**A GOOD POSITION**

Can be had by ambitious young men and ladies in the field of "wireless or" railway telegraphy. Since the eight-hour law became effective, and since the Wireless companies are establishing stations throughout the country, there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chances of advancement. The National Telegraph Institute operates six official Institutes in America, under supervision of R. R. and Wireless officials, and places all graduates into positions. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.

The Central Business College of Toronto invites you to write for a copy of its curriculum if you are in any way interested in a training which will lead you into a good business appointment at a good salary. The Fall Term opens on August 28th. Address W. H. Shaw, President, Yonge & Gerrard Streets., Toronto, and mention this paper.
