

WORKED WONDERS IN THIS CASE

RHEUMATISM AND WEAK HEART CURED BY DODD'S KIDNEY PILLS.

The Doctor helped Mrs. Stephen Roy, but there was no complete cure till she tried Dodd's Kidney Pills.

Rock Mills, Grey Co., Ont., Feb. 13 (Special)—"I must say Dodd's Kidney Pills worked wonders in my case," says Mrs. Stephen Roy of this place. "I suffered with Inflammatory Rheumatism in my right arm, and though I tried several remedies the swelling increased and was very painful. My hands and limbs were also badly swollen.

"I got a doctor and he helped me, but the swelling never entirely left. He said it was because my heart was weak. Then I decided to try Dodd's Kidney Pills and, as I said before, they worked wonders."

Rheumatism of any kind is caused by disordered kidneys failing to strain the uric acid out of the blood. Dodd's Kidney Pills cure it by curing the kidneys. They also cure the weak heart by making pure blood and lessening that organ's work of propelling the blood through the body.

Dodd's Kidney Pills only cure the kidneys, but they always do that. And with healthy kidneys you can't have Rheumatism, Lumbago, Heart Disease, Dropsy or Bright's Disease.

LONELY OUT OF PRISON.

So He Asks Judge to Send Him Back Again.

A man turned up in Chicago the other day who, it is believed, is trying to break into prison. Why? Because he likes it.

William Robertson stood up and told Judge Kavanagh that he had spent 32 years of his 67 years behind prison walls. This is not counting the months he has laid in county jails awaiting trials.

"Judge, I spent 26 years in Joliet prison," he told the court. "I swore that when I left it last time I would never go back. But, somehow, the feeling comes over me that I want to sleep there again. Prison ain't such a bad place to be unless you got a grudge. You get good grub and you're treated square. I ain't got any folks, nor any friends, nor any home.

"I've been in so many prisons that I guess that I'm a pretty good judge of 'em. I like Joliet the best. They treat you real white there. The world's a cold place for a man like me, and thoughts of Joliet kinder make me homesick. I don't want to go to the poorhouse."

"I wish you'd lend me your whistle," said wec Tommy to his sister's young man. "I'll take care of it." "Whistle?" cried young Morarity. "I have got no whistle, Tommy." "Oh, yes, you have," Tommy persisted, "'cause daddy says you're much too fond of wetting it."

EX-SULTAN HAMID INSANE.

Killed Two of His Wives Before He Was Overcome.

Abdul Hamid, former Sultan of Turkey, has gone violently insane, has killed two of his wives, and is now confined in irons.

The murder of the two women, who were among those who accompanied Abdul Hamid from Constantinople when he was exiled by the Young Turks, was particularly cruel. He choked one of them to death with his own hands, and dashed the other so violently against the wall that she died a few hours later, according to one of the men who have been guarding the deposed ruler at his villa, where he is spending his last days.

The ex-Sultan was subdued only after a fierce struggle in which he himself was severely injured.

Abdul Hamid is confined in a dungeon beneath the villa Allatie which, while set apart for him as a residence, is in reality his prison. He was sent therein April, 1909, when the Turkish revolution brought about by the Young Turk party was finally completed, and Sultan Mohammed V. ascended the throne.

Abdul Hamid had reigned for thirty years up to that time, had deluged his empire in blood and had kept 200,000 spies to betray their fellow-citizens. He was noted for having tricked the diplomats of all Europe and from time to time shocked the world by his sensuality and crimes.

When Abdul was sent to the villa at Salonika, his suite, which was allowed to accompany him, was composed of three Sultanas, or full wives, four Cadines, or inferior wives; five Hallas, or lady housekeepers privileged to go out of the harem, two Princes, his daughter and nine servants. This really gave him the allowance of twelve wives.

HAD DONE HER BEST.

His wife had been doing a shopping stunt.

"How much did you spend today?" asked her husband.

"Fifty-four dollars and nineteen cents," she replied.

"Oh, was that all?" he queried, somewhat ironically.

"Yes," answered the other half of the matrimonial combine with an injured air, "that was all I had."

"He used to complain because he never got what he wanted to eat." "Yes, but he's rich now."

"Yes and now he complains because he never wants what he gets to eat."

THOUGHT IT WAS CANCER.

Sores Spread From Eye to Neck.

Miss Mary Conley, of 184 Colborne St., Montreal, writes: "Over a year ago I became bothered with an unsightly spot on my right cheek. The sore spread until the whole cheek was covered from the eye to far down on the neck, below the ear. It was so noticeable that people asked me if I had cancer, and I began to feel I had.

"I was about to consult a specialist when a lady friend spoke of Zam-Buk, and advised a trial of it, first. Acting on her advice I procured a box and was surprised to notice the immediate effect the balm had on the sores. I used three boxes only, and as I kept applying it each evening before retiring I could see how the sores were being cleaned and dried up. This improvement continued until my face was cleared of sores completely. Zam-Buk is certainly a marvellous balm."

Zam-Buk is a sure cure for cold sores, chapped hands, frost bites, ulcers, blood-poisoning, varicose sores, piles, scalp sores, ringworm, inflamed patches, babies' eruptions and chapped places, cuts, burns, bruises and skin injuries generally. AN OLD AND WELL TRIED REMEDY.

BAD CASE.

"My wife faints on the slightest provocation."

"What do you use to resuscitate her?"

"The last time it took a sealskin coat."

A Sure Corrective of Flatulency.—When the undigested food lies in the stomach it throws off gases causing pains and oppression in the stomachic region. The belching or eructation of these gases is offensive and the only way to prevent them is to restore the stomach to proper action. Parmelee's Vegetable Pills will do this. Simple directions go with each packet and a course of them taken systematically is certain to effect a cure.

Some time ago I had a bad attack of Quinsy which laid me up for two weeks and cost me a lot of money.

Finding the lump again forming in my throat, I bathed freely with MINARD'S LINIMENT, and saturating a cloth with the liniment left it on all night.

Next morning the swelling was gone and I attributed the warding off of an attack of Quinsy to the free use of MINARD'S LINIMENT.

HISTORY VS. NONSENSE.

Little Robbie came home one day considerably agitated over a question that had come up in school. Rushing into the house he demanded of his father:

"Say, pa, who was Demosthenes?"

Bobbie's papa was one of those individuals who was dissatisfied with the general trend of modern educational methods, and frowned on the so-called frills and frivolities injected into the classroom work.

"Demosthenes," he answered sharply, "was one of the early kings of Egypt. I don't see why the schools don't cut out some of their nonsense and teach history."
