NEWSPAPER LAW.

1. A post-master is required to give notice by letter (returning the paper does not answer the law), when a subscriber does not take his paper out of the office, and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.

2. If any person orders his paper discontinued he must pay all arrears, or the publisher may continue to send it until payment is made, and collect the whole amount whether the paper is taken from the office or not. There can be no legal discontinuance until the payment is made.

3. Any person who takes a paper from the post office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.

4. If a subscriber orders his paper to be stopped at certain time and the publisher continues to send it, the subscriber is bound to pay for it if he takes it from the post-office. This proceeds upon the ground that a man must pay for what he uses.

5. Courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncalled for, is *prima facie* evidence of intentional fraud.

**The Most Popular Paper in Ontario
The Toronto Daily Star**

The best proof that people like a newspaper is their willingness to pay good money for it.

More people buy the "Toronto Daily Star" than any other Daily, Weekly or Monthly published in the Province of Ontario.

Moreover, the circulation of the "Toronto Daily Star" is increasing more rapidly than that of any other newspaper in Canada.

These things do not just happen.

There must be a reason.

In this case there are several reasons.

The "Toronto Daily Star" publishes Market Reports 12 to 18 hours earlier than the morning papers. It is a Newspaper—not an "Organ"—political or any other kind.

Not only the Woman's Page, but the whole paper, is attractive to women.

It reports athletic events more fully than any other Canadian Daily.

Its special features, such as the "Chronicles of the Khan", are most entertaining.

Consequently people like the "Toronto Daily Star" better than any other newspaper.
