

EVERY DAY BRINGS A FRESH PROOF

THAT DODD'S KIDNEY PILLS ARE A BOON TO SUFFERING WOMEN.

Mrs. Rousseau Tells How They Cured Her After Three Years of Almost Ceaseless Pain.

Hintonburg, Ont., May 2 (Special).—Every day furnishes fresh proof that the women of Canada can be cured of ailments which have hitherto seemed to be a part of the inheritance of the sex by the use of Dodd's Kidney Pills. And this place has a living proof in the person of Mrs. William Rousseau, of 37 Merton Street.

"For over three years," Mrs. Rousseau states, "I was very ill. My troubles were painful. I suffered very much with my back. My head ached almost continuously and I scarcely knew what it was to be free from pain. I was very weak and run down. Occasionally my hands would swell up, and this, too, gave me a great deal of annoyance and discomfort. I began to use Dodd's Kidney Pills and very soon commenced to improve. Three boxes cured me completely."

Nine-tenths of suffering women's troubles start from diseased kidneys. The natural way to cure them is to take away the cause, that is, to cure the kidneys. Dodd's Kidney Pills always cure diseased kidneys.

THE NEW MILLING COMPANY.

Ontario is certainly going to play a very prominent part in the future of the Milling industry in Canada.

And so it is that we find that the new big Ontario milling concern which will be known as the Maple Leaf Milling Co., Limited, and will absorb the Maple Leaf Flour Mills Co., Ltd., and with it the Hedley Shaw Milling Co., has already under way the construction of a 6,000-barrel mill, a million bushel elevator, and storage warehouse out on the new piers that have been constructed at Port Colborne. Naturally it takes a pile of money to carry through such big undertakings, and the men who are at the head of the new Company, including Mr. Cawthra Mulock, of Toronto; Mr. Hedley Shaw, founder and head of the Hedley Shaw Milling Co., and Mr. D. C. Cameron, the Western lumberman who organized the Maple Leaf Flour Mills Co., Ltd., have supplied \$1,000,000 of additional cash capital, which besides permitting of the completion of the entire new plant already under way at Port Colborne, and the construction of some 15 new elevators throughout the West, will provide the new Company with further working capital to go right ahead and get its full share of the larger business that is offering, not only throughout Canada, but more especially in Great Britain and various foreign markets.

Even a truthful man is occasionally guilty of exaggeration.

A Cure for Rheumatism.—A painful and persistent form of rheumatism is caused by impurities in the blood, the result of defective action of the liver and kidneys. The blood becomes tainted by the introduction of uric acid, which causes much pain in the tissues and in the joints. Parneelee's Vegetable Pills are known to have effected many remarkable cures, and their use is strongly recommended. A trial of them will convince anyone of their value.

The signature on a cheque is a sign of prosperity.

ELECTRICITY FROM WIND.

English Farmer Will Have Largest Windmill in Country.

What will prove the largest windmill for generating electricity in England is being made now at a factory in Willesden Green, England. It embodies several quite recent and large improvements. Mr. J. G. Childs is the inventor. A large and very lightly constructed wind-wheel, 48 feet in diameter, is mounted on a tower 100 feet high, and is provided with a governor which makes the wheel turn to face the wind when only a faint or fair breeze is blowing, but when a sudden gale comes, which might destroy the wheel under ordinary conditions, the governor causes the wheel to turn abruptly sideways on, so that it offers no resistance.

The governor consists of three planes arranged as a triangle, and when the wind is of great force two of these planes blow out horizontally, while the third steers the wheel round to meet the wind sideways.

This large wind-wheel, now nearly finished, will be erected on a farm near London, where it will generate electricity for 300 lights, motors for crushing oats, etc., and pumps for supplying water for the farm and also for a large fire hydrant.

CONTENTED.

Living is great,
And the world is immense,
To the man who will view it
With wisdom and sense.
There is so much to laugh at
And so much to cheer,
That everyone ought to be
Glad he is here.

"Don't get down in the mouth, old man," said the Optimist. "Look on the bright side of things."
"That's all very well," mournfully replied the sufferer; "but what is the bright side of a gumboil?"

Do Not Delay.—Do not let a cold or cough fasten upon you as it will if neglected. Dr. Thomas' Electric Oil will break up a cold and cure a cough, and should be resorted to at once when the first symptoms appear. It can be disguised so that any unpleasant taste it may have will be imperceptible to the delicate. Try it and be convinced.

WORTH KEEPING.

"What do you want?" asked the lady of the house of the tramp.
"Something to eat."
"I haven't anything in the house except some bread and tinned beef. Do you want some of that?"
"No," he said sadly. "I'd better move on. It would be a pity to waste such a fine appetite on such poor victuals."

Gladys—"Why are you going to all that trouble to open that letter so carefully, Maud?"
"Oh, I had a quarrel with George, and intend to send his letter back unopened; but I just thought I would see what he said before I returned it."

Bickle's Anti-Consumptive Syrup is agreeable to the taste, and is a certain relief for irritation of the throat that causes hacking coughs. If used according to directions it will break the most persistent cold, and restore the air passages to their normal healthy condition. There is no need to recommend it to those familiar with it, but to those who seek a sure remedy and are in doubt what to use, the advice is—try Bickle's Syrup.

DISPUTED ONCE.

The case before the court was one involving the ownership of a tract of land, and the solicitor for one of the parties to the suit was cross-examining a witness.

"Now, Mr. Grimshaw," he said, "the property on which you live was originally a part of the twenty acres in dispute, was it not?"

"Yes, sir."
"And your title is based on the original title to that land, I presume?"

"Yes, sir."
"How long have you resided there?"

"Over twenty-one years."
"Have you had—now, mark me—have you had twenty-one years' undisputed possession of that property?"

The witness hesitated a moment. "Remember, Mr. Grimshaw," said the lawyer, raising his voice, "that you are under oath. Have you had twenty-one years' undisputed possession of that property?" "It has been disputed once, and only once," answered the witness. "I found a nest of bumble-bees in my back yard one day last summer."

In the general laugh that followed this answer the lawyer subsided.

A Pill that Proves its Value.

Those of weak stomach will find strength in Parneelee's Vegetable Pills, because they serve to maintain the healthful action of the stomach and the liver irregularities in which are most distressing. Dyspeptics are well acquainted with them and value them at their proper worth. They have afforded relief when other preparations have failed, and have effected cures in ailments of long standing where other medicines were found unavailing.

Lots of men enjoy getting the short end of it so they will have something to kick about.

STUDENT OF HUMAN NATURE.

"That sitter said he wanted the picture to look exactly like him," said the assistant.

"H'm!" replied the photographer. "A man who is that well satisfied with his appearance must be pretty vain. Touch the plate up very carefully."

An enemy's criticism may be more helpful than a friend's praise.

At this season, scores of people, girls and women especially, find their faces marked with pimples, dark spots, eruptions, etc. The skin needs attention, needs renovating after the trying winter season. Just think what it has had to go through!

You have been out in rain and sleet and snow. You have been perspiring from skating, or some other exertion. Then you have stood to "cool off." You have spent hours of the day indoors at a temperature equal to summer heat. Then you have covered up your skin, except your face, and gone out into a temperature away below zero! No wonder that the skin of the face and neck shows signs of needing attention.

Zam-Buk is a skin food. Smear it lightly over the spots, the eruptions, the sallow patches, at night, and notice how quickly your appearance improves. As the rich, refined, herbal essences sink deep into the tissue, the hard scaly patches are removed. The cuticle is softened. The cells beneath are stimulated to healthy operation. The pores resume their work properly. Better color results. The cells of the skin being purified by Zam-Buk's stimulating balm, become transparent; the blood beneath is able to impart its proper coloring to the tissue, and the delicate bloom of health replaces the sallowness and pallor of disease.

A few days of Zam-Buk treatment will transform a "muddy," speckled, spotted complexion into one of attractiveness and prettiness.

Use Zam-Buk for more serious skin troubles, such as eczema, pustules, boils, ulcers, festering sores, ringworm, scalp sores, sores on the body due to blood-poisoning, etc. Mothers will find Zam-Buk unequalled for baby! 50c box all stores.
