

Powles' Corners.

(Correspondence the Gazette.)

The taxes in this township are high, owing partly to the dog tax; but there seems to be something wrong. A farmer in this section, who owns 230 acres, pays fifty-two dollars taxes; and a farmer not far from Cameron, who owns 100 acres, pays forty-four dollars. This does not seem like equal justice.

Some time in the month of February Mr. M. Herron will sell his farm stock and implements, as he is retiring from farming, and has leased his farm to his son John.

The Weekly Sun, which has been coming into a good many homes in this section, advocated Reciprocity, and consequently some of its subscribers have stopped taking it, and are trying to persuade others to stop it also.

Enough silver dollars to pay the national liquor bill would, if placed side by side and touching each other, would reach over one thousand, five hundred and seventy-eight miles. There would be nine hundred million coins; and it is estimated that it would take ten men with scoop-shovels to throw the money away as fast as we are wasting it for intoxicating liquors. Electors who have votes in West Victoria should support Mr. Weeks, the Liberal candidate and moral reformer. What about the numberless murders and suicides and sorrow and misery caused by the infernal liquor traffic?

About two weeks ago Mr. W. Glaspell took a trip to Uxbridge, to look at a small poultry farm near that village. He made an offer for it, which was not accepted at the time; but this week the bargain has been closed and Mr. Glaspell gets the property, which consists of seventeen acres of land with a house and barn thereon.

Mr. Wm. Rutherford reached home from Carman, Manitoba, last week.

Mrs. E. A. Ward, of Cobourg, is visiting her aged father, Mr. John Cullis.

While plastering a ceiling at Mr. S. Smithson's on Wednesday, Mr. Geo. Worsley met with a painful accident, a piece of the plaster falling from the trowel and entering his right eye. He was driven to the Falls, where Dr. Graham attended to the injury.

CHURCH UNION.

The debate in St. Andrew's Church on Tuesday evening excited a good deal of interest. The subject of church union was discussed very ably by both sides. The judges gave their decision in favor of the speakers for the negative.
