## Cannot Buy Pistol or Dagger Without Permit From Police.

A despatch from Toronto says: As a result of the Italian murder in Toronto on Good Friday evening and the increase in the number of crimes among foreigners in the province generally, the Ontario Government has decided that the sale of offensive weapons in the Province is to be strictly regulated, and in some cases entirely prohibited. Commencing with last Saturday, every person who exposes for sale or sells any bowie-knife, dirk, dagger, stiletto, metal knuckles, skull-cracker or sling-shot, or who sells a revolver, pistol or air-gun to any person other than the holder of a certificate from the

Provincial or other police stating that he is entitled to purchase any of those things, is liable to a fine of from \$20 to \$200. The purchaser is equally liable under the act. Records must be kept of all sales made, with name of purchaser, and failure to comply involves a fine of from \$25 to \$200. A further penalty of \$50 is provided for failure to report sales every three months to the Provincial Police. Officers are given power to search people whom they have reason to believe are carrying concealed weapons, and regulations are included looking to the deportation of foreigners upon whom such weapons are found.

# TERRIBLE RAILWAY WRECK

## Train Plunged Through a Bridge and 32 Persons Lost Their Lives

A despatch from Grahamstown, Cape Colony, says: According to the latest estimates 32 persons were killed in the wreck of a passenger train on the Kowie Railroad when it plunged to destruction into a gorge 250 deep, through the collapse of the Blaaukrantz bridge on Saturday. In addition, many were injured, some of them fatally. It was the most appalling wreck in the history of South African railways. The rescue work involved heart-rending experiences, and extricat-

ing of the injured and dying from the debris was accompanied by terrible groans and cries. A large mass of wreckage lodged on a ledge 120 feet down, and it was many hours before all were removed from the difficult crags and hoisted in sacking to the lip of the gorge. One little girl had a miraculous escape. She was caught in a fork of the bridge and held by one foot over the ravine. The rescuers had to scale girders to the height of 200 feet to bring her down.

### IN THREE ACCIDENTS.

A report sent by Mrs. E. Davey, 786 Ellice Ave., Winnipeg, will illustrate the value of Zam-Buk. She says: "My little boy, of three, while playing, fell from a high verandah to the ground, cutting his forehead badly. Instead of calling a doctor who would undoubtedly have put in a number of stitches, I bathed the wound well, and applied Zam-Buk. The little fellow, although suffering keenly, soon got relief from his pain. In the course of three weeks, by applying Zam-Buk daily, the wound was nicely healed.

"Since then I have also used Zam-Buk for a boil which came on my cheek, and which proved very painful and looked unsightly. Zam-Buk soon drew the boil to a head and it then quickly banished it.

"Another time my baby was scalded on her left thigh and calf of leg with boiling water. Directly it was done I thought to use Zam-Buk, and spreading some on lint I wrapped up the baby's limb. Next morning she rested much easier and I applied a fresh bandage with Zam-Buk. I kept this treatment up daily, and was rewarded by seeing a great improvement each time I dressed the wound. In a very short space of time the scalds were all nicely healed.

For all skin injuries and diseases, piles, eczema, salt rheum and face sores, Zam-Buk is absolutely unequalled. 50c. box all druggists and stores, or post free from Zam-Buk Co., Toronto, for price. Try Zam-Buk Soap! Only 25c. tablet.

# WAS TOO MUCH "COLLAR"

## German Saloon Keeper Jailed for Selling Froth Instead of Beer.

A despatch from Munich, Germany, says: Serving short measure in beer, and the deception of the public by filling the "steins" and "seidels" with froth so as to form what is popularly known as a "collar," has just been judged an offence punishable by imprisonment by the Criminal Court here. The tenant of a gigantic beer house, who was arraigned on a charge of defrauding the public in this way, was sentenced to six weeks in jail and a fine of \$750, and five of his waiters to terms of from one to three weeks in jail. Evidence

showed that it has become customary to serve glasses of beer in which the liquor did not reach the legally stamped mark indicating the proper measure, the drinking vessels being filled to the top with a large quantity of froth. In this way the profits of the house were greatly increased. The public, however, indignantly demurred, and to such an extent that a virtual beer strike was brought about, and many hitherto most popular drinking resorts have been practically deserted. The suit, instituted by several customers, lasted more than five months.

No. 4 white, 35½c. Barley—Malt-ing, \$1.10 to \$1.12.

The market for cows was weaker and prices show a decline of ½ to 1c per lb., with sales at prices ranging 2½ to 5c per lb., as to quality. Bulls brought from 3½ to 5c per lb. Hogs show a further decline of 25c per cwt. Calves brought from \$2 to \$6 each. There were a few sheep and Spring lambs, which met with a ready sale at \$5 to \$10 for the former, and at from \$4 to \$9 for the latter.
