The "What Shall It Be" Question

The error you are most likely to make is to conclude that you cannot afford to give Furniture. The truth is that you cannot afford NOT TO.

Give Furniture, and you give not only for this Xmas but for years to come.

Give Furniture, and it will stand in some home a constant reminder of you and a lasting tribute to your good judgment.

You don't have to spend a lot of money, either, if you don't want to. Why, we have articles of usefulness, artistic in appearance, articles that make ideal gifts, yet that cost only a trifle. Let us show you how easy to pick out Xmas presents.
