Kinmount Fair.

A good number from Fenelon Falls went up to Kinmount on Tuesday, and report the fair there a success, with a satisfactory display in all departments. The shower in the morning laid the dust, but made the track heavy for the speeding events. The free-for-all was the only race. It was won by Chas. O'Neil's Bob, of Lindsay, with Geo. Curtis's horse second, Cashore's Dan Finister third and Poulson's Goldie fourth. Finister and Goldie are owned at the Falls, and made a good showing, Goldie being a young horse and Finister out of training. The latter also showed up well at Woodville, he and Brown Hal forcing Furioso, with a mark of 2.09, to extend himself to his limit in order to win.

PEOPLE use ML Floorglaze for the hulls of sailboats and motor-boats, and are satisfied with the way it looks and lasts.

That proves M L Floorglaze is water-proof. A good all-purpose finish, therefore.

PEOPLE use ML Floorglaze on vehicles, too, and find it looks better and lasts longer than any kind of varnish or paint.

That proves M L Floorglaze is fade-proof and weather-proof. The perfect protector for all woodwork, therefore.

PEOPLE find that ML Floorglaze helps housewives keep floors dust-free because the surface stays glass-hard and glossy.

M L Floorglaze doesn't mind wet, sun, scuff of feet nor dragging of furniture across it.

ML FLOORGLAZE is the best thing you can get to help renovate the whole house. Fine for all woodwork, indoors and out. Makes old furniture look new again. Goes farthest, too—gallon covers 500 square feet.

Choose among 17 pretty colors in solid enamel—seven Lacs to imitate hardwoods—and Transparent for natural finish. Comes in little and big tins. Easy to put it on right. Ask at your dealer's or write us for news of the hundred uses you could make of M L Floorglaze. The Imperial Varnish & Color Co., Limited, Toronto
