

## SAVED HERSELF YEARS OF PAIN

IF SHE HAD USED DODD'S KIDNEY PILLS FIRST.

Mrs. McRea suffered for over two years, then two boxes of Dodd's Kidney Pills made a new woman of her.

Previl, Gaspe Co., Que., Jan. 8 (Special).—That she might have escaped two years and seven months of suffering had she tried Dodd's Kidney Pills in the first place is the firm conviction of Mrs. John McRae, an old and respected resident of this place. And this is the reason she gives for believing so:

"For two years and seven months I was a sufferer from Kidney Disease brought on by a strain and a cold. My eyes were puffed and swollen, my muscles cramped and I suffered from neuralgia and Rheumatism. My back ached and I had pains in my joints.

"For two years I was under the doctor's care, but he never seemed to do me any lasting good. Two boxes of Dodd's Kidney Pills made a new woman of me."

To save yourself suffering cure your kidneys at the first sign of trouble. Dodd's Kidney Pills are the one sure cure.

### THE SUBSTITUTE.

Mistress (starting on a journey) — Now keep a good eye on my husband; see that he doesn't smoke in the house and that he gets home early at night.

The Cook—O, you can leave everything to me, ma'am. How much pocket money shall I give him?

It Has Many Qualities.—The man who possesses a bottle of Dr. Thomas' Eclectic Oil is armed against many ills. It will cure a cough, break a cold, prevent sore throat; it will reduce the swelling from a sprain, cure the most persistent sores and will speedily heal cuts and contusions. "Bromley, I hear you are going to start housekeeping?" "Yes, Dalnggor." "What have you got towards it?" "A wife."

## Terrible Itching Got Little Sleep

Mr. T. Williams, Winnipeg.

Until Cuticura Remedies Cured Him

Those who have suffered long and hopelessly from torturing skin eruptions will read with interest this letter from Mr. T. Williams, 115 Pacific Ave., Winnipeg (dated Jan. 14, 1911): "The Cuticura Remedies certainly did work finely, and I am thankful that there is such a remedy, and that I tried it. About three months ago a terrible itching commenced on my body. I could not understand it. It gradually grew worse and covered a large portion of my body. There was also a slight eruption of the skin, sort of a rash. I suffered greatly with the itching and at night time I had little sleep. I tried one or two remedies which did no good, and then I tried Cuticura Soap, Ointment and Resolvent. In about ten days I was completely cured."

For more than a generation the Cuticura Remedies have afforded the speediest and most economical treatment for itching, burning, scaly and bleeding skin and scalp humors, of young and old. Sold by druggists and dealers everywhere. For a liberal sample of Cuticura Soap and Ointment, with 32-p. book on the care of the skin and treatment of its affections, send a postal to the Potter Drug & Chem. Corp., Sole Props., 51 Columbus Ave., Boston, U. S. A.

### QUEER EASTERN DRINKS.

National Drink of Tibetans—Fermented Coconut Milk.

Arra may be said to be the national drink of the Tibetans, being given at all times and in all places. The natives carry it in long buffalo horns on trips from place to place, and the shepherds deem their existence miserable if they have not their daily allowance. Arra is used also by the Bhutians, but the great drink of these people is marwa. This is a kind of beer made from millet. The grain is subjected to a very primitive method of fermentation without malting, and is stored in earthenware jugs; it has to be used quickly, as it soon sours; it is very light in alcohol, but it is extremely nourishing.

Nipa wine, made from the nipa palm, is a common beverage in Burma. According to Bonfort's Wine and Spirit Circular it resembles in taste and flavor the palm wine or toddy of India, though by some it is thought to be more powerful in its inebriating qualities. But the favorite beverage of the Burmese is shouchou, which greatly resembles sam-tchoo, only it is a little more fiery in taste and its effect is somewhat quicker and decidedly more lasting.

They also use the milk of the coconut, which they ferment in vast quantities and preserve in glazed earthenware jars which hold from 100 to 150 gallons apiece. Like their neighbors the Hindus and Chinese, they are prolific in the distillation of their many fruits, and many excellent drinks are made therefrom. They import large quantities of European liquors, especially gin, and as a rule they prefer strong spirits instead of money in payment for what we term odd jobs.

Mildmay is a philosopher in his way. The other evening Mrs. M. gave him a scolding that would have made almost any other man crazy. But Mildmay said never a word in reply. He only murmured to himself:—"And that is the woman I used to hold on my knee and call my little tootsy-wootsy!"

So popular is Bickle's Anti-Consumptive Syrup as a medicine in the treatment of colds and coughs or ailments of the throat, due to exposure, to draughts, or sudden changes of temperature, that druggists and all dealers in patent medicines keep supplies on hand to meet the demand. He had been describing a scheme which he had in mind for the benefit of mankind in general, and as he finished he drew a piece of paper from his pocket.

"I have here—" he began. "I'll not subscribe a cent," interrupted the business man. "I don't believe in your alleged charitable project, and I'll not give you anything for it."

"But I don't want any money from you," protested the caller.

"Then what do you want?"

"I just want you to sign a petition to someone else to help it along. Your influence, you know, will—"

"Oh, well, of course, I'll do that; but I won't give you any money for such a swindle."

### CATHEDRAL A WAR CHEST.

St. Petersburg, as well as Moscow, has some cathedrals which are marvels of ecclesiastical architecture. St. Isaac's Cathedral, for instance, in the centre of the city, cost 24,000,000 rubles, or \$12,000,000. Scores and scores of immense marble pillars adorn its four equal sides, while several of the beautiful green malachite columns within are worth a king's ransom. It is said that in the golden domes of St. Isaac's and the jewels within Russia has a "war chest" that would defend her from her enemies for many a month if she should need the gold.

Pills for Nervous Troubles.—The stomach is the centre of the nervous system, and when the stomach suspends healthy action the result is manifest in disturbances of the nerves. If allowed to persist, nervous debility, a dangerous ailment, may ensue. The first consideration is to restore the stomach to proper action, and there is no readier remedy for this than Parmelee's Vegetable Pills. Thousands can attest the virtue of these pills in curing nervous disorders.
