

DID NOT HAVE TO CALL THE DOCTOR

BECAUSE SHE TRIED DODD'S KIDNEY PILLS FIRST.

One box of them cured Mrs. Mary A. Cook's Rheumatism from which she had suffered for fourteen years.

Mannheim, Ont., Oct. 9.—Special.—How quickly and easily Rheumatism can be cured when you use the right means is shown in the case of Mrs. Mary A. Cook, well known and highly respected here. In an interview regarding her cure, of which all the village knows, Mrs. Cook says: "I had Rheumatism so bad that sometimes I would sit up nearly all night."

"I first thought I would try the doctors, but luckily I decided to first try Dodd's Kidney Pills. "They cured me, and I didn't have to try the doctors. And just to think that after fourteen years of suffering one box of Dodd's Kidney Pills should cure! I will recommend Dodd's Kidney Pills to anyone who suffers from Rheumatism."

Yes, it is easy to cure Rheumatism when you go the right way about it. Rheumatism is caused by uric acid in the blood. If the Kidneys are working right they will strain all the uric acid out of the blood and there can be no Rheumatism. Dodd's Kidney Pills always make the Kidneys work right.

YOU SEE IT, OF COURSE.

"I think," remarked Biggs, "one of the funniest signs I ever saw was this: 'Teeth Extracted While You Wait.'"

Higgs laughed long and loudly at this, and shortly afterward he tried it on Jiggs.

"A friend of mine," he said, "told me of a funny sign he had seen: 'Teeth Extracted While You Wait.'"

Jiggs reflected. "What is there funny about that?" he asked; "I don't quite catch the point."

"Can't you see? The man who put up that sign used five words, when one would have been enough. The word 'dentist' covers the whole ground. Every dentist is supposed to pull teeth, isn't he?"

"Oh, yes; I see. Ha! Ha! Ha!"

FEW HAVE THE EXPERIENCE.

"Ever notice how rich a fellow feels when he's got a few dollars his wife doesn't know about?"

"Yes, by George, and how clever too!"

For over fifty years Rheumatism, Neuralgia, and other painful ailments have been cured by Hamlin's Wizard Oil. It is a good honest remedy and you will not regret having a bottle ready for use.

LIVE FOREVER.

"She is very proud of her ancestors. Aren't you proud of yours?"

"I don't dare to be; too many of them are alive yet."

Warts will render the prettiest hands unsightly. Clear the excrescences away by using Holloway's Corn Cure, which acts thoroughly and painlessly.

It's a question which are worse—shortcomings or long stayings.

Minard's Liniment Relieves Neuralgia.

THE USUAL PROGRAMME.

"So you had a nice time in Punkville?"

"Oh, very. They showed me the almshouse, the jail and the fine new insane asylum. They certainly made my visit as pleasant as possible."

Every time a man looks in a mirror he imagines that he sees a hero.

WISE SAYINGS.

Never intimate that a woman is dull. Just for that she might cut you.

It's better to be up and doing than to be down and being done.

About the hardest thing in the world to climb is the stool of repentance.

Some people feel they owe so much to themselves that they never pay anybody else.

It is quite possible for a man to be hotheaded and still get cold feet.

The only way to make some dull children smart is with a switch.

Sometimes a fellow doesn't marry because he is lacking in will, and sometimes because the girl has a superabundance of won't.

When a man is a slave to money there are lots of us willing to emancipate him.

A woman may only kiss her husband when she wants money, and still not be stingy with her kisses.

Nothing short of a surgical operation would amputate some men from their money.

It isn't the farsighted man who is always looking for trouble.

It generally requires a lot of backing to put up a good front.

HER TWO COMPLAINTS.

Edward, the colored butler of a lady in Washington, had recommended his mother for the position of cook, but when the applicant came the lady noticed that she was not very strong looking.

"Do you suppose you will be able to do the work, Auntie? You don't look very healthy."

"Yes, ma'am, I is able; I ain't nudder been no ways sickly in my life—ain't nudder had nuthin' but smallpox an' Edward."

CONSTIPATED CHILDREN

Constipation in children is the surest sign of danger—the most convincing signal that baby is going to be ill. Constipation leads to and actually causes more suffering in little ones than any other trouble.

To keep baby well his little stomach must be kept sweet, and his bowels regular—Baby's Own Tablets will do that—they will do it safely, surely and without pain or griping. Concerning them Mrs. S. O. Braaten, Bergland, Ont., says:—"My baby was bothered almost continually with his stomach and bowels and was greatly constipated. Baby's Own Tablets quickly relieved him and I would not now use any other medicine."

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE USUAL WAY.

"I dreamed last night that I had perfected an airship."

"And when you awoke?"

"I was out on the floor."

Complete in itself, Mother Graves' Worm Exterminator does not require the assistance of any other medicine to make it effective. It does not fail to do its work.

If a man's mind is fully occupied he has no time to be miserable.

THE CONSEQUENCE.

"That young fellow has been sowing his wild oats."

"I suppose that is why he looks so seedy."

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

SCOTCHMAN AND THE SNUFF.

During a railway journey between Carlisle and Edinburgh a brawny Scotsman entered the train. Being in Highland garb, he attracted the attention of the other occupants, and more so when he took snuff freely from a large box and offered it to others, "Tae, help their aim sels." At Newcastle a Tynesider entered the compartment whom Nature had lavishly gifted with an extremely large nose. He seated himself opposite the Scot, who beamed with pleasure, and at once offered his snuff box. This was declined, when the astonished Scot said: "Dinna ye snuff?" He was answered "No." "Man," replied the Scot, "it is a great peety, for ye hae a wunnerfu' accommodation for 't."

London streets were originally lighted with oil-lamps in the year 1681, while gas lamps were first used in them just under a hundred years ago.

Moslems under the protection of the King number over double the entire population of the British Isles.

It takes a lot of Christianity to drive the chilly feeling out of the average church.

ONE CONSOLATION.

"Elmer, my boy," said the fond mother, "don't you think you have eaten enough of that chicken salad?"

"Well, mamma," replied Elmer, as he helped himself to another dishful, "if I get sick you'll know what's the matter with me, anyway."

A Remedy for Bilious Headache.—To those subject to bilious headache, Parmelee's Vegetable Pills are recommended as the way to speedy relief. Taken according to directions they will subdue irregularities of the stomach and so act upon the nerves and blood vessels that the pains in the head will cease. 'Twas Ever Thus.

"Uncle Henry, you've made your pile; why don't you retire from business?"

(With a groan)—"Retire? Good land, boy! The business won't let me!"

Baltimore, Md., Nov. 11, 1903. Minard's Liniment Co., Limited.

Sirs.—I came across a bottle of your MINARD'S LINIMENT in the hands of one of the students at the University of Maryland, and he being so kind as to let me use it for a very bad sprain, which I obtained in training for foot races, and to say that it helped me would be putting it very mildly, and I therefore ask if you would let me know of one of your agents that is closest to Baltimore so that I may obtain some of it. Thanking you in advance I remain, yours truly,

He—"And did you suffer much when you had appendicitis?"

She—"Suffer? I thought I should never live to tell the tale."

He—"Ah, that must have been suffering indeed."

To Men Who Live Inactive Lives.—Exercise in the open air is the best tonic for the stomach and system generally; but there are those who are compelled to follow sedentary occupations and the inactivity tends to restrict the healthy action of the digestive organs and sickness follows. Parmelee's Vegetable Pills regulate the stomach and liver and restore healthy action. It is wise to have a packet of the pills always on hand.

THE PANAMA CANAL.

When Finished It will Revolutionise World's Traffic Routes.

At last the biggest piece of engineering in the world is within sight of completion. In two years' time the Panama Canal will be open to traffic.

All the figures about the Canal are record-breakers. The six locks are each 1,000 ft. long, and 110 ft. wide. The water will be 41 ft. deep, as against 29 ft. in the Suez Canal. It will, accordingly, hold steamers bigger than any yet afloat or planned. The Suez Canal cost \$80,000,000 to cut. The new-comer will have cost nearly \$500,000,000 before it is opened.

There were tremendous difficulties in the way. A hill over 300 ft. high had to be cut through. A foaming torrent which in rainy weather sometimes rises 35 ft. a day has been circumvented by being turned into a lake the size of London. Thirty of the forty miles steaming from Atlantic to Pacific will be along this lake. The huge dam which holds the lake in check is of the tremendous thickness of half a mile.

The Panama Canal will revolutionise the world's great traffic routes. The stormy Cape Horn will cease to be the sailor's dread. The Canal will make the Pacific much busier, for New York's trade with the Orient will go across that ocean, as well as much of Britain's. Japan will be 4,000 miles nearer New York and Australia the same.

SERVING HELPS.

Pineapples—Slice on a slaw cutter or thin with a knife. Mix with finely powdered sugar. Set on ice until ready to serve.

Oranges—Serve whole, the skins quartered and turned down, form a pyramid with bananas and grapes.

Muskmelon—Wash, wipe dry, and cut in two. Shake out the seeds lightly and put a lump of ice in each half. Eat with pepper and salt. Use a silver spoon to eat with.

Orange and Coconut.—A layer of sliced oranges, then sugar them. Then a layer of coconut grated, then another of oranges, and so on till dish is full. This is known as "ambrosia."

Stewed Peaches—Make a syrup of sugar and water. Halve the peaches. Leave the stone in one-half, drop into syrup; allow all to simmer slowly until fruit is tender. Then remove fruit and let the syrup boil till thick. Then pour over the fruit and serve.

Gibraltar gains its name of "the land of tunnels" from the fact that there are over seventy miles of burrowed rock.

A whale's skin, which in places is two feet thick, is the thickest hide of any living creature.

Wigg—"Why do you think he is rich? He looks as though he hadn't a cent in the world."

Wagg—"Only a rich man can afford to look as though he hadn't a cent in the world."

'Tis a Marvellous Thing.—When the cures effected by Dr. Thomas' Electric Oil are considered, the speedy and permanent relief it has brought to the suffering wherever it has been used, it must be regarded as a marvellous thing that so potent a medicine should result from the six ingredients which enter into its composition. A trial will convince the most skeptical of its healing virtues.

Don't lose sight of the fact that it is just as important to know when to quit as when to begin.

BANKS AND BONDS

Bonds have the preference as safe and profitable investments.

Formerly Banks, Insurance Companies and other financial concerns invested their cash surpluses largely in Real Estate Mortgages, to-day they are purchasing the Bond issues of established and prosperous corporations considering that they offer the greatest security and best interest returns.

There is no reasonable argument to offset the fact that what is the best investment for the Bank surplus is the best investment for the individual investor.

Write to-day for our booklet on Bonds, and Bond issues we recommend.
