Lakefield News: The steamer Maple Leaf, owned by the Macdonald Company, while working for the government below Hastings, on Monday, met with a mishap which will likely end her career, as she ran into the ice up near Oake's Rock, and pulled most of her caulking out along the water line. She started to fill and was beached, and now lies on the bottom. She was subsequently raised and taken to Hastings.

VICTIMS OF CONSUMPTION.

MOTHER AND TWO CHILDREN AT MUSKOKA FREE HOSPITAL.

Are Now Under Treatment—Husband, Too, Had been a Patient—A Tragedy in Real Life—Heavy Debt on Institution.

A story from the Muskoka Free Hospital for Consumptives tells of a mother who, with her two children, is now under treatment in that institution. The husband had been a patient, but the case was an advanced one when the patient entered, and he has since passed away. There is little doubt but that the wife was infected as a result of caring for her husband, and now she is in the Muskoka Hospital. Her little girl, about five years of age, and a boy of ten are with her, both being afflicted with this dread disease.

The words of the mother are pathetic. She writes: "I went to a doctor and got him to examine my lungs with them, and he said that the right lung was affected. A little rest, he hoped, would build me up. I have a little girl, about five years old, and the doctor says that if I could take her up with me it would do her ever so much good, as she is not very strong. I have three more children, and one of these, a boy of ten, seems also to be afflicted, and it is advisable that he should enter the hospital."

These three are of the 104 patients who are residents in this deserving institution and being cared for without money and without price. The sorry part of it is that the trustees are carrying a debt of something like \$40,000, incurred largely through the additions that have been made within the past year, and that have more than doubled the accommodation of the institution, together with the heavy cost of maintaining so large a number of free patients.

Readers who desire to help this great charity may send their contributions to Mr. W. J. Gage, Chairman Executive Committee, 84 Spadina avenue, or to the Secretary-Treasurer, 347 King street, west, Toronto.

The Muskoka Free Hospital has ever lived up to its claims of never having refused a single patient because of his or her poverty.

SURE SIGNS
Of Kidney Trouble.

If your back is constantly aching and if you experience dull shooting pains, your kidneys are out of order. Neglect quickly brings on rheumatism, diabetes, lumbago, sciatica, etc.

Mrs. John Wagner of 110 Hollis St., Halifax, N. S., says: "Dull shooting pains would catch me across the small part of my back and extend into my shoulders and neck, often causing me to suffer with severe headaches and spells of dizziness. spots would dazzle before my eyes and everything would turn black. I would fall to the floor and be unable to get up without assistance. A friend told me of Booth's Kidney Pills and I began their use. The first box gave me relief and I am now well and strong." All druggists sell Booth's Kidney Pills 50c. a box with a guarantee to relieve or your money back. They are the world's greatest specific for Kidney or bladder trouble. The Secret of Good Pies

PIE CRUST, more than any other delicacy of the oven, ought to be tempting and appealing to the taste.

You do not eat pie as a nerve tonic or to strengthen your appetite. You eat it for pleasure mostly.

You want it, of course, to taste good, at the same time you want the crust to be light, flaky, wholesome. Now, pie crust properly made from

Royal Household Flour

is always good food, the absolute uniformity of this best of all flours eliminates failure entirely. You get the same delightful results every time and your pies are more healthful and nourishing than if made from ordinary flour.

The reason is that "ROYAL HOUSEHOLD" having a larger percentage of high quality gluten, assimilates more readily,

is more satisfying than ordinary flour, comes out of the oven flakier, more tender and more digestible.

Be sure to try "ROYAL HOUSEHOLD" when next you make pies. It is the finest flour in the world not only for Pastry but for Bread and all family baking.

"Ogilvie Book For A Cook" containing 125 pages of tried and tested recipes will be sent free to any user of Royal Household Flour who asks for it.
