The "Dominion Sentinel."

"The Dominion Sentinel" is the title of a new quarterly publication which has just come to hand, having for its object the discouragement of civic legislation in religious affairs. The Sentinel particularly protests against any interference by civic authorities in the matter of Sabbath observance; in fact, Sabbath observance is the only matter specifically dealt with. The Sentinel objects to the appointing by law of any particular day as Sunday, and forbidding by law the performance of work or play upon that day. Such action, it holds, is an unwarrantable interference by the state with a man's private religious affairs. The Sentinel believes, by inference, that every man should be allowed to judge for himself what day in the week he should observe as the Sabbath, and should be free to observe no day at all, if such a course should seem proper to him. Civil government, a writer in the Sentinel says, "can only regulate the overt actions of men, restraining them from encroaching upon the equal rights of other men."

We cannot say that we wish the Sentinel success in its efforts. The tendency toward non-observance of Sunday is strong enough without any special assistance. There are private and corporate interests that would like to be free to do as they please on Sunday, for the money they could make thereby, and the Sentinel would do well to free itself of any suspicion of being connected with these interests.

Curling.

FALLS WINS FIRST AT 'CAYGEON.

Of the four rinks that went to the Bobcaygeon bonspiel, one managed to fight its way through to the chief prize. W. Shane, lead; H. McCallum, second; T. Graham, vice; and E. M. Hamilton, skip, are the four who defeated some of the best curlers of Peterborough, Bobcaygeon and Lindsay, and captured four very handsome solid leather club bags, the chief prize of the bonspiel. The runners up were Davis's rink of Bobcaygeon, who were beaten by 9 shots in the final game. Skip Gould and his rink, H. Copp, E. Nevison and O. Nevison, also did extremely well, winning three primaries, and came very close to getting into the final game against skip Hamilton. W. H. Robson's rink won their first primary and first consolation, and lost the second. Skip Mann lost his first primary, won his first consolation and lost the second. Both these rinks were therefore out of the running comparatively early.

The little extra touch of enthusiasm inspired by the Bobcaygeon meeting was all that was needed to bring the curlers here to a decision to hold a bonspiel at the Falls next winter. They are now decided to have a bonspiel, and a regular good one, next season.

Mr. G. H. Hopkins, one of Lindsay's best known and most enthusiastic curl-

ers, has kindly donated two fine pairs of gold cuff links, which were received by Mr. J. H. Brandon, a few days ago, and which are to be competed for by the younger members of the club here. The nature of the competition will be decided shortly, when play will be commenced, and lively contests may be expected for Mr. Hopkins' much appreciated gift.

The New Pump.

The work of installing the new pump purchased by the town some time ago from the Canada Foundry Co., is completed, and the pump is ready for work. It is known as a four stage turbine, and has a capacity of 1000 feet through a single line of hose, or 500 feet through two lines, with a vertical lift of 80 feet; or a vertical lift of 150 feet through a single length of hose. The pump will cost about \$700. Its chief advantage over the old pump is that it has no gear and no belting, being connected directly with the shaft of the motor, greatly diminishing the danger of getting out of order.

ICE.

The annual ice harvest is in full swing. The ice this year varies considerably in quality and thickness, and taken altogether is not up to the average.

"KITTY GREY."

Quite a crowd went to Lindsay from the Falls on Friday evening to see "Kitty Grey," and returned on a special after the performance. All report they play a good one.

\$38.75 FOR ONE PIG.

A few days ago Mr. Geo. Junkin, of Red Rock, sold to Mr. Chas. Edgar, of Bobcaygeon, a Yorkshire pig that weighed 775 lbs. and for which Mr. Junkin was paid \$38.75. This is the highest price yet recorded in this neighborhood.

CAMERON CHEESE AND BUTTER ASSOCIATION.

A meeting of this Association will be held at Cameron on Monday, Feb. 21st, at 2 p. m., for the purpose of deciding as to whether the property shall be operated the coming season or the property otherwise disposed of.

FIRST AT BIG CARNIVAL.

At a fancy dress carnival lately held in Ingersoll, and described by the Chronicle as decidedly "the prettiest and most successful event of the kind held in Ingersoll in years," Miss Irene McDougall, formerly of Fenelon Falls, captured the prize for best lady's costume, as "Rosalind." The prize is worth \$25 to \$30. There were upwards of two hundred skaters in costume on the ice.

WON \$10 FOR BEST PEAS.

Last year the Squiers Co. of Lindsay offered a prize of \$10 for the best yield and best sample of peas grown in Fenelon township from seed furnished by them. The prize was won by Mr. Samuel Copp of Islay, who received the information a few days ago, accompanied by a cheque for the amount.

CAPT. J. W. KENNEDY DEAD.

Winnipeg, Feb. 13.—Captain John Kennedy, Provincial Registrar, and a member of the Nile Voyagers, and one of the most active members of the western militia for many years, died yesterday. His former home was in Peterboro, Ont.

This is Captain John W. Kennedy, a well known resident of Fenelon Falls some years ago.

SUCCESSFUL SALE.

The sale held at the Aldous Repository on Saturday was one of the best that has been held since the sales were commenced, a large amount of stock and other articles being disposed of. Live stock and goods are auctioned off at these sales for a very reasonable commission, and they form a ready means of bringing buyer and seller together.

DOG SHOT.

Fenelon Falls took a hand in the mad dog scare business last week, when a stray collic, that had been running around town for a few days, began first barking at people and then attacking them. The attacks were not taken much notice of until they began to get serious. Constable Jones then went in pursuit with a 22 rifle, which was hardly heavy enough, as he had to fire four or five shots before one took effect, though every shot hit the animal's head.

THE METHODIST CHURCH.

The new organ has proved a very effective help in public worship, and the congregation has deeply appreciated the splendid services of the choir. To secure a new supply of music, the choir will be "At Home" to the congregations and public in the church on Friday evening, February 25th, when a social evening consisting of a programme and refreshments will be held. Admission 15c. Last Sunday evening the singing of Mr. A. McKendry was appreciated by the large congregation present.

EPWORTH LEAGUE OFFICERS.

Cobourg, Feb. 12.—The Bay of Quinte Epworth League Conference has just closed a most successful and well attended gathering here. The following officers were elected:—President, Rev. L. S. Wright, B. D., Brighton; First Vice-President, Mr. A. J. Terril, Fenelon Falls; Second Vice-President, Rev. S. Tucker; Third Vice-President, Mr. W. E. McCann, Peterboro; Fourth Vice-President, Miss Florence Hall, Wicklow; Fifth Vice-President, Mrs. (Rev.) F. C. Chapman; Secretary, Mr. W. M. Kitcham, Brighton; Treasurer, Miss Idell Rogers, Cobourg; Conference Representative, Mr. F. R. Foley, Bowmanville.

SNOWSHOEING.

The weather on Thursday evening of last week was rather too cold for snowshoeing, but a large number of the "Agreeable Tramps" took a trip eastward around by Sullivan's grove and back by the plains, returning to Miss Hand's residence, where refreshments and music wound up the evening.

As the "Tramps" wish to take advantage of the moonlight nights, they are holding two meetings this week, quite a large number being entertained at Miss Ellis's on their return from their trip on Wednesday night. They meet to-night, (Friday), at the Lindsay Power House, for their second tramp this week. As this meeting is of a new nature, it is hoped that all the members will be present.

SPECIAL EVANGELISTIC SERVICES.

On Sunday next in the Baptist Church Gipsy Hawkins will begin a two weeks special mission in the Baptist Church. Mr. Hawkins is a successful evangelist from the old country, and has conducted missions in the leading cities and towns of England and Scotland.

The meetings will be held every night during the coming week, beginning at 8 o'clock. They will be brief, bright and hearty. On Thursday night, March 3rd, Gipsy Hawkins will give an account of his life, giving the details of how he was led from the Gipsy tent to the pulpit. All will be made welcome.

VALENTINE SOCIAL.

The valentine social given by the young people of St. Andrew's Church on Monday evening was a very enjoyable event. The lecture room was tastefully decorated with hearts, and the refreshments ditto. Harry Lauder and other selections from Mr. Wm. McArthur's gramophone was a pleasing feature of the programme, in which the following also took part: Mr. D. Robertson, reading; Mr. James Dickson, reading; Miss Kerr, recitation; Mrs. McArthur, song; Mr. S. McKendry, instrumental; Miss Doherty, recitation; Miss M. Chambers and H. Heard, recitation; Master McL. Lord, recitation; Master D. Coulter, recitation; Messrs. G. Wilson, W. Wilson, A. Quibell, A. McGee and H. Copp, trio and quartette; Mr. John Lee, reading; Mr. Bailey, reading; Miss Pearl Littleton and Miss Violet McKendry acted as accompanists. The proceeds amounted to \$16.85.

W. I.—The regular meeting of the Women's Institute will be held Friday, February 25th, at 2.30 o'clock at the home of Mrs. W. Burgoyne. Papers are being prepared on the two subjects namely "Home Work and Influence," and "Whether Woman Should Be On The School Board," (as mentioned by our delegate, Miss Campbell). There is no doubt but this meeting will be of unusual interest. All ladies invited whether members or not.
