

BAPTIST TEA.

The Ladies' Aid of the Baptist Church will give a tea at Mrs. Jas. Graham's next Wednesday evening, May 11th, Admission 15 cents. All welcome.

A POPULAR STENOGRAPHER.

The Winnipeg Telegram of April 27th says: "Saturday evening Miss Burgess, stenographer to Laing Bros., was presented with a walrus handbag on severing her connection with the firm after almost three years' service, having received a more important appointment. The chair was occupied by Mr. Charles Watt, foreman of the firm. The handbag was a handsome one, lined with leather and having a large gold initial "B" attached to the outside.

ENTERTAINMENT.

The Ladies' Aid of the Fenelon Falls Methodist Church will give an entertainment and social in the basement of the church on the evening of Friday, May 13th inst. A good programme will be provided, consisting of solos, duets, recitations, readings, and a dialogue. The orchestra will be in attendance. At the close of the programme refreshments will be served. Doors open at 7.30, concert at 8 o'clock. Admission 15c. All will be made welcome.

STANTON CUP.

Messrs. Miles Hamilton and Thomas Graham drove over from Fenelon Falls on Friday last and presented President Fallis with the Stanton-Bobeageon Cup, won by the Bobeageon Curling Club last winter in their inter-Club contest. The cup is on view in the window of Mr. Bottum's Hardware Store. It is a fine piece of Silverware, and will no doubt be the cause of friendly contests between the Clubs for many years to come certainly as long as Messrs. Graham and Hamilton are associated with the Fenelon Club, it will be up to Bobeageon to vie with them in all that constitutes perfect sportsmanship. — Bobeageon Independent.

DRUNK AND DISORDERLY.

Two residents of Glenarm who came to Fenelon Falls on Tuesday became a trifle uproarious towards evening. Chief Jones warned them a couple of times, but they paid little attention to him, and at last one of them became abusive. The constable, assisted by Mr. Paul Oulette, overpowered him and took him to the lockup. About midnight the other man was arrested out in the country and brought in. They were tried the following day by Magistrate Moore of Lindsay. The fine and costs of the principal offender came to \$16.70 and of the other man \$9.60. They will now be able to take an intelligent part in discussions on the high cost of living.

WOMEN'S INSTITUTE.

The regular monthly meeting of the Women's Institute was held on Friday afternoon last at the home of Mrs. Dr. Gould, the president, and was well attended. Miss T. Patben and Miss S. Martin contributed instrumental selections, which were much enjoyed. The answers to the roll call elicited many useful suggestions on matters pertaining to housework. The sewing demonstration was not given, owing to the unavoidable absence of the lady who was to have taken charge of it, much to the regret of those present. Patterns were exchanged, and Miss Nie gave a demonstration on home made candy. Miss Martin also treated the members to a quantity of delicious home made fudge. Fruit refreshments were served, and the meeting closed with the singing of "The Maple Leaf."

HARD AT WORK.

The steamer Bob Hall, with Captain Frank Morin in charge, and the Herbert, Captain John Brooks Jr., passed through the locks on Thursday night, bringing with them the dredge and drill, which are now in active operation in the upper end of the canal. Capt. Geo. Spilsbury has charge of the dredge, the crew being the same as last year. Mr. Ancil Mills, who was captain of the drill scow last season, and who was to have been in charge this year, was unfortunately compelled to leave for his home at Peterborough on Thursday morning, having had a paralytic stroke on Wednesday night, and is likely to be unable to resume work for some time. His place is filled by Mr. Alex. R. Ross. The dredge has been overhauled during the winter, and equipped with new machinery. Mr. Jas. Garrow, master mechanic of the T. V. C., inspected the outfit on Friday.

Halley's comet is now plainly visible to the naked eye about three o'clock in the morning, near where the sun rises.

Beautiful imitations of natural wood finished with varnish may be obtained by applying one coat of Campbell's Varnish Stain. Jos. Heard carries a full line of all colors and size cans. Color card free.

SELLER IS LIABLE.

According to a decision given by Judge Britton at Toronto on Monday, one who gives or sells to a boy under sixteen years of age an air-gun makes himself liable for all damage that the boy may do with the weapon. In giving this decision Judge Britton awarded \$800 to Mrs. Powell of Hamilton against Grafton & Co. of that city. Grafton & Co. gave a boy named John O'Connor an air-gun in return for 25 premium coupons on October 6 last. On the following day the boy saw a bird near his home on Wood street Hamilton, and shot at it. He hit Mrs. Powell in the eye, completely destroying the sight. Mrs. Powell entered action against Grafton & Co. to recover \$65,000 damages.
