be actively used or operated by the said Company in such manufacturing business or in connection therewith, then such part of the said factory, lands, buildings, plant and machinery and apparatus as shall so cease to be used shall be assessed separately and full taxes paid thereon so long as they cease to be actively used or operated in the said manufacturing business. It is agreed that for the purpose of this clause the lands or factory site shall be deemed to be actively used so long as the said manufacturing business is carried on in accordance with the terms of this Agreement upon said site.

10. In the event of the Company, during the said term of ten years, removing their factory or business to another site in the Village of Fenelon Falls, they shall be entitled to the same privileges and exemptions thereon, in case the substituted site and the buildings erected thereon and plant and machinery placed therein comply with the terms and conditions hereinafter set forth, and the site from which they remove shall then be liable for taxes in the ordinary way.

11. The said Company shall not remove its said factory from the said Village of Fenelon Falls for ten years, calculated from the First day of October 1911, by reason of any bonus being offered to it by any other Municipality.

12. As the said Company will experience difficulty in getting operators during the first year after the said factory commences operations, the said Corporation agree not to complain of the non-performance of Clause "4" hereinafter set forth, in case default is made by the said Company in the substantial performance of said Clause "4" during said year, so long as they shall during the said year have exercised due diligence towards carrying out the provisions contained in said Clause "4".

13. The Corporation agrees that it will, on or about the Fifth day of September A. D. 1911, submit a By-law to the ratepayers approving of this agreement in conformity with the provisions of the Consolidated Municipal Act 1903, and amendments thereto, in respect of By-laws for granting bonuses to manufacturing industries; and that it will also, in case it is found necessary, apply at its own expense, to the Legislative Assembly of the Province of Ontario, at its next session, for a Special Act ratifying and confirming this agreement and the said By-law; and it is agreed that in the event of the Corporation failing to obtain the assent of the electors or failing to obtain the said Act ratifying and confirming this Agreement and the said By-law, this Agreement shall become null and void, and no liability for damages or otherwise shall attach to the Corporation or to any of its officers in respect thereto.

14. It is further agreed that in case it is found necessary to apply to the Legislative Assembly of the Province of Ontario for a special Act as aforesaid, the Corporation shall not be bound to do so until such time as the said Company shall have the said factory fully equipped and in running operation, in accordance with this Agreement.

15. Upon the adoption of this Agreement by the Company in such manner as to render the same binding on the Company, the said Hamilton Tothe Hunter shall be discharged from all liability in respect thereof.

16. Unless before the first day of October, 1911, the Company shall have become entitled to commence business, either of the parties hereto may, by notice in writing to the other, determine this agreement, and after adopting this agreement the Company shall stand in the place of the said Hamilton Tothe Hunter for the purpose of this clause.

17. If this Agreement shall not be adopted by the Company in manner aforesaid before the first day of October next, either of the parties hereto may, by notice in writing to the other, determine the same.

18. The determination of this Agreement under clauses "16" and "17" hereof, shall not give rise to any claim for compensation, expenses or otherwise.

In Witness whereof the said party of the first part has hereunto set his hand and seal, and the said Corporation of the Village of Fenelon Falls has affixed its Corporate Seal, attested by the hands of the duly authorized officers for the purposes of this Agreement.

Signed, sealed and delivered in the presence of R. D. Sloan.
