Poultry Culture in Schools.

The teaching of agriculture in the public schools of Canada has as yet not been much more than suggested; but should such teaching be inaugurated, and its scope rapidly extended, some time would necessarily elapse before the subjects taken up would include poultry keeping. At Arkansas and other points in the United States this branch of farming has been considered of sufficient importance to warrant the instruction of public school pupils in its arts and mysteries, as witness the following from the Arkansas Democrat:

"Much interest is being shown in the organization of the Arkansas Schools Poultry Club. This movement was started following the organization of the State Poultry Club, and according to the president, Geo. B. Cook, superintendent of public instruction, is certain to prove a success. The purposes of this organization to promote and develop the poultry industry in Arkansas, to awake a deeper school interest on the part of the school children, to give a more practical trend to school life and to bring school and home life closer together.

"The membership of this organization is increasing every day and every one can become a member of the State Club upon the payment of \$1.00. This does not include school children or teachers. Every school teacher or pupil in the public schools of this state may become a member of this organization without cost. Parents and others may become members of the State Club upon payment of \$1.00. This pays for one person for one year and is to be divided equally between the state organization and the school club, 50 cents to each. The 50 cents received by the school clubs will be used by those clubs in purchasing libraries, necessary supplies and equipment for experimental work in poultry culture. The 50 cents which goes to the state organization is to be used for prizes and premiums to be offered at the club shows, stationery and other expenses as may be necessarily incurred.

"Probably the most active in the organization of the Arkansas Schools Poultry Club are Lawrence W. Long, of this city, secretary-treasurer of the Arkansas School Club, and Edwin Norman Hopkins of Fort Smith, business manager of the Union Poultry Journal, a monthly poultry magazine.

"Mr. Long states that \$1,000,000 is lost on eggs in Arkansas every year; first, because the majority of the people do not know how to make the hens produce the eggs, and then, second, when they do produce the eggs they do not know how to market them. He said that another purpose of this organization is to prevent this yearly loss and to make the people better understand how to take the proper care of poultry and get the most out of them.

"The Y. M. C. A. of this city intends to organize a class for the scientific study of poultry and this will come under the school club. This is a good movement and many of the young men members are greatly enthused over the prospects. The subject of poultry is being taught in a great many of our schools throughout the state, and according to the officials and authorities on school matters, should be taught in every school in the state.

In other cities the Y. M. C. A. has formed classes in poultry culture, notably Portland, Oregon, about which we shall have something to say in a future issue. Arkansas is to be congratulated upon this movement and the results will be watched with a great deal of interest by poultrymen of other states."

The plain English used by Mr. James M. Guire of Hailybury in addressing Sir James Whitney the other day was a trifle too plain to suit the Premier. Although a discreet admixture of French would have improved the retort made by Sir James, he got along remarkably well with the English alone. One language is enough for Ontario.

On a recent Saturday night a heavy wind storm shifted the Catholic Church at Cobalt a foot or so from its position and next morning the gale was still blowing with such fury that to enter the building was deemed unsafe, and a service was held. It is a somewhat significant fact that the priest was to have preached a sermon against Socialism that morning. Coupled with the big Socialist vote in the late elections in the United States, the incident shows clearly which way the wind blows.

Lindsay Winter Fair Dec. 19.

Lindsay Annual Winter Fair will be held on Dec. 19. The secretary is Mr. D. A. Mackenzie, B. S. A.

Guelph Winter Fair Opens Dec. 12.

At a meeting of the executive committee of the Ontario Provincial Winter Fair, held in Guelph, Nov. 1st, it was decided not to open the fair until Tuesday morning, December 12th. Changes were also made in the time for arrival of exhibits. Poultry exhibitors will now have until midnight on Monday to get their exhibits placed. Live stock exhibits, excepting dairy cattle, are to be in the building by 10 a. m. on Tuesday, December 12th. Dairy exhibitors will follow the time given in the prize list and begin the test on Friday evening, December 8th. Judging of poultry will begin on Tuesday at 8 a. m. Live stock judging, including horses, starts at 1.30 Tuesday afternoon.

Personal.

Mrs. McDiarmid, of Lindsay, spent Tuesday at the Falls, the guest of Mrs. Dr. Graham.

The Misses Fanny and Mae Potts left on Tuesday for Moose Jaw, Man.

Miss Agnes Potts left on Tuesday for Toronto.

Miss Sabina Martin came home last week from a visit to Toronto friends.

Mrs. Fraser spent the week end at Kimmount, the guest of Mrs. J. Austin.

Mrs. Dr. Gould returned on Monday from Toronto.

Mr. Ted Heard is spending a few days at home, before going to Halifax to take a position in the Bank of Nova Scotia.

Mr. Percy Cundal of Cameron, Mr. Melville McFadyen, of Hartley, and Mr. Hugh Milloy, of Powles' Corner, have entered the commercial department of the Lindsay Business College.

BAZAAR.

The Epworth League of the Methodist Church intend holding a bazaar on Dec. 15th in Miss Washburn's store. A ten cent lunch will be served.

PORTABLE SAW-MILL.

Mr. Wm. Ehery intends starting his saw-mill near Tiers' planing mill at as early a date as possible, and will be prepared to handle all kinds of custom work.

ATTENTION, CHOSEN FRIENDS.

The regular meeting of Fenelon Falls Council 189A is postponed from Monday, 26th inst., until the second Monday in December, which will be the night for election of officers, when every member is expected to be present.

LIFE IN A LONDON SLUM.

The Rev. John Galt is coming with his wonderful stereoscopic lecture "Life in a London Slum" Everyone should see these realistic pictures of London slums and slum-dwellers. Mr. Galt will lecture in the Baptist Church on Nov. 29th.

DEBATE.

On Tuesday evening, Dec 5th, under the auspices of St. Andrew's Adult Bible Class, the following subject will be debated: Resolved—That the proposed union between the Presbyterian, Methodist, and Congregational Churches is desirable and practicable. This will be affirmed by Messrs. John Northey and John Lee, and denied by Dr. Sims and Mr. Wm. Hetherington.

SHOOTING MATCH.

Mr. A. Tiers will hold a shooting match on Saturday afternoon, Dec. 2nd, on the old range south of the river. Prizes will be geese and ducks. There will be three ranges, one for rest, one for offhand, and one for shotguns. Shells will be furnished for the shotgun artists.

Successful matches were held at Mr. Sam Smithson's and Mr. A. Limerick's on Monday last.

Powles' Corners:

(Correspondence of the Gazette).

It is several weeks since the readers of the Gazette have heard from Powles' Corner. We are all near the end of 1911. Since the still messenger of death has come to some of the homes in this community, and homes in Fenelon Falls have also been made sad and lonely. All the bereaved families have our heartfelt sympathy in the losses they have sustained.

The inclemency of the weather did not prevent a good attendance at the dedication of the new Methodist church at Fenelon Falls. The edifice is a credit to the village, as well as to all who aided in the erection of the large and handsome building.

The Dunn brothers of Cameron, are making their last call with their threshing machine. They are also doing some clover threshing, but there is n't a great deal of clover.

The time will soon be here when the temperance people will have an opportunity in different parts of the province to vote for local option; and the three-fifths clause will be in operation again, which is a great injustice. The member for East Victoria is a supporter of Sir James Whitney, who is in favor of this injustice. No doubt every advocate of the temperance cause learned with gladness that the state of Maine has gone "dry" again, with a majority of 158. One of our citizens condemns any prohibitory law that will stop him from taking a glass or treating a friend, if he wishes; but that is just what we want—and more too, if we can get it.

Important Meeting of Womens Institute.

On Friday, Dec. 1st the postponed meeting of the Women's Institute will be held at home of Mrs. A. Jewell. All members are requested to be present, as there is important business to be transacted.

C. O. F. MEETING NOV. 29.

A full attendance requested.

PARISH WORKER BAZAAR.

The Parish Workers of St. James Church intend holding their annual bazaar on Friday, Dec. 8th. Particulars later.

A HEAVY PIG.

On Tuesday Mr. W. B. Moore bought a Yorkshire Tamworth sow that tipped the beam at 665 lbs. The animal was bred and sold by Mr. T. L. Junkin, Sr., and is said to be the heaviest ever put on the scales here. Can anyone beat it?

The Peterboro' Review says: "It is understood new interests are negotiating for the purchase of the assets of the Peterborough & Lake Simcoe Navigation Co., which recently went into liquidation. The meeting of the creditors of the company was held yesterday, and ordinary claims will, it is understood, receive but a small per-centage. Mr. W. Buller read a statement of the company, showing the assets to be \$1,500 less than the liabilities. Messrs. G. C. Wainwright, of the Bank of Ottawa, Robert Hicks and F. D. Kerr were appointed inspectors, and the appointment of Mr. Buller as assignee was confirmed. The disposing of the assets, in order to get the best results, will be taken in hand by the assignee with the assistance of the inspectors and of any suggestion from the creditors."

A GOOD POSITION.

Can be had by ambitious young men and ladies in the field of "wireless or" railway telegraphy. Since the eight-hour law became effective, and since the Wireless companies are establishing stations throughout the country, there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chances of advancement. The National Telegraph Institute operates six official Institutes in America, under supervision of R. R. and Wireless officials, and places all graduates into positions. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.

What is Your Family Worth

If your family is worth the best you can afford in house and food and clothes, is it not worth the best reading as well? And the best reading—best for boys and girls, best for men and women—is to be found in The Youth's Companion. Of stories alone The Companion will print nearly 300 in 1912. With all the rest of the paper thrown in, and counting the glorious long serial stories, they cost the subscriber less than a cent apiece. Moreover, you will look long before you will find stories so varied and interesting; stories of coolness in the face of peril, strange adventures with creatures of the forest and the sea; moving stories of life's obscure heroisms; stories breezy with good-natured humor, quaint and curious character sketches.

Now is the time to subscribe, for the new subscriber in Canada will receive free from the time his \$2.00 is received all the issues for the remaining weeks of 1911, containing the opening chapters of Ralph D. Paine's great serial story of the Boxer Rebellion, "The Cross and the Dragon." And there is the gift of The Companion Calendar for 1911, "On the New England Coast," lithographed in ten-colors and gold. Only \$2.00 now to Canadian subscribers, but on January 1, 1912, the subscription price will be advanced to \$2.25.

THE YOUTH'S COMPANION,
144 Berkeley St., Boston, Mass.

BORN.

McCARTHY.—At Fenelon Falls, on Sunday, Oct. 29th, 1911, the wife of Mr. Wm. McCarthy, a daughter.
