The "Toronto Daily Star" is strong in special features for Women.

There are the daily Home Pages—the daily instalment of a good story—the Social and Personal columns—the illustrated daily Fashion Hints.

But the "Star's" strongest appeal to the wide-awake woman is the unusually interesting way in which it presents the news of all the world, day by day.

There is not a dry line in it—yet it is not sensational or in any way "yellow." Just good, clean, wholesome, well-written accounts of everything that is going on that's worth reading about.

New Ontario Foots the Bill.

The Cobalt Citizen says: "Were the Mackenzie and Mann syndicate to sell out the Provincial gift on the day the first train travels from end to end of the now projected line, it seems more than probable that it could clear sufficient to cover the whole cost of the railroad and leave from ten to twenty thousand dollars per mile to the good, with the road thrown in."

Yes, Old Ontario is paying the price with a generosity that is not usual to that business community—a generosity which can be understood only when it is appreciated that New Ontario is footing the bill. Old Ontario has a broad conception—a larger Canada for which it is prepared to suffer with the heroic spirit of the patriot who was ready to sacrifice his wife's relations on the altar of his devotion.

Of all the schemes yet devised for turning New Ontario inside out into the lap of the south, the passing of two million acres of our own Clay Belt land in claws of these notorious election financiers is the most outrageous and the worst."

To Break the Patten Corner.

Representative Scott of Kansas will submit to the House Ways and Means Committee a plan to break the Patten wheat corner by admitting Canadian wheat free of duty. The present duty is thirty cents per bushel. Representative Scott says in part:

"The most effective way to put Patten and his crowd out of business would be to throw open our markets to Canadian wheat until the middle of July. With the tariff removed, Canadian wheat would come into this country in such volume that within twenty-four hours Patten would throw up his hands. The removal of the duty for a few weeks would not injure our farmers in any way. I have heard from Kansas that less than one and seven-tenths per cent. of last year's crop in that State is held by the farmers and country elevators there. The situation in the other wheat States is similar to that in Kansas. All that Congress has to do is to pass a bill removing the duty temporarily. The Canadian grain dealers will do the rest. I am convinced that if Congress fails to enact remedial legislation it will hear from the country. Within the past forty-eight hours I have received a bushel of letters and telegrams regarding the manipulation of the wheat market by gamblers in Chicago. I shall take up the matter with the Ways and Means Committee, also with the Presidents."

An Old Resident Remembered.

On Monday evening last a number of the members of the congregation of St. Andrew's Church called at the residence of Mr. and Mrs. Findlay McDougall, who are about to leave Fenelon Falls to take up their residence at Ingersoll, and presented them with a very handsome mahogany music cabinet and the following address, which was read by Mrs. H. A. McIntosh:

Dear Mr. MacDougall,—We your friends and co-workers in church and community have met here this evening to assure you of our deep regret at the decision you have reached to leave our town and congregation.

That we have greatly appreciated your many and continued efforts on behalf of St. Andrew's church it is needless for us to state, and those who have known you longest and enjoyed most intimately your personal friendship are those who feel most keenly the parting and are loudest in their expression of regret at the thought of losing your valued influence and co-operation in all good works.

That you leave the church in a flourishing financial, and, we trust, spiritual condition, must be to you a matter of profound thankfulness, inasmuch as you have yourself contributed so much to this end.

And now that you are about to leave—to yourself, to Mrs. MacDougall and your family we extend cordial thanks for your sympathy and helpfulness in the past, and we pray that God's richest blessing may rest upon you in all your days to come. May He grant you ever increasing peace, prosperity and happiness and in the end everlasting life.

Will you and Mrs. MacDougall be so good as to accept from your many friends here this remembrance of "Auld Lang Syne."

On behalf of St. Andrew's Church, Rev. C. S. Lord, Moderator of Session, A. Sutherland, Clerk, Dr. R. M. Mason, Chairman B. of M. E. FitzGerald, Secretary.

Rev. C. S. Lord, Dr. Mason and Mr. A. Sutherland also made appropriate remarks. Although Mr. and Mrs. McDougall were taken by surprise, Mr. McDougall made a suitable reply, thanking his friends for their many expressions of good-will.

On Wednesday evening Mr. McDougall was entertained at a farewell supper by his Masonic brethren, and presented with a gold headed cane and an address. The usual toasts were proposed and responded to and an enjoyable evening spent. Following is the address:

Dear Brother McDougall:—

The members of Spry Lodge, here assembled, greatly regret your removal from this village and they are equally sorry to lose your presence from this Lodge. You were one of the first members of this Lodge and have been in constant connection with it since its inauguration. Your brethren all think well of you and are equally zealous in praising you. This situation is cheering to us and indeed very creditable to yourself. We are not here to inflict on you words that are as unnecessary as they are inexpressive, but to bear simple testimony of our sincerity and our regret that we are soon to be deprived of your company and lose you from among this little circle, and as an evidence of the words spoken and of what speech fails to convey, we ask you to accept this cane, as a remembrance from Spry Lodge.

All the available members are pleased to join in this presentation; all are of one mind, that you are a worthy member and a good citizen.

In conclusion, let us wish yourself and family, health and happiness, in your new home and we trust that this cane will help you to measure the steps of a long and prosperous life.

Signed on behalf of Spry Lodge.

H. JOHNSTON, Worshipful Master.
E. FITZGERALD, Secretary.

All classes of the community will join in the foregoing expressions of regard for Mr. McDougall and his estimable family, and regret their departure from the Falls. Mr. McDougall has been one of our most respected citizens and most enterprising business men, and is leaving the Falls with the best wishes of everybody for his future welfare.

Verulam Council.

Council met at the Town Hall, Bobcaygeon, on Tuesday, the Reeve, E. Tiers, Esq., in the Chair.

Mr. B. Parker presented Council respecting a survey which had been made on the 4th and 5th Con. line on lot 1. He stated that Mr. English had Mr. Dickson, O. L. S., to make a survey of that portion of the line. After discussion, Mr. Parker said he was willing to refer the whole matter to arbitration for settlement if Mr. English would do so.

Mr. W. J. McDonnell addressed Council re lot 10, con. 19, and to survey on side line between lots 9 and 10. He said he was informed that the fence was in the proper place. A copy of the field notes from the Government indicated the pine post as the n w cor of lot 9, and not in the centre of the side line, and therefore Council felt they were entitled to a road as by survey. On motion of Mr. Mitchell and Mr. Green the Clerk was instructed to notify Mr. McDonald to remove his fence.

Mr. W. F. Davis and John B. Kennedy and 59 others petitioned that there be no tax on dogs.

On motion of Green Brooks, a dog by-law be introduced re no dog tax, at next meeting.

On motion of Mitchell and Lewis by-law No 542, Poundkeepers, was read and passed with amendments.

On motion of Mr. Brooks, Council adjourned to Tuesday, May 25th, as Court of Revision.

School Board.

A meeting of the school board was held on Tuesday evening. A number of accounts were passed, and Messrs. F. McDougall and Dr. Mason handed in their resignations as members of the board.

Miss McKee, who went to her home at Creemore to spend Easter, has resigned her position as teacher of the third room in the north ward school in consequence of the serious illness of her sister at Creemore. Miss McKee is highly spoken of as a teacher, and her resignation is generally regretted. The school board has been fortunate in securing the services of Mr. Alex. Lord to fill the vacancy. Mr. Lord had all his preparations completed to go to Alberta by the next train when Miss McKee's resignation was received.

NAVIGATION.—On Saturday the ice commenced to go out of Cameron Lake in large chunks, and on Thursday was practically all out of the lake. On Tuesday morning the cheerful toot of the "Kawartha" was heard. A little later she towed a boom of logs from Moore & Connell's mill to the big bay, being the first boat this season to take advantage of the "going."

AUCTION SALE.—On Saturday, the 24th inst., Mr. F. McDougall will hold a sale of his household furniture and other effects, including his driving outfit and a good yearling colt. Mr. Cashore is the auctioneer, and the sale will commence at half-past one o'clock.

I. O. F.—Bro. Wm. Doig, S. D. C. R. of the I. O. F., arrived on Thursday afternoon to undertake a campaign in the interest of the Independent Order of Foresters. The brethren will be called together to meet Bro. Doig on Friday evening.

The capacity of the show window has been increased and a number of other improvements have been made which will add to the convenience of Mr. Warren and his customers.

SHREDDED WHEAT BANQUET A SUCCESS.—The efforts of the Parish Workers of St. James' Church were rewarded by a very large attendance at the banquet and concert on Thursday evening, the success of which had been confidently anticipated by those taking part in the work of preparation. The banquet was furnished by the Canadian Shredded Wheat Company, Mr. Hewitt, a representative of the firm, superintending the arrangements, assisted by a competent staff of young gentlemen and of prettily attired young ladies, who served the dainty refreshments to nearly three hundred people. The concert after the banquet was of a high order of merit, and the various numbers on the programme were highly appreciated by the audience. Rev. W. H. A. French acted as chairman very acceptably. The following programme was presented:—
