MRS. COMEAU CURED HER KIDNEYS WITH DODD'S KIDNEY PILLS.

And her Heart Trouble, Backache and other ailments disappeared-Says she owes her good health to Dodd's Kidney Pills.

Petit Rocher, Gloucester Co., N. B., Jan. 8 (Special).-When Mrs. Pierre I. Comeau, a well known and highly respected resident of this place cured her kidney disease, her heart trouble and other aches and pains also disappeared. She cured her kidney disease easily and quickly by using Dodd's Kidney Pills.

"My heart troubled me all the time," Mrs. Comeau states; "and I feared for the terrible results that might follow. My limbs would swell, my back ached and I was always tired and nervous.

"Those symptoms led me to believe that kidney disease was the root of all my troubles, so I turned to Dodd's Kidney Pills. Before I had finished the first box the swelling was gone, my back was well and my heart no longer troubled me. I am now in the best of health, with amazing virulence by a section thing and then another, but nothing and I owe it all to Dodd's Kidney of high society, who contend that seemed to do me any good, and the Pills."

# The Best Treatment for Itching Scalps and Falling Hair

To allay itching and irritation of the scalp, prevent dry, thin and falling hair, remove crusts, scales and dandruff, and promote the growth and beauty of the hair, the following special treatment is most effective, agreeable and economical. On retiring, comb the hair out straight all around, then begin at the side and make a parting, gently rubbing Cuticura ointment into the parting with a bit of soft flannel held over the end of the finger. Anoint additional partings about half an inch apart until the whole scalp has been treated, the purpose being to get the Cuticura ointment on the scalp skin rather than on the hair. It is well to place a light covering over the hair to protect the pillow from possible stain. The next morning, shampoo with Cuticura soap and hot water. Shampoos alone may be and hot water. Shampoos alone may be used as often as agreeable, but once or twice a month is generally sufficient for this special treatment for women's hair. Notwithstanding Cuticura soap and ointment are cold everywhere, those wishing to try this treatment may do so without expense by sending to "Cuticura." Dept. 4M, Boston, U. B.
