AFTER EFFECTS OF FEVER

How to Build Up Health and Strength After Wasting Diseases.

When the system is run down following attacks of fever, la grippe, or other wasting diseases, Dr. Williams' Pink Pills are of special value. They make new, rich blood, which reaches every organ and every nerve in the body, and in this way restore the patient to active health and strength. In proof of this we give the case of Mrs. James Randall, Silverstream, Sask., who says:—"I feel that if there is anyone who ought to testify to the merits of Dr. Williams' Pink Pills it is myself. About four years ago I was taken down with typhoid fever, which left me in a very weak state, and my stomach so impaired that even a drink of milk would cause me pain. To make matters worse the change of life followed, and although I was under the care of one of our best doctors, I was steadily growing worse. Before I was sick I had often read of Dr. Williams' Pink Pills, but thought no more about them. But now when I was sick and helpless and almost hopeless, and with no benefit coming from medical treatment, I kept thinking of the Pills and finally decided to try them. I did so and I am thankful to be able to say that they restored me to health and strength, and enabled me to pass through that trying period, from which so many poor women emerge with shattered health. I hope that many other poor sufferers may read this statement and take fresh courage from it, as I am sure that what Dr. Williams' Pink Pills have done for me, they will do for others. I may add that I always keep Dr. Williams' Pink Pills in the home, and feel that they are better than a doctor."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A despatch from Windsor, Ont., says: Marriages, as usual, head the list in vital statistics of Windsor for the three months ending Sept. 30, according to the figures given out by City Clerk Lusted. During the quarter there were 914 nuptial knots tied within the city limits, and Windsor's reputation as a Gretna Green is sustained. CONTROL OF SUBMARINES.

Successful Experiments by the British Admiralty.

A despatch from Portsmouth, England, says: Successful experiments with the wireless control of submarine boats have been made, but the details are kept secret. It is known, however, that a submarine was taken to shallow water off Selsey, while the Hertzian waves were worked by the cruiser Furious. The submarine, which was on the surface, was manned and was found to be entirely under the control of the cruiser. Then the crew was taken out, and the experiment was equally successful when the boat was submerged. Similar experiments are being made with torpedoes.

MOTHERS! DO YOU KNOW

That when you put a salve onto your child's skin, it passes through the pores and enters the blood, just as surely as if you put it into the child's stomach? You would not put a coarse mass of animal fat, colored by various mineral poisons (such as many crude salves are) into your child's blood by way of the stomach? Then why do so by way of the pores?

Take no risk. Use always the pure herbal essences provided in Zam-Buk. Zam-Buk contains no trace of any animal oil or fat, and no poisonous mineral coloring matter. From start to finish it is purely herbal.

It will heal sores, ulcers, abscesses, eruptions, varicose ulcers, cuts, burns and bruises more quickly than any other known preparation. It is antiseptic, quickly stops the smarting of a sore or cut, cures piles, inflamed sores and blood-poisoning. It is a combination of healing power and scientific purity. Ask those who have proved it.

All druggists and stores 50c box or Zam-Buk Co., Toronto, for price.

DUKE BUYING UP MILES.

His Grace of Sutherland Has Options on Vast Tract in West.

A despatch from Winnipeg says: If certain negotiations now pending reach a successful conclusion, the Duke of Sutherland, who recently visited Vancouver, will own larger land holdings in British Columbia than he does in Great Britain. It is understood that his agent has obtained options on nearly thirty miles of agricultural lands on both sides of the South Thompson River, extending eastward from near Kamloops. A great deal of this area is under cultivation. The major portion will not be productive until an irrigation system is installed. The purchase price will probably exceed \$500,000.

\$3,600 in Cash Prizes for Farmers Your Photograph May Win a Prize

AMONG the prizes we are offering in our big Prize Contest is one of \$100.00 (Prize "C") for the farmer in each Province who furnishes us with a photograph showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement. For this prize, work of every description is included.

Now just as soon as you finish that new silo, barn, feeding floor or dairy, that you've been thinking of building, why not photograph it and send the picture to us? The photograph doesn't necessarily have to be taken by a professional or an expert. In fact, your son's or your daughter's camera will do nicely. Or, failing this, you might use the kodak of your neighbor's son nearby. In any event, don't let the idea of having a photograph made deter you from entering the competition. Particularly as we have requested your local dealer to help in cases where it is not convenient for the farmer to procure a camera in the neighborhood. By this means you are placed on an equal footing with every other contestant. Get the circular, which gives you full particulars of the conditions and of the other three prizes. Every dealer who sells "CANADA" Cement will have on hand a supply of these circulars—and he'll give you one if you just ask for it. Or if you prefer, you can use the attached coupon—or a postcard will do—send it to us and you'll receive the complete details of the contest by return mail.

If you haven't received your copy of "What the Farmer Can Do With Concrete," write for that, too. It's a finely illustrated book of 160 pages full of useful and practical information of the uses of concrete.

Write us to-night, and you'll receive the book and the circular promptly. Do not delay—sit right down—take your pen or pencil, and fill out the coupon NOW.
