Any way a square meal is as broad as it is long.

Sleeplessness.—Sleep is the great restorer and to be deprived of it is vital loss. Whatever may be the cause of it, indigestion, nervous derangement or mental worry, try a course of Parmelee's Vegetable Pills. By regulating the action of the stomach, where the trouble lies, they will restore normal conditions and healthful sleep will follow. They exert a sedative force upon the nerves and where there is unrest they bring rest.

Sometimes a girl imagines that she is in love when all she needs is a square meal.

Bickle's Anti-Consumptive Syrup is an unparalleled remedy for colds, coughs, influenza and diseases of the throat and lungs. The fame of the medicine rests upon years of successful use in eradicating these affections, and in protecting mankind from the fatal ravages of consumption, and as a neglected cold leads to consumption, one cannot be too careful to fight it in its early stages. Bickle's Syrup is the weapon, use it.

Politeness pays enormous dividends on the investment.

A Soothing Oil.—To throw oil upon the troubled waters means to subdue to calmness the most boisterous sea. To apply Dr. Thomas' Electric Oil to the troubled body when it is racked with pain means speedy subjugation of the most refractory elements. It cures pain, heals bruises, takes the fire from burns, and as a general household medicine is useful in many ailments. It is worth much.

"That horrid, ill-tempered little man is always boasting about his wife. He told me yesterday she was hard to beat." "He ought to know. He'd tried it."

A FORTNIGHT MAROONED.

Terrible Sufferings of a Shipwrecked Crew.

The crew of the London sailing vessel Deccan, which was wrecked near Cape Horn in December last, told a thrilling story of adventure and privation when they were landed at Liverpool recently by the Pacific Line steamer Orcoma.

The Deccan left Port Talbot with a cargo for South America, and had on board a crew of twenty-seven, including six apprentices.

When the vessel was near Cape Horn the master, Captain Parnell, was taken ill. He was put ashore at Port Stanley, subsequently returning to his home at Portmadoc, where he died.

The ship proceeded on her voyage, but encountered seas of tremendous violence, and was driven ashore on Mess Island. Immediately she struck, her mainmast went overboard, and, being badly damaged, the vessel began to fill rapidly. The men took to the boats with a few biscuits and some tinned meat, and the vessel went down a quarter of an hour afterwards.

A landing was effected on the Island of Terra del Fuego, and here the crew remained marooned for thirteen days. The food supply gave out, and the men had to subsist on mosses and shellfish. Rain and sleet fell almost incessantly, and the only shelter the men had was a tent made from pieces of the ship's sails.

In their explorations of the island the men found several human skeletons, indicating that shipwrecked men had previously perished there.

At the end of thirteen days a sealer was sighted, and the crew were rescued and landed at Punta Arenas, from which port they sailed for Liverpool.

A GOOD COUGH MIXTURE.

Simple Home-made Remedy That is Free From Opiates and Harmful Drugs.

An effective remedy, that will usually break up a cold in twenty-four hours, is easily made by mixing together in a large bottle two ounces of Glycerine, a half-ounce of Virgin Oil of Pine compound pure and eight ounces of pure Whisky. This mixture will cure any cough that is curable, and is not expensive, as it makes enough to last the average family an entire year. Virgin Oil of Pine compound pure is prepared only in the laboratories of the Leach Chemical Co., Cincinnati, Ohio.

TAKING ADVANTAGE.

"How is it your friend Braggitt is so cocky?" "He has unusual chances to assert himself. His wife has an impediment in her speech."

No Reasonable Man expects to cure a neglected cold in a day. But time and Allen's Lung Balm will overcome the cold and stave off consumption. Cough will cease and lungs be sound as a new dollar.

Even the pessimist doesn't seem to be in any hurry to quit this world.

If your children moan and are restless during sleep, coupled, when awake, with a loss of appetite, pale countenance, picking of the nose, etc., you may depend upon it that the primary cause of the trouble is worms. Mother Graves' Worm Exterminator effectually removes these pests, at once relieving the little sufferers.

Money that a man burns seldom helps to enlighten the world.

Nothing looks more ugly than to see a person whose hands are covered over with warts. Why have these disfigurements on your person when a sure remover of all warts, corns, etc., can be found in Holloway's Corn Cure.

"FAITHFUL AND WILLING."

The colored man referred to in this little story must have been the man who was so good a "provider" that he provided his wife with three new places to wash at. A gentleman, seeing him start off on a fishing excursion, thought it an excellent time to reprove him for his laziness.

"Rufus, you old loafer," said he, "do you think it's right to leave your wife at the wash-tub while you pass your time fishing?" "Yassah, jedge; it's all right. Mah wife don't need any watching. She'll sholy wuk jes' as hard as if I was dah."

Vanity in a woman is almost as bad as conceit in a man.

owe their singular effectiveness in curing Rheumatism, Lumbago and Sciatica to their power of stimulating and strengthening the kidneys. They enable these organs to thoroughly filter from the blood the uric acid (the product of waste matter) which gets into the joints and muscles and causes these painful diseases. STOODLEY PIKE'S HISTORY.

Structure was Built Near Hebden Bridge, England.

A structure known as Stoodley Pike, which stands 90 yards high and is situated near Hebden Bridge, England, has a remarkable history. It was built in 1814 to commemorate the Peace of Ghent.

Singular to relate, however, it fell on the very day that the Russian Ambassador left England prior to the Crimean War. Rebuilt by public subscription, it withstood storm and rain for half a century, but on the same day that the Boer Government issued its ultimatum to Britain was struck by lightning and badly damaged. These coincidences have strangely perplexed local people.

NUMBER 23 THE PR...

CONTENT TO STARVE.

Pathetic Death of an Old Man in Westminster.

The case of an aged couple who were contented though they lived in extreme poverty was described at an inquest on William Henry Mead, aged 64, a general dealer, living in Peter street, Westminster, England, who died suddenly a short time ago.

The widow said that they rented a back room at 3s. a week, which was paid by their children, and lived on the few coppers her husband brought home. They both suffered from want, and did not often have a fire. She believed starvation was the cause of death.

The Coroner—What had he had to eat in the last few days?—On Saturday night he brought home 10d. He said, "Go and get a penny packet of soup powder," and he drank a drop of it, but had no meat.

Anything on Sunday?—Yes, a bit of toast, sir; nothing more.

Anything on Monday?—Yes, a little bit of toast—about half a slice. Did you ever apply for parish relief?—Never.

Any reason for your not applying for relief?—No, we were contented with what we had. There was no reason at all.

The coroner's officer stated that the room occupied by the couple had a woe-begone appearance. There was no fire and no food in the place.

SHE HAD THIS SORE FOR FOUR LONG YEARS!

How Zam-Buk Healed It.

You can't equal Zam-Buk for sores of all kinds, whether recent or of long standing. That is the opinion of Mrs. Wilson, of 110 Wickinson Ave., Toronto. She says: "About four years ago a sore spot appeared on the right side of my face, just about the angle of the jaw. This spot increased in size until it became about half an inch in diameter, and very troublesome. I went to a doctor, from whom at different times during fifteen years I had received treatment, but the ointment I got did not have any good effect on the sore. I had it cauterized, tried poultices and all kinds of salves, but it was no good, and this continued for four years. A sample of Zam-Buk was one day left at our house, and I used it.

"Although the quantity was so small, it seemed to do me some good, so I purchased from Mr. Bauld, Druggist, Scollard and Yonge Streets, a supply of Zam-Buk. Each box did me more and more good, and to my delight, before I had been using Zam-Buk three weeks, I saw that it was going to heal the sore. In less than a month it was healed! It has now been healed for almost a year.

Try Zam-Buk for eczema, ulcers, skin eruptions, face spots, baby's rashes, inflamed places, piles, blood-poisoning and all skin injuries and diseases. 50c all druggists and stores, or post free from Zam-Buk Co., Toronto, for price.

Ravages of Consumption

ALL HER RELATIVES HAD DIED OF CONSUMPTION

In the year 1890, 18 years ago, Mrs. G. S. Gesner, of Belle Isle, N.S., was in a sad condition. All her relatives had died of consumption, and there was every indication that she was going the same way. At this point her husband suggested to try Psychine. The doctor who attended said Psychine was worthless; but it effected a wonderful cure. Eighteen years after in a letter bearing date August 14, 1908, Mrs. Gesner says, "I am better than I have been for years. My lungs have not troubled me since I took your treatment. My physician told me I could not take a better tonic than PSYCHINE, and I recommend it to all who are suffering from Lung Trouble and General Debility."
