

### WHEN SAVAGES DIE.

Cattle, Slaves and Relatives Slain to Accompany Departed.

By many savages the dead are supposed to be only asleep, so the departed spirit must be provided for any contingency. The Tongous races of the South Pacific places weapons on "the grave," etc., to be ready for service the moment the dead man awakes from his temporary repose. "And a like course," says Herbert Spencer, "is followed by the Kalmucks, the Esquimaux, the Iroquois, and by tribes, savage and semi-civilized, too numerous to mention."

The dead man needs not only his inanimate, but also his animate possessions; so his slaves—even his relatives—are slaughtered. "With the Kirghiz chief," says Spencer, "are deposited his favorite horses, as also with the Yakut, the Comanche, the Patagonian; with the Bedouin, his camel; with the Toda, in former times, his entire herd."

"The custom of sacrificing wives and slaves and friends develops as society advances and the theory of another life becomes more definite. Among the Fuegians, the Andamanese, the Australians, with their rudimentary social organizations, wives are not killed to accompany dead husbands. But it is a practice shown us by more advanced peoples."

It was in ancient America, however, that immolation to the dead was carried to its greatest extent. "In Mexico every great man's chaplain was slain that he might perform for him the religious ceremonies in the next life as in this. Among the Indians of Vera Paz, when a lord was dying they immediately killed as many slaves as he had, that they might precede him and prepare the house for their master."

Always Serviceable.—Most pills lose their properties with age. Not so with Parmelee's Vegetable Pills. The pill mass is so compounded that their strength and effectiveness is preserved and the pills can be carried anywhere without fear of losing their potency. This is a quality that few pills possess. Some pills lose their power, but not so with Parmelee's. They will maintain their freshness and potency for a long time.

The prodigal son had returned. "Father," he said, "are you going to kill the fatted calf?" "No," responded the old man, looking the youth over carefully; "no, I'll let you live. But I'll put you to work and train some of that fat off."

## CARRIED GLADNESS TO HIS HOME

MRS. ANNIE VANVORST'S HEART DISEASE CURED BY DODD'S KIDNEY PILLS.

She found quick relief in the old reliable Kidney remedy, and advises all her friends to use Dodd's Kidney Pills.

St. Benedict, Sask., March 20 (Special).—Gladness has replaced the anxiety that reigned in the household of Mrs. Annie Vanvorst of this place. For some time past Mrs. Vanvorst had suffered from Kidney Trouble and palpitation of the heart, and fears were entertained of those terribly sudden fatalities that so frequently accompany affections of the heart. But relief from both ailments was quickly found in the old reliable remedy, Dodd's Kidney Pills. In an interview Mrs. Vanvorst says:

"I had palpitation of the heart and my Kidneys were out of order. I took one box of Dodd's Kidney Pills, and found great relief. For a Kidney pill Dodd's Kidney Pills cannot be beat. You may publish what I say as it may be the means of benefitting others who suffer with Kidney Trouble or Heart Disease."

Pure blood is the basis of all health, and you can't have pure blood unless your Kidneys are in good working order. Dodd's Kidney Pills never fail to put the Kidneys in perfect working order.

There is nothing equal to it.

### A 60,000 RUBLE REAPING JOB.

Russian Girls' School Built by Work in a Field of Oats.

M. Maxim Kolibaba, a provincial commissary of the Russian province of the Tauride, had for years attempted to found a girls' intermediate school at Kamrat, but the 60,000 rubles necessary for the building and foundation were not forthcoming. He complained of this to M. Tsanko, a local millionaire, who retorted that he did not believe in education, as what Russia wanted was good agricultural laborers, and sneered at M. Kolibaba as a type of educated good for nothing.

M. Kolibaba retorted that, despite his education, he could reap his own twenty-three acres of oats with a hand sickle and without help, and he undertook to do this in twenty-eight days. The incredulous millionaire declared that if this were done he would subscribe the whole 60,000 rubles needed for the school.

M. Kolibaba thereupon set to work and, despite a temperature of forty degrees Reaumur, reaped the whole twenty-three acres before the term expired. The millionaire fulfilled the terms of the bet, and paid over the 60,000 rubles for building the school.

M. Kolibaba, who lost fourteen pounds during the operation, is now being bombarded by other localities which want schools and expect the commissary to get money for them by further reaping exploits.

It is Wise to Prevent Disorder.—Many causes lead to disorders of the stomach and few are free from them. At the first manifestation that the stomach and liver are not performing their functions, a course of Parmelee's Vegetable Pills should be tried, and it will be found that the digestive organs will speedily resume healthy action. Laxatives and sedatives are so blended in these pills that no other preparation could be so effective as they.

Bill—"You remember young Dunne. I think I saw you with him last year." Pat—"Quite well. What has become of him? You seem quite upset." Bill—"Only think. This morning we took breakfast together. He appeared in good health and spirits, and ate a hearty meal; in fact, I never saw him look so well. I left him, and two hours afterwards I heard that he was—"  
Pat—"Dead, eh?" Bill—"No, not quite; only married."

### KNEW THE SIZE.

"I want some collars and neckties for my husband!" she snapped.

"Yes, madam."

The salesman offered her the latest thing.

"How on earth did you guess that?"

"Ah," replied the hosier, smiling, "gentlemen who let their wives select their collars and ties always take that size!"

### FACE SORES AND ERUPTIONS.

Zam-Buk Will quickly Heal.

The approach of Spring finds many people with unsightly face sores, eruptions, boils, etc. In this connection Zam-Buk is invaluable.

Mr. R. H. Barker, of Glencairn, Ont., says:

"I never could have believed that any remedy could cure so quickly and at the same time so effectively as Zam-Buk cured me. My face began to be covered with a kind of rash, which itched and irritated. This rash then turned to sores, which discharged freely and began to spread. I first tried one thing and then another, but nothing seemed to do me much good, and the eruption got worse and worse until my face was just covered with running sores."

"Apart from the pain (which was very bad), my face was such a terrible sight that I was not fit to go out. This was my state when someone advised me to try Zam-Buk. I got a supply, and within a week I could see that the sores were rapidly healing. A little longer, and Zam-Buk had healed them completely, and my skin was as clear as if I had never had a sore."

Zam-Buk is unequalled for Spring rashes, eruptions, children's sores, scalp diseases, ringworm, ulcers, abscesses, eczema, tetter, piles, cuts, burns, bruises, and skin injuries and diseases generally. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price Zam-Buk Soap, (25c. a tablet) should be used instead of ordinary soap in all cases of eruptions and skin diseases.
