

HOW MRS. CLARK FOUND RELIEF

AFTER YEARS OF SUFFERING DODD'S KIDNEY PILLS CURED HER.

Pleasant Point Matron Tells Her Suffering Sisters How to be Free From the Terrible Pains that Make Life a Burden.

Pleasant Point, Ont., Nov. 15—(Special).—That most of the ills that the suffering women of Canada have to bear are due to disordered kidneys, and that the natural cure for them is Dodd's Kidney Pills, is once more shown in the case of Mrs. Merrill C. Clarke, a well-known resident of this place and a prominent member of the Salvation Army. Mrs. Clarke is always ready to give her experience for the benefit of her suffering sisters.

"My sickness commenced twenty years ago with the change of life," says Mrs. Clarke. "My health was in a bad state. Water would run from my head which would make me faint. When I came out of the fainting spells I took fits. I was bloated till I was clumsy. The pain I suffered was awful. It would go to my feet and then to my head. Many doctors attended me, and I tried many medicines, but nothing gave me relief till I used Dodd's Kidney Pills. The first box stopped the fits and seven boxes cured me completely."

Every suffering woman should use Dodd's Kidney Pills. They make strong, healthy kidneys, and the woman who has good kidneys is safe-guarded against those terrible pains that make miserable the lives of so many women.

WHAT HE HAD DONE.

In order to avoid an argument with a woman suffragist on the subject of her hobby, a happy bachelor gallantly acquiesced in the truth of her assertions, says Judge.

"But, sir," sternly remarked the spinster, "your admission is anything but creditable to you. What for instance, have you ever done for the emancipation of woman?"

"Madam," responded the gentleman, with a polite smile and a bow, "I have at least remained a bachelor!"

PILES CURED at HOME by New Absorption Method

If you suffer from bleeding, itching, blind or protruding Piles, send me your address, and I will tell you how to cure yourself at home by the new absorption treatment; and will also send some of this home treatment free for trial, with references from your own locality if requested. Immediate relief and permanent cure assured. Send no money, but tell others of this offer. Write to-day to Mrs. M. Summers, Box P 720, Windsor, Ont.

Some would-be flatterers, after smearing on a lot of salve, spoil the effect by rubbing it in with a wire brush.

They Cleanse While They Cure.—The vegetable compounds of which Parmelee's Vegetable Pills are composed, mainly dandelion and man-drake, clear the stomach and intestines of deleterious matter and restore the deranged organs to healthful action. Hence they are the best remedy for indigestion available to-day. A trial of them will establish the truth of this assertion and do more to convince the ailing than anything that can be written of these pills.

A gentleman who discovered that he was standing on a lady's brain had the presence of mind to remark:—"Though I may not have the power to draw an angel from the skies, I have pinned one to the parth." The lady excused him.

THE PAPAL COOK.

Called to Vatican From Venice — Pope's Frugal Meal.

Stefano Inchiostro is the name of the Pope's cook. He has recently been relating his experiences in the Veneto, from which it is seen that his post is a veritable sinecure.

For twenty-seven years he was the cook in the seminary of the Patriarch of Venice, the dignity held by the Pope before his call to the chair of St. Peter, and consequently was well known to his Holiness. On June 22, 1903, Stefano received a summons from his old master to repair to the Vatican.

He went, and was conducted to the presence of the Pope, and it was only the geniality of the Pontiff that placed the cook at his ease, for he was greatly moved.

The cook enables us to have a glimpse of the daily life of his venerable master, who is an example of Horace's "obiter" that change of place does not alter the man. After celebrating mass, the Pontiff takes a little coffee. Precisely at noon he lunches, in company with Mgr. Pescini and Mgr. Bresson. They are always served by a particular valet de chambre.

The repast is modest in the extreme. Some soup, a little meat from the soup and rarely is there a roasted joint. At 9 at night the Pope takes his supper, more frugal, if possible, than the midday meal. Vegetables and a little meat is the night repast. In Winter the Pope takes more soup than in Summer, made from dried vegetables.

His Holiness is very fond of the "polentina" (soupe de maïs), made as it was in the days past in Venice, and it is generally accompanied by some fish sent from Civita Vecchia or Venice.—London Globe.

POULTRY.

We call the attention of our readers to the advertisement of The Gunn, Langlois Company, of Montreal, which appears elsewhere in this paper. If you have any poultry to place on the market during the holiday season take their advice and communicate with them before rushing your goods to market. It is a good plan to write to these people if you have eggs, butter, poultry or honey to dispose of at any time.

OH, RAPTURE!

Patience—"Peggy is very happy."

Patrice—"She's engaged, isn't she?"

Patience—"Yes, and the man she's engaged to is cross-eyed and he's looking at her all the time, and no one can tell it but herself."

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who, then would endure them with such a cheap and effectual remedy within reach?

Beware of the man who has a good story to tell you in a whisper.

Mrs. Robert E. Peary, more than nine years ago, favorably commented on Murine Eye Remedy after its application in her family for eye troubles resulting from measles and scarlet fever, and later recommended to the famous Explorer, the man who now returns home as the Discoverer of the North Pole. Cold, Cutting Winds and Dust cause Red, Weak, Watery Eyes. Murine Eye Remedy affords Reliable Relief. Write Murine Eye Remedy Co., Chicago, for Illustrated Eye Book. A Wide Sphere of Usefulness.—The consumption of Dr. Thomas' Electric Oil has grown to great proportions. Notwithstanding the fact that it has now been on the market for over thirty-one years, its prosperity is as great as ever, and the demand for it in that period has very greatly increased. It is beneficial in all countries, and wherever introduced fresh supplies are constantly asked for.

DON'T OUT-STAY WELCOME.

Every guest should take note of these conditions: Even if a bona fide invitation has been received, do not permit any amount of coaxing to persuade you to stay longer than a week, unless an invitation for a longer time has been given. If no length is set for your visit, then it would be wise to stay not longer than a few days, but you will generally find that your hostess will mention in her invitation the period of time you are expected to remain.

Master—"How was this vase smashed, Mary?" Mary—"If you please, sir, it tumbled down and broke itself." Master—"Humph! The automatic brake again!"

Zam-Buk

Mr. R. C. Blarion, a prominent Salvation Army worker, who occupies the proud position of Deputy Band Master at the Temple, Toronto, bears testimony to the great healing power of Zam-Buk balm. He says:—

"Pimples and sores broke out all over my face and neck and notwithstanding all I did to try and cure them they spread. In places the skin was inflamed over big patches and caused me great pain and inconvenience. I was advised to try Zam-Buk and for several days I applied it to the sores anointing it often with the healing balm. It soon began to soothe the pain, and in a short time the sores ceased to be so angry and painful! With perseverance Zam-Buk healed the sores completely and made my skin as smooth and clear as possible. I strongly recommend Zam-Buk to all who suffer from unsightly skin troubles, sores, ulcers, etc. It is a wonderful healer!"

Zam-Buk cures eczema, itch, blood poison, festering, chronic and suppurating sores, burns, cuts, barber's rash, fistula and all skin injuries and diseases. It is also a specific for piles. All druggists and stores sell a box or 3 for \$1.25. Send 1c. stamp to Zam-Buk Co., Toronto for sample box.

WITH OR WITHOUT.

"The chicken stew has two prices in the bill of fare. How is that, waiter?"

"With chicken in it, it is thirty cents; without it, ten."

Pills of Attested Value.—Parmelee's Vegetable Pills are the result of careful study of the properties of certain roots and herbs, and the action of such as sedatives and laxatives on the digestive apparatus. The success the compounders have met with attests the value of their work. These pills have been recognized for many years as the best cleansers of the system that can be got. Their excellency was recognized from the first and they grow more popular daily.

"I like that piece of checked goods, but are you sure that the colors won't run?"

"Madam, that is a certified check."

The efficacy of Bickle's Anti-Consumptive Syrup in curing coughs and colds and arresting inflammation of the lungs, can be established by hundreds of testimonials from all sorts and conditions of men. It is a standard remedy in these ailments and all affections of the throat and lungs. It is highly recommended by medicine vendors, because they know and appreciate its value as a curative. Try it.

Dr. Morse's Indian Root Pills

owe their singular effectiveness in curing Rheumatism, Lumbago and Sciatica to their power of stimulating and strengthening the kidneys. They enable these organs to thoroughly filter from the blood the uric acid (the product of waste matter) which gets into the joints and muscles and causes these painful diseases. Over half a century of constant use has proved conclusively that Dr. Morse's Indian Root Pills strengthen weak kidneys and

REMARKABLE INDIAN BRIDGE

Built by the Indians in British Columbia.

An interesting bridge, said to have been built by Indians, is situated about 200 miles east of Prince Rupert, B. C., near the proposed line of the Grand Trunk Railway, says the Engineering News.

It is built of round poles, fastened together with telegraph wire and wooden pins, the floor being the only part where nails are used to any extent, and no two joints are made alike, but it seems to do the work required of it, that is, as a means for pack trains to cross Bulkley River.

Looking at it from a distance, it seems to be nothing but a collection of poles and wire stuck together any way, with no particular reason for its not falling; the floor is very uneven, and the joints of the different members are made by lapping and binding them with wire. But by looking at it closely a person can see that the party who built it had a pretty good idea of engineering, for the bridge is an ingenious combination of cantilever and suspension construction.

"Do you take any periodicals?" asked the new clergyman, on his first round of parish visits. "Well, I don't," replied the woman; "but my husband takes 'em frequent. I do wish you'd try to get him to sign the pledge!"

BRONCHITIS

If Neglected, it soon reaches the Lungs and may Prove Fatal.

Mr. G. L. Garrow of 116 Millicent St., Toronto, writes under date of September 13, 1908, "One year ago this spring I contracted a severe cold in the chest, which developed into Bronchitis. I took three kinds of medicine and found no improvement. A friend of mine advised me to try PSYCHINE and in three days I felt like a new man again. I desire to let others know that a valuable cure you have in PSYCHINE for it cured me where all other medicines had failed. I am most thankful to be well again, and for the sake of others who may be ill, you may publish this testimonial." Stop that cold or the results will be serious. You can do this by toning up the system with PSYCHINE.

MR. POULTRY RAISER

DON'T play into the hands of the POULTRY SPECULATORS who are scouring the country and picking up all the live birds they can lay their hands on. Naturally their object is to get the bulge on you and reap the benefit of a stronger and more profitable market later on in the season.

DON'T rush your Poultry on to the market too soon. Fatten and dress it properly yourself; then sell it when condition of both stock and market will warrant your securing the highest price of the season. The past three years have clearly proven that those who held their Poultry until the latter part of December, have reaped the largest returns for their outlay.

DON'T overlook the fact that the above remarks are simply in the nature of advice, and that if you have any Poultry on hand that you wish to dispose of NOW, we are in the best position of any house in the country. BARRING NONE, to handle same for you. We are in the business every day in the year, and our 35 years of ever increasing business and a host of satisfied shippers are proof sufficient of our ability to please you.
