

Kimmount.

Correspondence of the Gazette.

Venerable Archdeacon Warren, of Toronto, held the annual Missionary service in St. James' Church on Thursday evening of last week.

Lenten service will be conducted by the Rev. S. A. Lawrence, pastor of St. James' church, on Wednesday evening of each week during the season. Mr. Lawrence was assisted in last Sunday's service by Mr. Harrison, of Wycliffe College, Toronto.

Miss Bea Chessell, of the Collegiate Institute, Lindsay, spent Sunday with her friends here.

Miss Robinson, of Kirkfield, is visiting Mr. and Mrs. Levia.

The Progressive Euchre Club, which met on Monday evening at the home of Mr. Bert Hopkins, have decided that, instead of discontinuing their evenings of purely friendly sociability, during Lent, will continue to meet at the homes of the different members, but will use the fees paid in during the Lenten season for some charitable purpose.

Mr. Jas. Scott, of Peterborough, spent Sunday in Kimmount visiting old friends. Mrs. Mark and Miss Gertrude returned from Toronto on Monday.

On Tuesday of last week a most enjoyable time was spent at the banquet tendered our hockey boys by Rev. and Mrs. Lawrence at the Rectory. In proposing the toast "The Kimmount Hockey Team," Mr. Lawrence expressed himself as being more than proud to be its president, proud of its victories, and still prouder of the true sportsman's spirit shown by every member of the team. They invariably played a clean, manly game, and well deserved the undiminished interest and admiration shown throughout the winter by every member of the community in responding to this and other toasts proposed. The boys, though generally shooting to their feet with a "do or die" expression never called forth by the most formidable rival on ice, showed that if the future of our "Great Country," to the toast of which their Honorary Secretary, Mr. J. Austin, responded, depends upon eloquence and courage, they will not be behind in taking a place among future orators. They were ably assisted by their manager, Mr. James Graham, and gave a fitting climax in a rousing hockey song. A poem, composed by a lady admirer, was also read. Solos were given by Mr. Geo. Train and Miss Ruby Austin, and after a hearty vote of thanks to Rev. and Mrs. Lawrence, the boys went home to dream of the morrow or the day after. And, the day after, they suffered their first defeat, this winter, in the tournament at Fenelon Falls in a match with the home team. We do not wish for a moment to give the impression that a defeat by a team such as played for Fenelon Falls caused our boys any annoyance; nor do we wish to spoil the record they have made this winter by bringing down upon their heads the epithet "kickers." Suffice it to say that we do not consider the result of the tournament at Fenelon Falls on Thursday night a recognition of the best players. The Kimmount team defeated, twice this winter, each team there, with the exception of Fenelon Falls, and even the Fenelon Falls boys admit that they had to fight hard for their score of 4 to 1. Our boys are young at the game, it being only two years since a hockey stick had any place among the rest of the timber lying about our ice. We have been proud of them, and the result of the Fenelon Falls tournament has not diminished that pride to the slightest degree.

It is a deplorable fact that our Canadian games are so often spoiled by rowdism. Generally the ladies of any community take, or would take, the liveliest interest in our games; but the halls of such sports, in a great many places, are becoming almost totally unfit for ladies to put in an appearance at all. Is it not possible to bar out of such places, those, who, though having no respect for themselves or the mothers who bore them, make it a point to pollute the air with language that is too vile for a bar-room, let alone a public place where ladies are admitted? Do not the citizens of our towns and villages owe it to their self respect and reputations, to say nothing of the future of our boys and girls, to do something to keep this growing rowdism in check, to make it possible for people to take a keener, more enjoyable interest in our boys' sports. We think it is possible, but it is for our "men" to prove it so.

The skating season is almost over, and special mention is due the rink management for the unflinching efforts they have put forth and the kindly attention given to skaters, as well as our hockey teams. This winter has been the most successful since Kimmount realized that a rink was necessary to the welfare of our young people.
