

ALL COME FROM THE SAME CAUSE

WHY DODD'S KIDNEY PILLS CURED MME. DUFAULT'S ILLS.

She Had Diabetes, Sciatica, Backache and Headache, but Found Speedy Relief in the Great Canadian Kidney Remedy.

St. Boniface, Man., May 6. (Special).—After suffering for three years from a complication of diseases, Madame Oct. Dufault, of 84 Victoria-street, this city, is once more in perfect health and Dodd's Kidney Pills are credited with another splendid cure. Speaking of her cure, Madame Dufault says: "Yes I am again a well woman, and I thank Dodd's Kidney Pills for it. I suffered for three years and I may say I had pains all over my body. I had sciatica, neuralgia and diabetes. My back ached, and I had pains in my head. I was nervous and tired all the time; there were dark circles around my eyes which were also puffed and swollen, and heart fluttering added to my troubles.

"But when I started to use Dodd's Kidney Pills I soon began to get better. I took thirteen boxes in all, and I think they are a grand medicine."

Every one of Madame Dufault's ailments is a direct result of diseased kidneys. That's why Dodd's Kidney Pills so quickly cured them all.

A Thorough Pill.—To clear the stomach and bowels of impurities and irritants is necessary when their action is irregular. The pills that will do this work thoroughly are Parmelee's Vegetable Pills, which are mild in action but mighty in results. They purge painlessly and effectively, and work a permanent cure. They can be used without fear by the most delicately constituted, as there are no painful effects preceding their gentle operation.

More young men might manage to earn a living if their fathers declined to do it for them.

Somebody has discovered that the hobble skirt does not prevent a woman from jumping to conclusions.

It Will Cure a Cold.—Colds are the commonest ailments of mankind and if neglected may lead to serious conditions. Dr. Thomas' Electric Oil will relieve the bronchial passages of inflammation speedily and thoroughly and will strengthen them against subsequent attack. And as it eases the inflammation it will stop the cough because it allays all irritation in the throat. Try it and prove it.

It is Criminal to Neglect the Skin and Hair

THINK of the suffering entailed by neglected skin troubles—mental because of disfiguration, physical because of pain. Think of the pleasure of a clear skin, soft, white hands, and good hair. These blessings, so essential to happiness and even success in life, are often only a matter of a little thoughtful care in the selection of effective remedial agents. Cuticura Soap and Cuticura Ointment do so much for poor complexions, red, rough hands, and dry, thin and falling hair, and cost so little, that it is almost criminal not to use them.

Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a postal to "Cuticura," Dept. 5M, Boston, U. S. A., will secure a liberal sample of each, with 32-page booklet on Skin and Scalp Treatment.

TWO EFFECTIVE COAT SETS.

Last season's suit may be given an up-to-date appearance by the addition of a set of new collars and cuffs, as shown in the illustration.

The upper set is of black and white striped taffeta, with over-set of Irish lace. Below this is a wide collar of white flannel, trimmed with tiny buttons to match the suit.

Tommy, aged ten, had a sister named May, of whom he was very fond. May had also a lover who was very fond of her. One night when their grandfather called he asked Tommy—"What do you call May's young man?" "I call him 'April showers,'" said Tommy. "Why," asked the old man, "what on earth makes you call him such a silly name as that?" "Well, you see," said Tommy, "he brings 'May flowers.'"

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea, and have to use great precaution to avoid the disease. Change of water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

THE PROBLEM SOLVED.

In sinking a shaft at a colliery near Doncaster, England, water was encountered. It was pumped out at the rate of 7,000 gallons a minute, but the supply seemed inexhaustible, and the engineers were about to give up. But some German engineers came to the rescue. They bored holes around the shaft to a depth of 400 feet, lined these with steel tubes, and pumped down a freezing mixture, which soon turned the ground and the water into a great block of ice. Through this the boring was continued as through rock; then the shaft was lined with iron plates. This done, warm water was pumped down the tubes to thaw out the ground gradually. The frost wall was so strong that it has required three months to thaw.

NOTES OF THE SHEEPFOLD.

If the lambs are to be fattened for market start them on little grain just as soon as they will learn to eat it and feed until they go to the block.

Prime fat lambs cannot be produced by alternate grass and grain. They must be pushed to la; on fat from start to finish.

A sheep is the most nervous animal on the farm and gets into low condition quickly and recovers slowly. Therefore, they must be handled gently and kept in quiet, clean surroundings.

BADLY ULCERATED LEG.

Zam-Buk Cured Her when so Bad She Had to Use Crutches.

For varicose sores, bad leg, or chronic ulcers, Zam-Buk is without equal as a healer. A proof of this is just to hand from Montreal. Mrs. T. Edwards, of 164 Amherst St., writes: "Some time ago a bad sore broke out on my left leg near the ankle. For a week or two I did not heed it, but it got so bad that I could hardly walk. I sent for our doctor, and he told me that I would have to lay up with the wound. I did so for three weeks. At the end of that time the ulcer healed a little, but I could only move about by using crutches.

"The sore then broke out badly, and the doctor told me that the only thing that would cure it would be an operation, and that I should have to lay up for a year.

"My son had cured a bad cut on his finger by using Zam-Buk, and he advised me to give this balm a trial. I did so, and in less than a week's time it stopped the pain, which had been so bad that many nights I did not get a wink of sleep. In a very short time the wound was so much better that I was able to move about and do my work. I persevered with Zam-Buk, with the result that the wound is now perfectly cured, and the limb is as sound and strong as ever."

Zam-Buk is just as good for piles, abscesses, boils, scalp sores, blood poison, festering wounds, cuts, burns, scalds, eczema, eruptions, and all skin injuries and diseases. All druggists and stores 50c. box, or Zam-Buk Co., Toronto, for price.

INDEMNITY REPAID.

A German statistician declares that the war indemnity of \$1,000,000,000, paid by France to Germany in 1871, has been almost completely repaid, as German losses at French gambling resorts have amounted to \$12,500,000, a year.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.

A Pleasant Purgative.—Parmelee's Vegetable Pills are so compounded as to operate on both the stomach and the bowels, so that they act along the whole alimentary and excretory passage. They are not drastic in their work, but mildly purgative, and the pleasure of taking them is only equalled by the gratifying effect they produce. Compounded only of vegetable substances the curative qualities of which were fully tested, they afford relief without chance of injury.
