

Norland.

(Correspondence of the Gazette.)

Mr. W. F. Strong, of Belleville, and his driver, Mr. R. Morrison, of Kirkfield, were in town on business one day last week.

Mr. R. Suell, of Marmora, was in town last Friday making a stir in the advertising business of the dry goods sale in Cobocok.

Mr. and Mrs. Arthur Swain, of Valentin, are visiting friends in town.

Miss Katie Ward was taken to the Ross Memorial Hospital in Lindsay to undergo an operation for appendicitis, last Saturday morning, and her many friends hope that she will soon return as well as ever.

Mr. Wm. Beadway, who has been very ill, is able to be around again.

Mr. James Bowley and Mr. Addison Courtmanche are putting wire fences around their lots, which will add to the attractiveness of the village. Mr. Adoif Courtmanche has also put a wire fence around his lots.

Mr. Samuel Bryant's shop will soon be completed, and will be one of the best buildings in this part of the country.

We understand that Mr. Richard Day has moved his family up to Elliott's Falls, so as to be near his work at the power house.

Mr. George Lake, of Cobocok, was in town on business last Monday.

Mr. David Calloway, of Miner's Bay, called on Norland friends last Monday.

Powies' Corners.

(Correspondence of the Gazette.)

Some of the farmers around here have commenced seeding, and the new moon last Wednesday morning, the 19th, will surely bring much desired change, as last year's crop of hay is very nearly gone.

The relatives here of the late Robt. H. McCallum attended the funeral last Sunday.

It is rumored that the farm stock and implements of the late Oliver Glaspell will be sold by auction in two or three weeks. The date of the sale is not known at present. Mr. Jas. Hardy has leased the farm for this season.

Several of our citizens have been on the sick list, but they are improving. We notice that the Post Office Department have notices posted up calling for tenders for a new Mail Service between the Post Office here and Hall's flag station. The new contract will commence the first day of July.

As the land was too wet to work, some of the farmers went down to Fenelon Falls to the nomination, and the general opinion is that Dr. Mason will be elected. Mr. Gordon thinks that Sam Hughes is manipulating the whole shooting-match. Dr. Mason if elected should give the three-fifths clause a good kick, and if Jim gets in the way let him have one or two.

Rosedale.

(Correspondence of the Gazette.)

The farmers of this locality have not finished seeding yet, owing to the very backward condition of the weather.

Our local bridge tender is kept pretty busy these days, as the boats are beginning to come pretty often.

The first drive of the season passed through here on Wednesday last. The logs were owned by Moore & Connell of Fenelon Falls.

Work upon the canal is again under way, and appearances point to an early completion of this section of the work.

The Port Arthur News says: Since the fine weather set in we are beginning to realise the real significance of the 1909 spring millinery models. The Dreadnought type predominates.

A correspondent of the Peterborough Review thinks he has hit upon a plan which would do away with the grievance of the present big hats ("waste-paper baskets, trimmed with vegetables") in places of public worship. He says: "Let all the ladies sit on one side of the church and all the men on the other. The men will not be troubled by the millinery display, and if the ladies are not satisfied with their view of the preacher, they can fight it out among themselves."

TO THE ELECTORS OF FENELON FALLS AND EAST VICTORIA.

Gentlemen:-

As I have received the unsolicited nomination for the Legislature in East Victoria, and will be unable to hold any meetings, I take this mode of asking my supporters not to be over confident as to the result. I wish all to go to the polls, whether they vote for me or my opponent, I appeal to the electors on my municipal record, and as a man who lives in the riding.

All my interests are here, and should I be elected I will endeavor to perform the duties of my position in a manner satisfactory to the riding and with credit to myself.

Faithfully yours, R. M. MASON.

Rev. Dr. Linscott's Suggestive Questions on the Sunday School Lesson for May 23 d, 1909

The Council at Jerusalem. Acts xv: 1-35.

Golden Text. - We believe that through the grace of the Lord Jesus Christ we shall be saved, even as they. Acts xv: 11.

Verses 1-5. - Are good men liable to hold wrong opinions.

When good men differ in opinion what is the better way in order to reach an understanding?

When a professed Christian gets angry with another Christian, on a mere matter of opinion, has he or not backslidden from the love of God, and what spirit does it show? (This question must be answered in writing by members of the club.)

Circumcision no doubt originated from supposed purposes of health, and physical cleanliness, and afterwards became a national institution of the Jews. State when God first made circumcision the sign, or token, of the covenant between him and Abraham and his seed, and to whom the rite of circumcision and God's covenant extended. (See Gen. xvii.)

Is circumcision now essential to salvation?

Is the belief of any doctrine essential to salvation?

Verses 6-11. - Is experience of God and his dealings with us, conclusive proof of the will of God in the matters which the experience covers?

Is thorough discussion in church courts, a perfectly right way to arrive at the will of God on any matter?

Were those who taught that circumcision was essential to salvation, as well as being narrow, necessarily untrue men?

What is the difference between the "yoke" of the law and the "yoke" of Jesus? (v. 10.)

Verses 12. - Recall some of the wonders done through Paul and Barnabas, among the Gentiles, and say what bearing they had upon the dispute concerning circumcision?

Verses 13-21. - Who was James, who next addressed the council?

James, the brother of Jesus, was the president of this council; is it probable that his address was of the nature of the judgment of the council on this question?

Verses 22-29. - There seems to have been no formal motion passed by the council, but they appear to have reached an unanimous decision as outlined in the address of the president; say whether we are bound to take this decision as the voice of God.

In what particulars is the great wisdom of the council shown in settling this dispute?

Were each of the commandments given in verse 29 intended to be of lasting obligation, or were some of them only temporary?

From whom are Christians to get guidance on all matters in this day?

Verses 30-35. - There never will be a time when disputes may not occur, in the church and between individuals; how should they always be settled?

Did this trouble in the church help it or hurt it, and does God always overrule trouble, whoever may be the cause of it, for the good of his children?

NEWSPAPER LAW.

1. A post-master is required to give notice by letter (returning the paper does not answer the law) when a subscriber does not take his paper out of the office, and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.

2. If any person orders his paper discontinued he must pay all arrears, or the publisher may continue to send it until payment is made, and collect the whole amount whether the paper is taken from the office or not. There can be no legal discontinuance until the payment is made.

3. Any person who takes a paper from the post-office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.

4. If a subscriber orders his paper to be stopped at a certain time and the publisher continues to send it, the subscriber is bound to pay for it if he takes it from the post-office. This proceeds upon the ground that a man must pay for what he uses.

5. Courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud.
