

The time has come when, if any rater-payer in this school section takes exception to the business methods of the trustees of this section, they are told that they go to the school meeting to find fault. The trustees think that their actions are above criticism. Dinner pails can be kicked through window glass, broom handles broken and the handle of the caretaker's garden rake broken and no fault found. An item appearing in the Gazette in the correspondence from Powles' Corner of March 15th was branded as a slur on the school.

Mrs. M. A. Hopkins of Peterborough returned to her home last week after spending about two weeks here with relatives.

Mr. Levi Hill left here last Wednesday morning for Spragge in Algoma district. Mr. Jno. Newberry of Penetang, and Mr. Herb Ingram of Toronto called on friends in this locality first of the week.

The Epworth League of Fenelon Falls entertained the League of here on Wednesday evening. Refreshments were served after the program.

Mr. E. Kendall is a very busy man this winter. Assisted by Mr. Sam Moore they cut and drew over two hundred saw-logs to Sturgeon Lake, besides a lot of wood he has taken to Lindsay, and nearly one hundred cords cut and piled up for 1913.

**WHAT GOVERNOR HUGHES THINKS**

"If we had, through the misfortune of war, or the sudden rise of pestilence, or through some awful calamity, the destruction of life that annually takes place in account of the spread of this disease (Tuberculosis), we should be appalled, and mass meetings would be held in every community and demand would be made that the most urgent measures should be adopted. It is only because we are accustomed to this waste of life, and are prone to think it a dispensation of Providence, that we go on about our business, little thinking of the preventive measures that are possible."

Peterborough Review: A quiet wedding was celebrated in Douro on the evening of March 6th, at the home of Mr. and Mrs. Francis Arscott, when their adopted daughter, Myrtle Rose, was united in marriage to Mr. Sidney Revoy, of Peterborough, in the presence of a number of relatives and friends, Rev. J. E. Fee officiating. The bride was attended by her sister, Miss Ethel May Nurse, of Emily, while the groom was supported by Mr. Howard Arscott, of Fenelon Falls. Mr. and Mrs. Revoy will reside in East City.

Be sure you go to Burgoyne's Big Sale on Saturday and every day to the end of the month.

**International Calf Meal**

It is a well-known fact that calves that are allowed to suckle their mothers develop into larger, healthier and more vigorous animals than those that are raised on skim milk alone, unless the Protein, Sugar and Fat that is removed in the form of cream is replaced. This can be done at a small cost by the use of INTERNATIONAL CALF MEAL which contains just the proper proportions of Protein, Carbo Hydrates and Fats to produce the Ideal Calf food when mixed with skim milk according to our directions.

**International Stock Food**

Is a good thing to feed your stock in the spring. Acts just like a spring tonic does on a man. It saves its cost many times over. It improves digestion and gives life, strength and vigor and tones up horses and cattle in great shape.
