

LAY FOR WEEKS AT DEATH'S DOOR

BUT DODD'S KIDNEY PILLS
CURED MRS. THOMPSON'S
DROPSY.

It Started with Backache and grew
Worse till the Doctor said She
Must Die.

Holt, Ont., May 17. (Special).—
All the countryside here is ring-
ing with the wonderful cure of Mrs.
Samuel Thompson, who lay at the
point of death for weeks, swollen
with Dropsy so that the doctor five
different times decided to tap her,
but desisted because, as her hus-
band said, "It might be better to
let her die in peace." After the
doctor had given her up Dodd's
Kidney Pills cured her.

Mrs. Thompson's terrible trouble
started with a pain in the back.
She grew worse, and the doctor
treated her for jaundice for eight
weeks. Then her feet and legs be-
gan to swell, and it was realized
that Dropsy was the trouble. For
seven months she suffered. The
doctor said there was no hope; she
must die.

As a last resort Dodd's Kidney
Pills were tried. The improvement
was slow but gradually her strength
came back. To-day Mrs. Thomp-
son is a well woman. She says,
and the countryside knows, she
owes her life to Dodd's Kidney
Pills.

If the disease is of the Kidneys,
or from the Kidneys, Dodd's Kid-
ney Pills will cure it.

IT HAD ITS LIMITATIONS.

"Madam," said the young man
who had called at the door, "I have
the pleasure of introducing to you
our new automatic house-cleaning
machine—a simple little thing which
does the whole work of house-clean-
ing, leaving you merely the general
supervision."

"Does it do all, eh?" demanded
the woman of the house. "Will it
wash the outside of the upstairs
windows?"

"Why, no, madam, but—"
"Will it take down, wash, stretch
to dry, iron, and hang up the par-
lor curtains?"

"Well, of course, this machine—"
"Will it paint the kitchen, and
make my daughter help with the
dishes?"

"Oh, madam, this machine—"
"Will it wash the winter bed-
ding and put it away, lay down the
furs with moth balls, sew on but-
tons, set three meals a day, and
pacify the household?"

"No, madam. You have misun-
derstood the limitations of my ma-
chine."

"Limitations! It will be a long
time before any man will get up a
machine to do all a woman has to
do in her house."

The agent silently faded away.

The transition from winter's cold
to summer's heat frequently puts a
strain upon the system that pro-
duces internal complications, al-
ways painful and often serious. A
common form of disorder is dysen-
tery, to which many are prone in
the spring and summer. The very
best medicine to use in subduing
this painful ailment is Dr. J. D.
Kellogg's Dysentery Cordial. It is
a standard remedy, sold every-
where.

HAD LEARNED SIGNS.

Landlady—"That new boarder
needn't try make me think he is a
bachelor. He's either married or is
a widower."

Milling—"How can you tell?"

Landlady—"He always turns his
back when he opens his pocket-book
to pay his board."

UNCLE EBEN SAYS:

"It's true when the ol' cat's
away the little mice will sport an'
play, but one or more gits taken in
when the ol' cat shows up ag'in."

ISSUE NO. 21-09.

WHY THE SALESMAN SUC- CEEDED.

He was neat in appearance.
He had dignity of bearing.
He was never late in keeping his
appointments.

He had no conceited and arro-
gant manner.
He believed in his proposition.

He never disgusted his prospect
with gross flattery.
He knew all the fine points of his
own goods.

He never offended the prospect
by undue familiarity.
He never attacked his competi-
tor's goods.

He never ridiculed his prospect's
ideas and methods.
He made a careful preliminary
study of his prospect's case.

He relied on solid argument
based on facts, and not on bluff.
He never got lost in a forest of
details, and could stick to essen-
tials.

He had not been out with "the
boys" the night before, showing
the effects.

He never talked too much. He
gave his prospect a chance to ex-
plain his needs and position.

He could answer questions and
objections intelligently, concisely
and convincingly.

He did not try to close his pros-
pect before he had worked him up
to a point of conviction.

He never lost his nerve because
the prospect presented such an un-
yielding front, and did not forget
that battles are won by hard rallies
at the finish.

He knew his business when he
made the approach; talked clean-
cut business after he got in, made
it his business to fight all the way
through, and do business before he
left.

A MINISTER'S GRATITUDE.

Zam-Buk Cured a Face Sore which
Defied all other Remedies
for Two Years.

Rev. Charles E. Stafford, of Bridgeburg,
Ont., says:—

"I had been much troubled for over two
years with a sore on my left cheek. I tried
all kinds of salves and lotions, but nothing I
procured seemed to have the least bit of
effect towards healing the sore. Hearing of
Zam-Buk, I decided to give it a trial, and see
if it would bring about a cure, as so many other
things had failed. I purchased a supply, and
commenced with the treatment. After
several applications, to my great joy,
Zam-Buk has effected what for two years I
tried in vain to bring about—a complete
cure."

Case after case could be quoted in which,
as in the above instance, Zam-Buk has
worked cures when everything else tried had
failed. There is a reason for this. Zam-Buk
is the ideal remedy because of its unique
ingredients for all skin injuries and diseases.

Away back in the days of the Roman
gladiators, secret balms were used for the
healing of cuts and injuries sustained in the
arena and in battle. Then came a period
during which external balms were neglected,
followed by a period in which all the salves
and embrocations had as their base animal
fats and oils. Zam-Buk marks a new epoch.
It is absolutely devoid of all animal fats, all
mineral coloring matters, and is composed
entirely of rich medicinal herbal extracts.

Zam-Buk is a combination of Nature's rich
healing herbal juices by the most modern
scientific methods, and the result is a balm
which cures when others fail.

Skin diseases, such as eczema, ringworm,
salt rheum, and prairie itch, are speedily
overcome by it. For piles it is fine!—easing
the pain and inflammation, and hastening a
cure. It also cures burns, scalds, cuts,
ulcers, children's sores and eruptions,
blood-poisoning, scratches, old wounds,
varicose ulcers, &c. All Druggists and
Stores sell at 50c. a box, or post-free for
price from Zam-Buk Co., Toronto. Refuse
harmful and cheap imitations, sometimes
represented as "Just as good."

scythe he'll be no mower.

Pills of Attested Value.—Parme-
lee's Vegetable Pills are the result
of careful study of the properties
of certain roots and herbs, and the
action of such as sedatives and
laxatives on the digestive appara-
tus. The success the compounders
have met with attests the value of
their work. These pills have been
recognized for many years as the
best cleaners of the system that
can be got. Their excellence was
recognized from the first and they
grow more popular daily.

THE WORLD'S WEALTH.

To possess all the gold in the
world would appear, to most
people, a terrible burden; but, pro-
viding it was sufficiently insured,
it would be little or no trouble. A
rough estimate places the value of
a cubic yard of gold at \$10,000,000;
so that all the gold in the world,
if melted into ingots, could be con-
tained in a cellar twenty-four feet
square and sixteen feet high. All
the wealth so far obtained from
Australia and California could be
comfortably tucked away in your
office. All that would be required
would be an iron safe nine feet
square and nine feet high. To give
an idea of how small is the little
cube of yellow metal, it may be
stated that the gold with which
Solomon overlaid the "most holy
place"—a room only thirty feet
square—amounted to more than
\$190,000,000.

TRADES FOR SOLDIERS.

At Woolwich, England, very prac-
tical measures have been adopted,
at the instance of the War Office,
to enable soldiers, young and old,
to acquire, or increase, their know-
ledge of a trade which will help
them to a living on leaving the
colors. The extensive ordnance col-
lege workshops are now being used
for the instruction of soldiers in
various trades. Extensions are be-
ing made, new and up-to-date
machinery added and already a
large number of soldiers of all ages
are at work.

Have they not had the same kind?
Have they not been cured by using
Halloway's Corn Cure? Try a bot-

It takes a good neighbor to ap-
preciate a neighbor who thinks he is

There is No Such Thing as a harmless cough.
The trouble goes from bad to worse unless check-
ed. Allen's Lung Balsam cures the worst of
colds. It allays inflammation and clears the air
passages.

"I see that your smaller sister
took the smaller apple," said an
experienced mother. "Did you let
her have her choice, as I told you?"
"Yes, mother," her son replied,
brightly, "I told her, if she didn't
choose the smaller, she wouldn't
get any at all. She chose the smal-
ler, mother!"

big over it.

They Cleanse While They Cure.—
The vegetable compounds of which
Parmelee's Vegetable Pills are
composed, mainly dandelion and
mandrake, clear the stomach and
intestines of deleterious matter and
restore the deranged organs to
healthful action. Hence they are
the best remedy for indigestion
available to-day. A trial of them
will establish the truth of this asser-
tion and do more to convince the
ailing than anything that can be
written of these pills.

Country Doctor—"Well, Silas,
your wife has gastric fever." Silas
(much concerned)—"Don't see how
that can be, sir, seeing as how
we've never burned gas, but always
used lamps."

A LONG RECORD OF SUCCESS in curing
all sorts of cuts, burns and bruises,
as well as all bowel complaints, is held
by "Painkiller"—over 60 years. Avoid
substitutes, there is but one "Painkiller"—

"Idiot!" Sentinel—"Advance, idiot,

it? Let them find out their mistake
themselves."

It Keeps the Muscles Pliant.—
Men given to muscular sports and
exercises and those who suffer mus-
cular pains from bicycle riding will
find Dr. Thomas' Electric Oil
something worth trying. As a lu-
bricant it will keep the muscles
pliable and free from pains which
often follow constant use of them,
without softening them or impair-
ing their strength. For bruises,
sprains and contusions it is with-
out a peer.

There is one chance in 64,000,000-
000 of one person's finger-tip being
identical with that of another.

Misnomers in All Lands are friends of Pain-
killer. Hundreds of letters testify to the fact.
For accidents and sudden emergencies, such as
sprains, cuts and bruises, they find it invaluable.
Avoid substitutes, there is but one "Painkiller";
Perry Davis'—25c and 50c.

A BOOK FOR MOTHERS.

Every mother is naturally anx-
ious for information that will en-
able her to keep little ones in good
health. The Dr. Williams' Medi-
cine Co., have issued a little book
which contains a great deal of in-
formation on the care of infants
and young children, that every mo-
ther ought to know. The book will
be sent free to any mother who will
send her name and address to the
Dr. Williams' Medicine Co., Brock-
ville, Ont.

answer this question very carefull-
ly—Was your father (when your
mother struck him with a rolling
pin) under the influence of drink?"
Juvenile Witness—"No, sir; he was
under the kitchen table."

The healthy glow disappearing

restlessness at night are sure sym-
ptoms of worms in children. Do not
fail to get a bottle of Mother

TRADING on a good name and deceiving
the public is what the imitators of the
well-known "The D. & L." Menthol Plaster
are doing. Don't be fooled, insist on the
genuine, "The D. & L."

"That, sir," said the jeweller,
triumphantly, pointing to a marble
timepiece, "is a magnificent spec-
imen of the clockmaker's art. That
clock will go for eight weeks with-
out winding." "And how long,"
asked the customer, "will it go
with winding?"
