## The Most Popular Paper In Ontario The Toronto Daily Star

The best proof that people like a newspaper is their willingness to pay good money for it.

More people buy the "Toronto Daily Star" than any other Daily, Weekly or Monthly published in the Province of Ontario.

Moreover, the circulation of the "Toronto Daily Star" is increasing more rapidly than that of any other newspaper in Canada.

These things do not just happen.

There must be a reason.

In this case there are several reasons.

The "Toronto Daily Star" publishes Market Reports 12 to 18 hours earlier than the morning papers. It is a Newspaper—not an "Organ"—political or any other kind.

Not only the Woman's Page, but the whole paper, is attractive to women.

It reports athletic events more fully than any other Canadian Daily.

Its special features, such as the "Chronicles of the Khan", are most entertaining.

Consequently people like the "Toronto Daily Star" better than any other newspaper.

### \$1.50 A Year

This paper and the "Toronto Daily Star" together for one year—\$2.20. Guaranteed Fountain Pen given for 50c. added to above subscription prices.

¶ We can fit any man of any shape or figure—and fit him perfectly.

¶ We call ours tailoring because our system is so different from the many brands of ready-made tailoring—and our work is a great deal better finished than the retail custom tailor can produce.

The kinds of work we like best is fitting people out for a good time in the woods, with the best guns and equipment that money can buy. We're in better shape to do this now than at any time, and can meet every reasonable requirement at the least possible expense. Come in and look through the stock we have and the catalogue of things we can very quickly get.

It pays to be particular what gun you buy and we've been particular in advance of your need. We get the best as a matter of course.
