

## RINGING THROUGH BONAVENTURE CO.

SPLENDID WORK DODD'S KIDNEY PILLS ARE DOING.

Mrs. Norman L. Dow Tells What They Have Done for Her—People Talking of Them on Every Side.

Port Daniel West, Bonaventure Co., Que., Mar. 11 (Special).—Bonaventure County is ringing with the great work done by Dodd's Kidney Pills, and on every side people are telling their neighbors of aches relieved and ills cured by the great Canadian kidney remedy. To the great mass of evidence already published is now added that of Mrs. Norman L. Dow of this place:—

"I can recommend Dodd's Kidney Pills as an excellent remedy for rheumatism and palpitation of the heart," said Mrs. Dow. "After using one box I was greatly benefited."

Dodd's Kidney Pills cure rheumatism and palpitation of the heart, because they both come from the same cause—impure blood. Dodd's Kidney Pills make the kidneys right, and when the kidneys are right they strain all the poison and impurities out of the blood. Cure the kidneys with Dodd's Kidney Pills and you can't have such diseases as rheumatism or palpitation of the heart.

### NO BREAKFAST QUESTION.

Old Health Authority Said English Climate Required It.

Thomas Cogan, in "The Haven of Health," published in 1583, discusses the no breakfast question at considerable length. "Touching breakfasts, whether or no they are to be used, it may be some question, because they are not mentioned in Gaier and other ancient authors of physick, neither are they appointed by order of the universities, but only two meals of the day spoken of, which be dinner and supper. But the temperature of this our country is such that I think it good for Englishmen not to be long fasting. Yet some may better bide without than t'others. Children and young men until they come to the age of 35 may not be long fasting without inconvenience. Men of middle age, that is from 35 to 49, may better beate it. Old men, being not decrepitate, that is from 50 to 70, may best of all abide fasting, but after 70 years they are to be dieted as children."—London Chronicle.

White—"Have you any trouble in making both ends meet?" Green—"Not a bit. The end of my money and the end of the week always come at the same time."

## Shiloh's Cure

HEALS THE LUNGS PRICE, 25 CENTS

More than half the persons killed on the railway lines each year are trespassers.

If a cough makes your nights sleepless and weary, it will worry you a good deal, and with good cause. To dispel the worry and give yourself rest try Bickle's Anti-Consumptive Syrup. It exerts a soothing influence on the air passages and allays the irritation that leads to inflammation. It will subdue the most stubborn cough or cold, and eventually eradicate it from the system, as a trial of it will prove to you.

### THEIR ONLY USE.

"What's the matter with you?" "Got dyspepsia." "Don't you enjoy your meals?" "Enjoy my meals?" snorted the indignant dyspeptic. "My meals are merely guide posts to take medicine before or after."

### A HAGGARD STORY.

Mr. Rider Haggard tells a good story about the premature publication of an obituary notice of himself. Hearing that a ballet based on "She" was to be produced in Hungary, he wrote asking for programmes and photographs. A reply came that the manager was shocked at the request, for he had believed the illustrious Herr Author to be dead. Long obituaries had appeared in the Hungarian journals. Mr.

Mr. H. Rider Haggard.

Haggard then wrote and asked that a contradiction might be circulated, but the manager reported that the editors refused to insert it, as they believed it to be an unscrupulous attempt to obtain a free advertisement for the ballet.

### SALT RHEUM FOR 6 YEARS.

Zam-Buk Has Cured Him.

For over six years Mr. William H. Birt, of Pisquid, P.E.I., suffered from salt rheum. He says: "The disease attacked my arms and hands, and the fore-finger of my right hand was the worst."

"I was engaged as a blacksmith by the Bruce Stewart Co., of Charlottetown, and sometimes every stroke of the hammer would cause the finger to bleed freely. I tried various ointments and salves, and then went to several doctors in and around Charlottetown."

"One medical man, after treating me for some time said he did not think I could ever be cured. Trying one thing and another I spent over \$50.00; and all in vain."

"I saw an account of some of the great cures which Zam-Buk has worked and decided to try it. The first box did me a lot of good, and the finger showed traces of healing, so I kept up the Zam-Buk treatment, and a few boxes worked a cure."

Reader, if you have any skin disease, cut, burn, cold sore or skin injury, try Zam-Buk. It is absolutely unique as a healer. Drug-gists and stores everywhere at 50c box, or post free from Zam-Buk Co., Toronto, for price.

He—"Do you know that you are looking me through and through?" She—"What an idea! I was gazing into space."

Faultless in Preparation.—Unlike any other stomach regulator, Parmelee's Vegetable Pills are the result of long study of vegetable compounds calculated to stimulate the stomachic functions and maintain them at the normal condition. Years of use have proved their faultless character and established their excellent reputation. And this reputation they have maintained for years and will continue to maintain, for these pills must always stand at the head of the list of standard preparations.

### READING BY SHARK-LIGHT.

Since deep-sea dredging began, more than six hundred species of deep-sea fishes have been discovered, all of a more or less wonderful nature; but it is very rarely that large fishes are taken. The net on the bottom, dragged along by a wire three or four miles long, catches only the very sluggish forms; the large and active animals dart away and escape as the strange object comes bumping along over the bottom, or ploughing through the ooze. Off the coast of Scotland a curious ribbon-fish, with a length of more than forty feet, has been caught—a beautiful creature, of satin texture, with scarlet fins. That this fish comes from the deep sea is almost positive. While the larger creatures of the deep sea are not well known, the conditions in which they live are well understood. The ocean-bed has been reached with a net in about six miles of water, and that there are valleys and depressions of greater depth may well be imagined.

### BUY SALT AT TOBACCONIST'S.

If you want to buy salt in Italy you must go to a tobacco shop to get it; for both salt and tobacco are government monopolies. In France you can buy stamps and postcards at tobacco shops, which are under government jurisdiction there as well. In both countries you can send telegrams at as low a rate as 14 cents for 10 words, and special delivery letters will go for six cents in Paris if you remember to write across your envelope "Pneumatique," which means that the letter will be shunted through a pneumatic tube in no time at all, and delivered almost as soon as a telegram.

A simple and good rule to remember and to follow is to buy nothing in the baking powder line unless all the ingredients are plainly printed in English on the label. This information is stated on every package of Magic Baking Powder. All Grocers sell it.

## Cured of Shingles and Eczema

Mr. J. H. Jarvis, Kingston.

By Cuticura Soap and Ointment. Chest Raw, Bleeding and Itchy.

"I just want to say a good word for Cuticura Soap and Ointment. In November, 1909, I had what the doctors call shingles and eczema. My chest was raw and bleeding and itchy. I was that way all winter. It was not so bad in the summer. In September it got worse. I had the best doctors treating me, but did me no good, and I was all run down in health. In November, 1910, it got worse again. I sent to you for a sample cake of Cuticura Soap. You sent it to me and I got a box of Cuticura Ointment. I have used two boxes and on the third one it has cured me of shingles and eczema. I am delighted with them and do feel pleased to think I have something I have confidence in. Should anyone be suffering as I did, I hope that they will do as I did, and I am sure of the results. I am recommending them from experience." (Signed) J. H. Jarvis, 7 Ann St., Kingston, Ont., May 30, 1911.

For more than a generation Cuticura Soap and Cuticura Ointment have afforded the speediest and most economical treatment for itching, burning, scaly and bleeding skin and scalp humors, of young and old. A single set is often sufficient. Cuticura Soap and Ointment are sold throughout the world, but to those who have suffered much, lost hope and are without faith in any treatment, a liberal sample of each with 32-p. booklet on the skin will be mailed free, on application. Impurities of the Blood Counteracted.—Impurities in the blood come from defects in the action of the liver. They are revealed by pimples and unsightly blotches on the skin. They must be treated inwardly, and for this purpose there is no more effective compound to be used than Parmelee's Vegetable Pills. They act directly on the liver and by setting up healthy processes have a beneficial effect upon the blood, so that impurities are eliminated.
