The annual meeting of the directors of the Fenelon Falls public library was held on Monday evening. The reports of the treasurer and secretary showed the Institution to be in the usual standing. The following is the board of directors: Hon. Pres., Thos. Robson; Pres. Dr. Sims; Vice-Pres., Rev. J. Bedford; Treas., M. Reives; Sec'y and Librarian, Mrs. M. E. Calder; Directors, Dr. Gould, Rev. W. H. A. French, Rev. C. S. Lord, Messrs. Hand, Warren, Stanton, Cashore, McCallum, Guy and F. Robson.

Distribution of Seed Grain and Potatoes.

By instructions of the Hon. Minister of Agriculture a distribution will be made of superior sorts of grain and potatoes to Canadian farmers. The samples for general distribution will consist of spring wheat (5 lbs.), white oats (4 lbs.), barley (5 lbs.), and field peas (3 lbs.). These will be sent out from Ottawa. A distribution of potatoes (in 3 lb. samples) will be carried on from several of the experimental farms, the Central Farm at Ottawa supplying only the provinces of Ontario and Quebec. All samples will be sent free, by mail.

Applicants should give particulars in regard to the soil on their farms; and should also state what varieties they have already tested and in what way these have been found unsatisfactory, so that a promising sort for their conditions may be sent.

Each application must be separate and must be signed by the applicant. Only one sample can be sent to each farm. Applications on any kind of printed or written form cannot be accepted.

As the supply of seed is limited, farmers are advised to apply early to avoid possible disappointment. No applications can be accepted after Feb. 15th.

All applications for grain (and applications for potatoes) should be addressed to the Dominion Cerealist, Central Experimental Farm, Ottawa. Such applications require no postage.

Applications for potatoes, from farmers in any other province should be addressed (postage prepaid) to the Superintendent of the nearest Branch Experimental Farm in that province.

Director Dominion Experimental Farms.

Farmers Attention!

Owing to the light delivery of grain this season, we are not keeping a man permanently at the Railway warehouses. We are in the market for all kinds of grain, however, at the mill, and prepared to pay the highest prices therefor. It will pay you to call before selling elsewhere.
