

RHEUMATISM WEATHER THIS

BUT DODD'S KIDNEY PILLS ALWAYS CURE RHEUMATISM.

What They Did for W. H. Craine, and Why They Always Cure Rheumatism—They Remove the Cause.

Toronto, Ont., Mar. 21 (Special).—In these days of sudden changes of temperature known to so many suffering people as Rheumatism weather the experience of W. H. Craine, of 103 Gladstone Ave., this city, is of widespread interest. Mr. Craine suffered from Rheumatism. He is cured and he knows the cure. It was Dodd's Kidney Pills.

"Yes, I know Dodd's Kidney Pills cured my Rheumatism," Mr. Craine states. "For after I started taking them I used no other medicine. I never cease recommending Dodd's Kidney Pills to my friends."

Dodd's Kidney Pills cure Rheumatism by putting the Kidneys in condition to strain the uric acid out of the blood. It is uric acid in the blood that causes Rheumatism. Cold or damp causes it to crystallize at the muscles and joints and then comes those tortures every rheumatic knows only too well. Dodd's Kidney Pills cure Rheumatism by curing the Kidneys. The cured Kidneys remove the cause of the Rheumatism.

By bribing the Nerves with opium you may stop a cough, but the inflammation goes on bad to worse. Allen's Lung Balsam, containing no opium, goes to the root of the trouble and cures deep-seated affections of throat and lungs.

THEY WATCH YOU IN BERLIN.

It is Sometimes Convenient When Looking Up a Friend.

"I had no idea that they kept such an espionage over strangers in Berlin until a friend of mine had occasion to look up some one there," said a traveller. "We had come up from Vienna, and as my friend was in the diplomatic service we called at the Embassy.

"While there he happened to think of another friend, an American who had gone to Berlin about three years before to represent an American concern and wondered how he could get a trace of him. 'Nothing is easier,' said the Embassy secretary. 'Just wait a moment.'"

"I wrote a note and handed it to a messenger. 'We shall know all about your friend in fifteen minutes,' he said. 'Sure enough, within that time the messenger reappeared with an answer. From it the secretary read that Soandso had arrived in Berlin on such a date three years previous, that he lived at a certain address, that he had gone the week before to a little town in the interior, but that he was expected back within three days.

"Well, he turned up on the day the police said he would be back, and we had dinner with him."

"Thank ye, mum," said Erin's brawny daughter. "An' I noticed ye had printed on yer cards, mum, 'At home on Thursdays.' Would it be proper for me, mum, to have printed on moine, 'Tuesday off'?"
