NOTHING LIKE THEM

DODD'S KIDNEY PILLS STILL DOING GREAT WORK.

Mrs. T. G. Alexander, of Hawthorne, after twelve years' suffering, tells the public what they are doing for her.

Hawthorne, Ont., Dec. 11 (Special).-"There is nothing like cannot possibly be closed. Dodd's Kidney Pills for a sore he grasps the doomed tooth between back." That is the statement of the thumb and forefinger of the Mrs. T. G. Alexander of this place, right hand and with one deft and all her neighbors agree that wrench removes it and throw it she should know. "I suffered for upon the ground. twelve years from a pain in my back, Rheumatism and Heart Dis- tive dentists that many of them are ease," Mrs. Alexander continues. "I was always tired and nervous per minute. Indeed, their skill is and my sleep was broken and unrefreshing. Since taking Dodd's considers the course of preparatory Kidney Pills I am feeling so much training they are obliged to underbetter that I feel I must say a go. good word for them."

No matter how long you have suffered Dodd's Kidney Pills cannot fail to help you if your trouble is of the Kidneys. If you use Dodd's Kidney Pills early the cure will be quick. If your trouble is of long standing it will take them longer to cure you. But they always cure. People from all parts of Canada who have been cured are telling about it in the newspapers almost every day.

REST CURE FOR TRAMPS.

Loafers and Lunatics in Denmark Have Special Treatment.

Government of Denmark, acquired Zam-Buk will be found the surest the Island of Llyoe, of 1,000 acres, and placed Prof. Kellers, the wellknown psychological expert, in charge. There were sent to him for treatment a number of professional tramps and lunatics from the State workhouses and asylums.

Prof. Kellers has for some time been a persistent advocate of the out-of-door treatment of lunacy. His chief contention is that fresh air tones up the nervous system, while the varied natural objects are calculated to arrest the attention of the patients and dissipate the more distressing symptoms of monomania The authorofttimes prevalent. ities, however, preferred to effect a compromise, relegating to the new sanitarium many of the criminal lunatics hitherto held in practically solitary durance. A peculiarity of several nasty, disfiguring cold sores the system is that under the com- suddenly broke out on my lips, prehensive classification adopted by which became much swollen. I tried th authorities men of the more de- Zam-Buk, and after a few applicagenerative class, both as regards tions of this balm, every sore was crime and vice, are removed to healed." Llyoe for treatment. The method of "cure" of confirmed laziness is cure for eczema, blood-poison, varisomewhat Spartan. Either the cose sores, piles, scalp sores, ringmen must settle down to regular worm, inflamed patches, babies habits of work-chiefly of a rural eruptions and chapped places, cuts, character-or the "rest cure" is burns, bruises, and skin injuries pushed home to its logical result- generally. or four days. By that time the ennui become simply unbearable, from the torture of sheer inactivity.

JAPANESE DENTISTS.

Extract Teeth With Their Fingers at a Great Rate.

their business in a manner which would undoubtedly cause any European practitioner to open his eyes in amazement. The victim is stated on the ground. The dentist bends over him and forces his left hand between the patient's jaws in such a manner that the mouth

So great is the skill of these naable to remove six or seven teeth hardly to be wondered at when one

A number of holes are bored in a stout plank and this is fixed firmly to the ground. In the holes are driven wooden pegs and the would be dentist has to extract them with his fingers without dislodging the board. This process is repeated with a board of pine wood and finally with one of oak, and it is only when he has succeeded in extracting when he has succeeded in extracting the pegs from the oak plank that the Japanese considers himself qualified to practice upon his fellow men.-Pearson's Weekly.

COLD SORES AND ULCERS ARE HEALED BY ZAM-BUK.

Cold sores, chapped hands, ulcers and winter eczema are common About eighteen months ago the troubles just now, and for all these and quickest remedy. Sometimes cold sores arise from chilblains on the toes or fingers, and in the former case, where colored socks are worn, there is a danger of bloodpoisoning from the dye. Zam-Buk being so powerfully antiseptic removes the danger as soon as applied.

Mr. W. J. Halliday, of Ash Grove, Ont., says: "I had my little finger frozen, and it cracked at the first joint, causing a bad sore, which discharged freely and would not heal. The pain was very bad, and the whole of my hand became swollen. "A friend advised me to try Zam-Buk, and in a very short time it

healed the sore." Miss Lillie May, of Stoney Creek, Ont., says: "A few weeks since,

Zam-Buk will also be found a sure term varying from a day to three Zam-Buk Co., Toronto, upon receipt of price. Refuse harmful imitations and substitutes.

Use also Zam-Buk Soap, 25c. tablet. Best for baby's tender skin!

EXCLUSIVE POOR FARM.

Providence, R.I., Has One Which is Valued at \$1,000,000.

Providence, Rhode Island, enjoys farm owned by any municipality in of the liver and kidneys. The the world, all because Ebenezer blood becomes tainted by the intro-Knight Dexter in 1824 made a be- duction of uric acid, which causes quest leaving a big, stone-strewn much pain in the tissues and in the meadow and several parcels of joints. Parmelee's Vegetable Pills land for that purpose. To-day the are known to have effected many property is valued at no less than remarkable cures, and their use is \$1,000,000, and is in the centre of strongly recommended. A trial of one of the most fashionable resi- them will convince anyone of their dence districts of Providence. But value. while this is a poor farm, it is a very exclusive one, to say the least. By the terms of a very rigid and iron-clad will, none can be admitted | didn't you?" said the careless waitor assisted except those who once ress, as the customer in the restauowned and paid taxes upon real rant finished his meal and rose to ing. estate in Providence or whose fath- leave. er or mother was a real estate taxpayer in that city. No other Rhode patient man. "I've wanted so Islanders and no person from any many things all my life that I other part of the United States or didn't get. I'm used to it." from any foreign country may knock at the portal to obtain admittance and secure shelter and food.

The Dexter Asylum is more than self-supporting. With a limited attendance, so to speak, it is said that the interest on investment or income is enough to furnish every inmate a trip to Europe each winter, with accommodations at the best summer hotels in the summer. During the hard times in Providence, when there was a great need of work for poor people, an old clause in the Dexter will providing for a stone wall built around the place was taken advantage of, and many poor people were given work.

The first trial for breach of promise was held in the reign of Queen MILD CORRECTION.

Old Gentleman-"Do you mean and the men are glad to escape to say that your teachers never thrash you?"

Little Boy-"Never. We have moral suasion at our school." O. G.-"What's that?"

L. B.-"Oh, we get kep' in and stood up in corners and locked in Japanese native dentists conduct and made to write one word a thousand times and scolded at and jawed at, and that's all."

THROUGH EVERYTHING.
