#### Whitney Government Sustained.

The Whitney Government was returned to power on Monday with a majority of 60, a slightly decreased representation compared with their standing in the former parliament. The result may be said to be somewhere near what was generally anticipated, although audible predictions were very scarce, prophesying having gone out of fashion since September 21st. The electors have decided to let Whitney finish his work, or at least have another try at it. The increased Liberal representation is a slight hint to Sir James to be careful.

#### Board of Trade.

The Board of Trade met on Tuesday evening and discussed various matters. The secretary was instructed to write Col. the Hon. Sam Hughes and the Minister of Railways and Canals regarding the needs of the town with respect to improvements in the T. V. C., etc. The Standard Chemical Co. having started the lime kiln and commenced to take the stone out of the mill walls to convert into lime, the question was raised as to the company's right to tear down the building. The matter was laid over pending further investigation. There was also some discussion on the subject of advertising with a view to securing industries. It was shown that the success of other towns was due to their energy in going after what they wanted. Regarding tourist traffic, the good effect of the advertising done last spring was amply demonstrated. The Board will meet again early in the New Year when a definite plan of campaign will be decided upon.

on night soil contract, \$110.00; T. Scott, posting bills, \$1.00.

A by-law regulating municipal elections was read and passed.

Mr. Tiers gave notice that at this meeting of the council he would introduce a by-law entitled a by-law providing for borrowing money by issue of debentures, secured by local special rates on the property fronting or abutting on the north side of Francis Street, from Colborne Street westerly to the right of way of the G.T.R., for laying of granolithic walks on said street, and to provide for the borrowing of money to pay the corporation's share of said granolithic walks.

By-law read and passed in the usual manner.

Council adjourned.

#### Women's Institute.

The Pleasant Valley branch of the Women's Institute met on Thursday afternoon, Dec. 8th, at the home of Mrs. Frank Smitheram. The Fenelon Falls branch having been invited to attend the meeting, accepted the invitation, and two large sleigh loads of members drove out, Miss Evalina Brynell taking the sleigh load, and Mr. Thos. Patten the other. About twenty members of the local branch were present, and with the numbers of the Pleasant Valley branch, which is increasing rapidly, resulted in a large attendance.

The programme was provided by the visiting branch. Mrs. Jos. Moynes President of the Pleasant Valley branch, addressed the assembly briefly, giving the sitting members a hearty welcome. A letter by Mrs. Dr. Gould and Miss S. Martin was followed by a paper entitled "How we are benefited by meeting together" by Mrs. M. E. Calder. An interesting address was then given by Mrs. Dr. Gould, the President, and also District President, on her impressions of the W. I. Convention held in Toronto in November, which she attended. A recitation was given by Mrs. Walker Lamb, followed by an instrumental selection by Miss Tilly Patten. Mrs. L. Townley gave a reading which was well received. The Misses V. McKendry and S. Martin each favored the audience with an instrumental selection. A paper entitled "Gossip" by Miss Lizzie Knight was read by special request. Miss Doris Townley gave a vocal solo, which was much appreciated. The meeting closed with the singing of the National Anthem.

The members of Fenelon Falls branch tendered a hearty vote of thanks to the hostess for her kind hospitality. Dainty refreshments were served at the close of the meeting, after which the drive home was much enjoyed.

#### BANKS TO CLOSE SATURDAY NIGHTS.

The local branches of the Bank of British North America and the Bank of Montreal have decided to close on Saturday nights during the winter months. On and after Dec. 23rd the office hours for Saturdays will be from 10 to 12 a. m. and 4 to 6 p. m.

#### TWO CHRISTMAS TREES AT ST. ANDREW'S.

St. Andrew's Young People have made a new departure in their celebration of the birth of the Saviour of the world. They are having two Christmas trees. On Friday, Dec. 22nd, there is the usual entertainment, tree and tea and programme, and the promise of a first-class time; and a second tree for needy children in the West. Already such huge quantities of clothing, toys, etc., have been received that the skill of the expert packer in charge, Mr. Wm. Campbell, is being taxed to the utmost. The Bury's Green people also have a share in the good work of cheering the lonely ones on the prairie.

The Ladies Aid of St. Andrew's Church met at the home of Mrs. W. H. Robson on Wednesday afternoon. The work of the year, which has been a most successful one, was reviewed. The following officers were elected:—President, Mrs. C. S. Lord; Vice President, Mrs. McArthur; Treasurer, Mrs. W. L. Robson; Secretary, Mrs. Jno. Northey.

## Take Care

In Winnipeg, on Nov. 28th, a quiet wedding took place, the contracting parties being Miss Annie H., daughter of Mr. and Mrs. D. Robertson, of Fenelon Falls, and Herbert Kirby of Saskatoon, son of the late Edmund T. F. Kirby of Picton. The bride was given away by her brother, Dr. Robertson of Colborne, and was unattended. The ceremony was performed by the Rev. Hugh Robertson of Winnipeg.
