

## QUEBEC FARMER TELLS GOOD NEWS

FOUND COMPLETE CURE FOR CRAMPS AND KIDNEY DISEASE.

Suffered for Six Years, but Found Health and New Life in Dodd's Kidney Pills—Warm Praise for Old Reliable Remedy.

Marie East, Bonaventure Co., Quebec, February 26 (Special).—Mr. Peter Bernard, a prosperous young farmer living near here, is spreading the good news that he has found a complete cure for his kidney troubles.

"I suffered for six years from cramps in the muscles and kidney disease," Mr. Bernard says, "but Dodd's Kidney Pills cured me completely. Yes, I am feeling so well that I want other sufferers to know just how easy it is to be cured."

It is a good old saying that it is easy to do anything if you just know how. And Mr. Bernard and hundreds of others are telling you just how to cure kidney disease. Dodd's Kidney Pills always cure it. And as kidney disease is the direct cause of rheumatism, lumbago, Bright's disease, heart disease, pain in the back and urinary troubles Dodd's Kidney Pills cure them by removing the cause. If you haven't used Dodd's Kidney Pills yourself ask your neighbors about them.

Minard's Liniment Co., Limited. Gentlemen—My daughter, 13 years old, was thrown from a sleigh and injured her elbow so badly it remained stiff and very painful for three years. Four bottles of MINARD'S LINIMENT completely cured her and she has not been troubled for two years.

Yours truly,

## LEAP YEAR PROPOSALS LEGAL

Woman Originally Given Right by Statutes.

Although most women are well aware of the great privilege which they may enjoy during leap year, it is not to be presumed that they are all equally conversant with the fact that their premarital right was originally secured to them by a statute law of England, enacted in 1606 under James I. (1603-1625), which readeth thus: "Albeit it is now become a part of the common laws, in regarde to the social relations of life, that so often as everie besextile year doeth returne, the ladies have the sole privilege, during the time continueth, of making love unto the men, which they may doe, either by words or looks, as unto them seemeth proper; moreover, no man will be entitled to the benefit of clergy who dothe refuse to accept the offers of a ladye, or who dothe in any wise treat her proposals with slight and contumely."

A Scotch statute of 1228, under Alexander II. (1214-1249), however, preceded the above, and will appear to be even more stringent:

"It is statet and ordaint that during the year of his maist blisset majestie, ilk fourth year known as leap year, ilk maiden lady of both high and low estait, shall hae liberty to bespeak ye man she likes, albit, if he refuses to take her to be his wife he shall be mulcted in the sum of one poundis (£1) or less, as his estait may be, except and anis if he can make it appear that he is betrothed to ane woman, that he shall then be free."

Chicago Health Bureau Tells How to Avoid Infection.

Rules for "side stepping" pneumonia are offered in unique form by the Chicago department of health in a recent bulletin and causes of the infectious disease made plain. Under the caption, "Some things you should know about pneumonia," these conditions which render infection probable are listed:

"Contact with a pneumonia patient. Working in a dusty, poorly ventilated place. Living in rooms that are unventilated or too hot and dry. Sleeping in an unventilated room. Eating more or less food than the system needs in relation to work, exercise and exposure. Drinking alcoholics. Excessive work. Lack of sleep. Worry and grief. Other diseases. Unseasonable clothing.

An Oil of Merit.—Dr. Thomas' Electric Oil is not a jumble of medicinal substances thrown together and pushed by advertising, but the result of the careful investigation of the curative qualities of certain oils as applied to the human body. It is a rare combination and it won and kept public favor from the first. A trial of it will carry conviction to any who doubt its power to repair and heal.

## Toronto Man Cured of Intolerable Itch

Mr. J. E. Hooper, Toronto.

### By Cuticura Soap and Cuticura Ointment

"I just want to say a good word for Cuticura Soap and Ointment. Four or five years ago I was in Port Arthur, and I had an attack of the itch. It certainly was an intolerable nuisance. The itching was principally at nights before I went to bed. The thighs were especially affected.

"I went to two doctors about it, and tried more than one remedy. I was beginning to think the complaint was incurable, when I was telling my trouble to a barber, and he said that he would guarantee to cure me. He told me to take a hot bath, use Cuticura Soap, and then apply Cuticura Ointment. I took his advice, and, sure enough, the itch vanished. I had probably been troubled with the itch for two or three months before I tried Cuticura Soap and Ointment, and they completely cured me of that intolerable nuisance. After one warm bath with Cuticura Soap and use of the Cuticura Ointment I was never troubled with the itching again. Anything in this testimonial I would be prepared to swear to in a court of law." (Signed) J. E. Hooper, 268 Parliament Street, Toronto, Jan. 10, 1911.

For more than a generation Cuticura Soap and Ointment have afforded the speediest, simplest and most economical treatment for skin and scalp humors. Sold by druggists and dealers everywhere. An Easy Pill to Take.—Some persons have repugnance to pills because of their nauseating taste. Parlee's Vegetable Pills are so prepared as to make them agreeable to the most fastidious. The most delicate can take them without feeling the revulsion that follows the taking of ordinary pills. This is one reason for the popularity of these celebrated pills, but the main reason is their high tonical quality as a medicine for the stomach.

Some people who tell everything they know don't have much to say.
