The "Richmond (Que) Guardian," in its 53rd Year of Publication.

For very many years the chief organ of the Conservative party of the Eastern Townships. "The Guardian" is an 8-page 6-column paper, and has been conducted by the present editor without interruption for 50 years, who retires in consequence of advancing years.

The plant is in fair order, and consists of a moderate stock of news and job type, 7-horse-power engine and boiler, Peerless Gem cutter, 28-in. Campbell power press, medium Gordon (modern), and Liberty circular and card press, all in perfect order; three very large stones, tables, furniture, tools, addressing machine, stoves, etc., etc.

THE WEDDING GRAFT.

"How are you getting along with the arrangements for your daughter's wedding?"

"Splendidly. We've just completed the list of people who will probably send presents if invited."

There is Only One Eclectic Oil. —When an article, be it medicine or anything else, becomes popular, imitations invariably spring up to derive advantages from the original, which they themselves could never win on their merits. Imitations of Dr. Thomas' Eclectic Oil have been numerous, but never successful. Those who know the genuine are not put off with a substitute, but demand the real thing.

It's as difficult for some people to draw their own conclusions as it is for them to extract their wisdom teeth.

"If I should promise to you, what would be the outcome?"

EFFECTIVE FIRE ALARM.

Burglars are expected to have difficulty beating an alarm invented by a German genius. The appliance is very simple, consisting of a curtain or portiere, wired with fine conductors. At certain places on it are fixed small metal knobs, which are connected with wire conductors. The curtain is then drawn across the window or door, or around a safe, and the slightest disturbance breaks the circuit, as the knobs are thrown out of contact with each other.

LAKE HURON AND LAKE SUPERIOR.

A magnificent summer trip is enjoyed by taking this "fresh water sea voyage" from Sarnia, Ontario, to Fort William, Ontario, through these great inland seas. This year new steamers have been added to the Northern Navigation Co.'s fleet, and the finest and fastest vessels on the Great Lakes will fly the house flag of this popular Company. The steamers run in connection with the Grand Trunk Railway System, and all particulars, rates and descriptive literature, etc., can be had for the asking by applying to Mr. J. D. McDonald.

HOW HE MADE GOOD.

"What is the secret of your success?" we asked of the great physician.

"I acquired the art of concealing my ignorance," answered the wise M. D.

An Easy Pill to Take.—Some persons have repugnance to pills because of their nauseating taste. Parmelee's Vegetable Pills are so prepared as to make them agreeable to the most fastidious. The most delicate can take them without feeling the revulsion that follows the taking of ordinary pills. This is one reason for the popularity of these celebrated pills, but the main reason is their high tonical quality as a medicine for the stomach.

HER PREPARATIONS.

"I suppose your wife is getting ready to go away for the summer?"

"Yes, indeed. She's already asked the neighbors to watch me while she's gone."

It is an undisputed fact that one packet of Wilson's Fly Pads has actually killed a bushel of house flies. Fortunately no such quantity can ever be found in a well kept house, but whether they be few or many Wilson's Fly Pads will kill them all.

ABOUT MEN.

Many a man would have more friends in this world if he didn't spend so much time criticising the friends he already has.

IN HOT COUNTRIES Painkiller finds many uses. Colic, cramps, diarrhoea and all such troubles readily give way to its use. Dose, one teaspoonful, in hot water. Avoid substitutes, there is but one "Painkiller"—Perry Davis—25c. and 50c.

The winner never has any fault to find with the referee's decision.

Regarded as one of the most potent compounds ever introduced with which to combat all summer complaints and inflammation of the bowels, Dr. J. D. Kellogg's Dysentery Cordial has won for itself a reputation that no other cordial for the purpose can aspire to. For young and old suffering from these complaints it is the best medicine that can be procured.

The boy who runs away from home never has as good a time as he thought he would.

If your children moan and are restless during sleep, coupled, when awake, with a loss of appetite, pale countenance, picking of the nose, etc., you may depend upon it that the primary cause of the trouble is worms. Mother Graves' Worm Exterminator effectually removes these pests, at once relieving the little sufferers.

HOW TO DRINK MILK.

Why milk is "distressing" to so many people as they commonly complain lies in the method of drinking it. Milk should never be taken too quickly or too much at one swallow. If a glass of it is swallowed hastily it enters into the stomach, and then forms one solid curdled mass, difficult of digestion. If, on the other hand, the same quantity is sipped, and three minutes at least are occupied in drinking it then on reaching the stomach it is divided, and the proper digestion is obtained as well as a most nutritious effect.

When it comes to falling in love with a giddy girl, there is no fool like an old fool.

HELPFUL.

Mistress—"I'm glad to see you give the scraps to the cat, Susan."

Susan—"Yes'm, I believe in it. It saves half the dishwashing."

Nothing looks more ugly than to see a person whose hands are covered over with warts. Why have these disfigurements on your person when a sure remover of all warts, corns, etc., can be found in Holloway's Corn Cure.

GOOD EXCUSE.

"But Egbert, you never used to mind cutting the grass."

"I know, pa, but it's a whole lot harder since you sharpened the lawn mower."

If every housekeeper would use Wilson's Fly Pads freely during the Summer months the house fly peril would soon be a thing of the past.

DOMESTIC HERESY.

Peck—"But, my dear, there are two sides to every question."

Mrs. Peck—"Henry Peck, where in the world did you get that impression?"

When the blind attempt to lead the blind the result is out of sight.

NO SUBSTITUTE FOR "The D. & L." Menthol Plaster, recommended by everybody for stiffness, pleurisy, etc. Made by Davis & Lawrence Co.

MEAN.

"I shall never speak to Jane again. The mean thing."

"What's the matter?"

"I gave her a pickle dish for her wedding present and she got three others just like it, and would you believe it, mine was the one she exchanged."

The Bowels Must Act Healthily.

—In most ailments the first care of the medical man is to see that the bowels are open and fully performing their functions. Parmelee's Vegetable Pills are so compounded that certain ingredients in them act on the bowels solely and they are the very best medicine available to produce healthy action of the bowels. Indeed, there is no other specific so serviceable in keeping the digestive organs in healthful action.

A BIT PREVIOUS.

"And what is your last name, little girl?"

"Don't know; I'm not married yet!"

Practically all Canadian druggists, grocers and general dealers sell Wilson's Fly Pads. If your storekeeper does not, ask him why.

The wife of a dyspeptic man may not agree with him any more than her cooking does.
