

HE COULD NOT SLEEP AT NIGHTS TILL HE FOUND RELIEF IN DODD'S KIDNEY PILLS.

Fred. Swanson, of Saskatchewan, sends a message of cheer to those who feel the weariness and discouragement that comes from broken rest.

Macklin, Sask., Oct. 23 (Special)—Those who suffer from sleepless nights and get up in the morning feeling tired and discouraged will find renewed hope in the statement made by Fred. Swanson of this place. He could not sleep at nights. He discovered the cause. It was Kidney trouble. He discovered the cure. It is Dodd's Kidney Pills.

"Yes," Mr. Swanson says, in an interview regarding his case, "I was troubled with my Kidneys for over a year, so bad that I could not sleep at nights. After using one box of Dodd's Kidney Pills I found great relief. Four boxes removed all my pain and now I sleep well and I am as strong in my Kidneys as any man."

If the Kidneys are wrong the blood becomes clogged with impurities and natural rest is an impossibility. Strong, healthy Kidneys mean pure blood, new life all over the body and that delightful rest that is the sweetest thing in life. Dodd's Kidney Pills always make strong, healthy Kidneys.

UNINTENTIONAL GENEROSITY Just a Little Present for the Newly Married Couple.

Values not infrequently lie below the surface, and can be appraised only by the well-informed. A story from the French journal, *Le Cri de Paris*, affords a case in point. Recently, when the wealthy Mademoiselle de R. was to be married, a duchess felt under obligation to make her a present—just a little present. The duchess thought it would be useless to expend much money for a person so rich. She thought that if she should look through her vast mansion she would be able to find something—some trinket—to which the addition of her card would give sufficient glory.

She finally found in her writing-desk an insignificant cameo that she had once worn.

The following day she received from her young friend a letter of enthusiastic thanks. "Oh, you have been very foolish! This is too beautiful!" and other expressions of the liveliest satisfaction. "She is making sport of my little present," thought the good duchess.

Then came a second letter, this time from the husband who was to be:

"How can we thank you? We are delighted! This will spoil us!" "The impertinent fellow!" said the duchess. "He wants me to understand that I have been niggardly."

Nevertheless, she went to make a call on the R's before the marriage. There, in the midst of the presents, exposed in a most prominent place, she saw the little

cameo placed upon her card. An old gentleman approached her. He is a member of the academy of inscriptions and belles lettres.

"What a wonderful present you have given these children. Madame la Duchess," he said. "For forty years we have been seeking for this very cameo. It is of the era of Trajan, and is valued at two hundred thousand francs."

SOUTH AFRICAN NEWS FLIES. Natives Surpass Telegraph in Their Transmission.

The rapid transmission of news among Kamrs and Hottentots is a Mystery which even Mr. Rider Haggard is unable to solve. Mr. Haggard was at Pretoria in 1879, at the time of the battle of Isandhlwana. Twelve hours after the disaster an old Hottentot washerwoman told him that Cetewayo had defeated the British troops, and gave details of the fight. So impressed was Mr. Haggard that he reported the information to his official superior.

The British official pointed out that it was impossible for the news to be true, as Isandhlwana was 192 miles from Pretoria, and no telegraph or railway communication existed between the two places. On the following day official confirmation of the message was brought by mounted messengers, who were despatched immediately after the battle and travelled at top speed all the way. Yet the natives won by twenty hours, and the washerwoman's story was true in every detail.—London Chronicle.

AS GOOD AS A DOCTOR IN THE HOUSE.

Baby's Own Tablets should be kept in every home where there are little ones. They are as good as a doctor; are absolutely safe and can always be relied upon to drive away any malady arising from derangements of the stomach or bowels. Concerning them Mrs. O. A. Wheeler, Northlands, Sask., says: "I have found Baby's Own Tablets an invaluable medicine. I live twenty miles from town and doctor, so am glad to have so reliable a medicine at hand. I consider the Tablets a real necessity in the home and shall never be without them. They have kept my baby well and have made him a bonnie baby." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Sleeplessness.—Sleep is the great restorer and to be deprived of it is vital loss. Whatever may be the cause of it, indigestion, nervous derangement or mental worry, try a course of Parmelee's Vegetable Pills. By regulating the action of the stomach, where the trouble lies, they will restore normal conditions and healthful sleep will follow. They exert a sedative force upon the nerves and where there is unrest they bring rest.

ALUM AN UNSEEN DANGER IN FOOD.

Noted food scientists have decided that alum is an unseen danger in food, and as a result of their investigations, rigorous laws have been enacted and are now being vigorously enforced in England, France and Germany, prohibiting the use of alum in foods.

Until suitable laws are passed in Canada prohibiting the use of alum baking-powders, every housewife should be careful to buy only a baking-powder that has the ingredients printed plainly on the label.

SHOULD PAY WIVES.

Yorkshire Women's Association Declares Itself to That Effect.

That husbands should pay wages to their wives is the newest proposition submitted to the Yorkshire Women's Liberal Association, England.

Many women made bitter complaint at a meeting of the association that wives do not even know how much their husbands earn. These women said that in the marriage service husbands promised worldly goods, yet fail to do so and do not intend to do so while they are promising to.

A delegate at the meeting proposed to substitute in the marriage service the words "the husband shall render unto the wife due benevolence and also the wife unto the husband."

The delegates generally agreed that wives should be paid. The association will ask Parliament to make a law providing how a wife's wages shall be fixed and set aside by her husband.
