The Fenelon Falls Gazette.

Friday, May 28th, 1909.

Dr. Mason Elected.

WILL HAVE 1,500 MAJORITY.

As was generally expected, Dr. Mason had a very easy victory over his opponent, Mr. W. H. Lockhart Gordon, in the by-election on Tuesday for the East Riding of Victoria for the Local House. Mr. Gordon had a majority in only three divisions. In many places he did not poll a single vote, and in others only an insignificant number, as will be seen by the returns published below.

Fenelon Council.

Fenelon Council met in Court of Revision of the Assessment Roll. After taking the oath of office, Mr. J. T. Palmer was elected chairman and the following appeals decided:

Moved by Mr. Tompkins and seconded by Mr. Tolmie, that John A. Brokenshire's assessment be lowered \$250.—Carried.

Moved by Mr. Tolmie and seconded by Mr. Tompkins, that Robert Graham's assessment be lowered \$100.—Carried.

Moved by Mr. Parkin and seconded by Mr. Tolmie, that David Brokenshire's assessment be lowered \$200.—Carried.

Moved by Mr. Tompkins and seconded by Mr. Tolmie that P. Wilkinson's assessment be reduced from \$2600 to \$2400.—Carried.

Moved by Mr. Parkin and seconded by Mr. Tompkins, that the assessments of E. Burton, F. Graham, W. Riley, W. Wells and H. McDougall be sustained; that I. Naylor's appeal, and the question of the right to assess private telephone lines, be laid over to the adjourned meeting.

Moved by Mr. Tolmie and seconded by Mr. Parkin, that the court now stand adjourned, to meet at Cambray on Monday, June 7, and to meet in council for making grants for roads.—Carried.

General business was then taken up. The minutes of last meeting were read and approved. It was moved by Mr. Tolmie and seconded by Mr. Parkin and passed unanimously, that we deeply sympathize with the widow and family of our late member of council, Mr. Oliver Glaspell, in their sore bereavement. Though only elected a councillor last January, he for a period of eight years had been closely connected with the municipal life of our township, being its assessor for that time; and performing the duties of that office with great tact and wisdom. His conduct at the council board was stamped by that Christian courtesy which marks the honest man—God's noblest work. We therefore place on record our high esteem for our late colleague, and feel that we shall not soon forget his cheery smile and friendly greeting. The resolution to be suitable engraved and presented to Mrs. Glaspell.

Moved by Mr. Parkin and seconded by Mr. Tolmie, that Jas. Raby be paid \$7.00 for attending J. Patterson's family during scarlet fever quarantine.—Cd.

Moved by Mr. Tolmie and seconded by Mr. Parkin, that the sum of \$23.85 be allowed the collector as abatements on the roll of 1908.—Carried.

Moved by Mr. Tompkins and seconded by Mr. Palmer, that D. Tolmie and W. Parkin be appointed to meet the members of the Eldon council to adjust the road expenditure on the Eldon and Fenelon boundary, said meeting to be at Glenarn on Friday, June 4, at 2.00 p. m. Carried.

Moved by Mr. Tompkins and seconded by Mr. Tolmie, that the following bills be paid:

J. Cundal, salary as collector...\$70.00
J. Cundal, for equalizing U. S. S. Nos. 3 and 12.....\$9.00
J. Cundal, for postage, stationery and Assessor's Guide.....\$2.79

Warning Against Spraying Fruit Trees in Full Bloom.

The Ontario Beekeepers' Association desire to draw the attention of the public to the fact that a number of members suffer from persons spraying fruit trees in full bloom, their bees being killed from the poison in the spraying mixture. This practice is prohibited by an Act of Parliament assented to in 1892, the provisions of which are as follows:

(1) No person in spraying or sprinkling fruit trees during the period within which such trees are in full bloom, shall use or cause to be used any mixture containing PARIS GREEN or any other poisonous substance injurious to bees. (2) Any person contravening the provisions of this Act shall, on summary conviction thereof before a Justice of the Peace, be subject to a penalty of not less than \$1.00 or more than \$5.00, with or without costs of prosecution, and in case of a fine or a fine and costs being awarded, and of the same not being, upon conviction, forthwith paid, the Justice may commit the offender to the common goal, there to be imprisoned for any term not exceeding thirty days, unless the fine and costs are sooner paid.

The best fruit growers consider spraying, during the period of full bloom, as a useless waste of material, and harmful to the setting of the fruit. It is universally condemned by entomologists in every part of America. The recommended formulas as sent out by both the Federal and Provincial Departments of Agriculture state distinctly to spray apple orchards with Bordeaux and Arsenites: (1) Just as leaf buds are expanding; (2) JUST BEFORE BLOSSOMS OPEN; (3) JUST AFTER BLOSSOMS FALL; (4) Every ten days later if required.

Beekeepers and Fruit Growers are both urged to see that this harmful practice is stopped.

It is hoped that the law will not have to be applied, as most persons are unaware of the harm they do themselves as well as the beekeepers.
