengers, and will probably be put on the "Kawartha's" route between the Falls and Cobocok, but will not be ready in time for the coming summer's business.

**THE SNOW PLOUGH.**—The new Snow plough bought some time ago by the corporation had a snafu broken on its trial trip. Messrs. C. Kelly and J. Jones put attached a movable extension to each side to give it a wider sweep when necessary, and a device for raising and lowering the point. It is expected the plough will work satisfactorily when these improvements are completed.

**WOMEN'S INSTITUTE.**—Several members of the Women's Institute drove to Cameron on Thursday to attend a meeting at that village.

**AUCTION SALE.**—An auction sale of farm stock and implements will be held on Wednesday, March 3rd, on the premises of Mr. Wm. Graham, Sturgeon Point, Fenelon, who has leased his farm for a number of years and will sell everything. Sale to commence at 12 o'clock. Lunch will be served to those from a distance. Mr. Cashore is the auctioneer, and has a good list to dispose of. Usual terms.

**BASKET SOCIAL.**—A basket social under the auspices of the Fenelon Falls Baptist Church will be held at the residence of Mr. Frank Smithers, Fenelon, on Thursday, Feb. 25th. A good program will be prepared. Admission free. Lunch provided for those who do not buy baskets. Sleighs will leave Arnold's store at 7 p. m. Everybody welcome.

**FROM THE ANTIPODES.**—We are indebted to Mr. Walter Stevenson for the loan of a number of very clear and interesting photographs taken by his nephew, Mr. S. Oliver, of the Kermadec Islands scientific expedition, a letter from whom appeared in the Gazette a short time ago; also for a copy of the Auckland, N. Z., News, a 60 page weekly, containing an account of the expedition and a quarter page photo of the Messrs. S. and R. Oliver and the four other investigators who accompany them. The News also contains a large amount of interesting matter relating to New Zealand and adjacent territory.

**ST. ANDREW'S CHURCH.**—On Tuesday evening, Feb. 23rd, under the auspices of St. Andrew's Guild, the following subject will be debated: "Resolved, That, in the best interests of the Dominion, the Canadian Senate should be abolished." Affirmative by Messrs. Graham and Robson and Dr. Sims. Denied by Messrs. John Lee, Wm. Hetherington and Dr. Mason. On this, (Friday), evening, divine service will be held in St. Andrew's church, and Rev. Jas. Wallace, B. D., of Lindsay, will preach. On Sunday morning the Sacrament of the Lord's Supper will be celebrated.

**I. O. O. F. DEGREE MEETING.**—At the Oddfellows' degree meeting at Lindsay on Monday evening the following members of Corona Lodge were instructed in the work of the first, second and third degrees: Bros. W. Northey, R. M. Hamilton, Rev. C. S. Lord, John Scott, J. Penrose, W. T. Robson, A. Tiers, J. L. Arnold, and A. J. Gould, and J. Peryman of the Falls, and Bros. A. Wilson, and Rev. A. C. Cummer, of Kinnmount. Other brethren present from the Falls were F. Kelly, W. Barkley, F. Warren, C. Kelly, C. Deyman, A. Fountain, D. Aldous, F. Rutherford, Dr. Johnston and M. Stillman. There was a large turnout of members from all over the district to welcome Deputy Grand the Hon. Senator Derbyshire, of Brockville, who was making his official visit. At the close of the ceremonies a banquet was served, and a most enjoyable evening spent.

**EPWORTH LEAGUE.**—On Tuesday evening, 16th inst., at the invitation of Miss Littleton, the regular meeting of the Epworth League of the Methodist Church was held at her home. The meeting was conducted by the members of the social department. About fifty persons were in attendance. The topic was introduced by Miss M. Wilson, who read a very interesting paper on the subject under consideration. Mrs. Gould continued the discussion of the subject by a practical talk on some of the social problems of life. In addition to the usual musical exercises, including a quartette by four of the talented members, Miss Littleton had arranged for a unique entertainment which occupied the attention of the company for an hour, and was very much appreciated. After refreshments had been served by the hostess the meeting adjourned, the members feeling that a very pleasant and profitable evening had been enjoyed. The Junior League enjoyed a sleigh ride on Wednesday afternoon, followed by tea in the basement of the church.

**Orillia Packet:** It will be remembered that one of our summer visitors warned Orillians a couple of years ago that the ragweed which had made its appearance in our streets was very irritating to hay fever patients, and would drive them away from town. Most people were inclined to treat the friendly advice lightly, as a fad or fancy, especially when an appeal to the agricultural authorities at Ottawa elicited the reply that this particular quality of ragweed was unknown to them. It is worth noting, however, that Mr. Metcalf, of the Collingwood branch of the Agricultural Department, mentioned in his address to the Farmers' Institute on Friday, that the pollen of ragweed, like that of the golden rod, was an irritant to hay fever patients. Evidently it would be no harm to stop the spread of ragweed, if possible.

### MARRIED.

**HARTLE—BROOKS.**—At the Methodist parsonage, Lindsay, by Rev. J. R. Rea, on Monday, January 25th, 1909, Mr. Levi B. Hartle, traveller for the Gillar/Co. of Hamilton, to Lillian E., only daughter of Mr. and Mrs. Henry Brooks, of Fenelon Falls.

### DIED.

**JORDAN.**—At Fenelon Falls, on Friday, February 12th, 1909, William Jordan, aged 83 years.

**POWER.**—At Fenelon Falls, on Thursday, February 18th, 1909, Anna Larkin, relict of the late James J. Power. The funeral will leave her late residence on Francis street at 9 a. m. to-morrow, (Saturday), for the Roman Catholic cemetery.
