

Peterboro' Examiner: The Canadian Pacific Railway has secured an option on the Mount Julian hotel property at Stony Lake. There does not seem to be any doubt that the option will be utilized. In this event it is more than probable that a large hotel will be erected, to accommodate the increased tourist traffic of the lakes, which the C. P. R.'s interest and enterprise will promote. This great corporation does not do things in any half-hearted way; and we may expect that the new hotel and the advertising the lakes will receive will give added importance to the "bright waters and happy lands," the name Kawartha stands for. It is said that the same railway has also secured an option on Oak Orchard, Pigeon Lake, which no doubt means another hotel to be fed with tourist guests by C. P. R. enterprise.

Minden Echo: The first burglary for many years in Haliburton was perpetrated last Saturday night or early Sunday morning, when the residence of Mr. Robert McBrien was ransacked from attic to cellar. The thief or thieves procured entrance by raising the kitchen window, and, opening the door from the inside, proceeded to work. From this apartment they took flour, bacon, soap and pies. They visited the cellar and helped themselves to blankets, and did not forget to turn their attention to the collar, where a number of well-filled gems of fruit, of various kinds, and syrup were arranged in rows; here they made a careful selection, choosing the large gems in each case. They departed with their booty, leaving the door and window open. But few marks were left to indicate their late visit. Mrs. McBrien and a lady friend were asleep in the house, but were in no way disturbed from their peaceful slumber.

The aeroplane, making a twelve-hour journey from London to Hong-Kong, had got into difficulty among the stars. Something apparently was wrong with the engine, for the customary comet-like speed of the airship had suddenly considerably slackened. "Good heavens!" cried the skipper. "We shall be half a second late! What makes her go so slow?" "Why, sir," replied the engineer, "we're passin' through the Milky Way, an' the propeller's full o' butter!"

Mrs. Henpeck: "You're kinder to dumb animals than you are to me." Henpeck: "Well, you try being dumb and you'll see how kind I'll be."

Parisian Sage, the Hair Grower, is Now Sold in Canada on Money Back Plan.

It's a mighty good thing for the women of Canada that Parisian Sage can now be obtained in every town of consequence.

No preparation for the hair has done so much to stop falling hair and eradicate dandruff and make women's hair beautiful as Parisian Sage.

Parisian Sage is the only certain destroyer of the dandruff microbe, which is the cause of 97 per cent. of hair troubles.

These pernicious, persistent and destructive little devils thrive on the ordinary hair tonics.

Parisian Sage is such an extraordinary and quick acting rejuvenator that W. H. Robson, who is the agent in Fenelon Falls, guarantees it to cure dandruff, stop falling hair and itching scalp in two weeks or money back.

It is a magnificent dressing for women who desire luxuriant, lustrous hair that compels admiration.

And a large bottle of Parisian Sage costs only 50 cents at W. H. Robson's and all over Canada.

BRITAIN'S BEST BAND.

"The British Grenadiers" at the Canadian National Exhibition this year.

The Band of the Grenadier Guards which is being brought across the ocean to play at the Canadian National Exhibition, is being widely advertised as the chief musical attraction at the Japan-British Exhibition. That is further evidence that it is all that is claimed for it, viz.: that it is the finest military band in England. And that means the world, for even the Germans admit that the British Military Bands excel all others.

The Secret of Good Pies

PIE CRUST, more than any other delicacy of the oven, ought to be tempting and appealing to the taste.

You do not eat pie as a nerve tonic or to strengthen your appetite. You eat it for *pleasure* mostly.

You want it, of course, to taste good, at the same time you want the crust to be light, flaky, wholesome. Now, pie crust properly made from

Royal Household Flour

is *always* good food, the absolute uniformity of this best of all flours eliminates failure entirely. You get the same delightful results every time and your pies are more healthful and nourishing than if made from ordinary flour.

The reason is that "ROYAL HOUSEHOLD" having a larger percentage of high quality gluten, assimilates more readily,

is more satisfying than ordinary flour, comes out of the oven flakier, more tender and more digestible.

Be sure to try "ROYAL HOUSEHOLD" when next you make pies. It is the finest flour in the world not only for Pastry but for Bread and *all* family baking.

"Ogilvie Book For A Cook" containing 125 pages of tried and tested recipes will be sent free to any user of Royal Household Flour who asks for it.
