

BORDERING ON THE MIRACULOUS

JOHN McELROY'S HEART TROUBLE CURED BY DODD'S KIDNEY PILLS.

Could Not Work all Summer, and Doctor Failed to Help, but Cure Was Quick When He Used Dodd's Kidney Pills.

Benton, N.B., May 13 (Special).—Bordering on the miraculous is the cure of John McElroy, a young man well-known here. He was suffering from heart trouble and was so bad that all last summer he was not able to do a day's work. Dodd's Kidney Pills cured him. In telling the story of his cure, Mr. McElroy says: "I went to a doctor who said I had palpitation, but his medicine did not seem to reach the spot. I suffered for over a year and all last summer I was not able to do a day's work. My sleep was broken and unrefreshing. I felt heavy and sleepy after meals and I was always tired and nervous. I perspired freely with the least exertion. "After I had finished taking the doctor's medicine, and as I felt no better, I read in an almanac what Dodd's Kidney Pills could do and made up my mind to try them. Before I had finished the first box I felt different, and by the time the second was half gone I was working in the woods and doing good work."

CORRECTED.

"Did you say I was a dead beat?" "Nope. I never said you were dead."

A Purely Vegetable Pill.—The chief ingredients of Parmelee's Vegetable Pills are mandrake and dandelion, sedative and purgative, and have a most healthful effect upon the secretions of the digestive organs. The dyspeptic and all who suffer from liver and kidney ailments will find in these pills the most effective medicine in concentrated form that has yet been offered to the suffering.

Experience is costly, but there is invariably a slump in the market when you try to dispose of it.

WAS WISE.

Mrs. Greig—"What are you burning, my dear?"

Mr. Greig—"The letters I wrote you before we were married."

Mrs. Greig—"You heartless wretch! Have you no sentiment, no—?"

Mr. Greig—"Please be quiet. I'm doing this for your sake. I'm trying to fix things so that if I die nobody can dispute my will on the ground of insanity."

"Tall women nearly always marry short men." "I have noticed it; I wonder why it is?" "Short men can't run fast."

NEW PARIS PROFESSION.

Footless Man Made \$100,000 Taking People Across Streets.

The "cul-de-jatte" does not exist in London, and there is not even a name in England for him, but in Paris he is a not unusual spectacle. There are, in the Paris streets, a number of men who for some reason have been obliged to suffer amputation of both legs from the trunk, and who beg for public charity on little carriages on which they wheel themselves about with extraordinary skill, using their hands as propellers. It is an unwritten police rule in Paris that all traffic must be stopped whenever a "cul-de-jatte" wishes to cross the road, and in these days of motor cars and taxicabs the rule is a good one.

But the "cul-de-jatte" has discovered that many people who are uncrippled have more difficulty than he in getting from one pavement to another, and he has turned his deformity into a money-maker. Every day at crowded street corners one may see one of these unfortunates on his little carriage heading a crowd of timid folk across the road while the policemen at each side keep back the traffic. When they are safely on the other side the "cul-de-jatte" takes off his cap and asks for "ferry money." He rarely collects less than 18 pence, and as he repeats the performance twenty or thirty times a day the simplest calculation will show that his trade is a good one. It is true that it needs special accomplishments. One of these cripples died in Paris recently leaving a fortune of \$100,000.

Dr. J. D. Kellogg's Dysentery Cordial is a speedy cure for dysentery, diarrhoea, cholera, summer complaint, sea sickness and complaints incidental to children teething. It gives immediate relief to those suffering from the effects of indiscretion in eating unripe fruit, cucumbers, etc. It acts with wonderful rapidity and never fails to conquer the disease. No one need fear cholera if they have a bottle of this medicine convenient.

CHEAP OCEAN TRAVEL.

The voyage to England now costs on the best ships about half the rate charged by the Britannia, the first mail steamer to cross the ocean, 70 years ago. One can go first-class for three cents a mile; second-class for half of that, and third-class—with better accommodation than the best in the Britannia's day—for about 80 cents a hundred miles, and these rates include meals. Compare them with the standard railway passenger costs and meals in the dining-car or station eating houses extra.

HIS VERSE.

A little boy who had reached the age when boys feel that a watch is the one thing that makes life worth living, was told that for the present a watch could not be given to him.

But Edward continued to tease for one, until the whole family were wearied. Then his father, after explaining that he should certainly have a watch when he was older, forbade him to mention the subject again.

The next Sunday, the children, as was their custom, repeated Bible verses at the breakfast-table. When it was Edward's turn, he astonished them all by saying:

"What I say unto you, I say unto all: Watch!"

MINISTER PRAISES ZAM-BUK.

Tells How It Cured His Wife's Bad Sore.

Rev. Henry J. Munton, of Blackfolds, Alta., writes: "My wife had a very bad sore foot, which it seemed impossible to get anything to heal. The sore would heal to a certain point and then fester again, and so on. I procured a box of Zam-Buk, and after persevering with this herbal balm for some time the sore was completely healed."

"I have since recommended Zam-Buk to several of my parishioners, and it always gives satisfaction."

Another instance in which Zam-Buk proved of unequalled value is told by Mr. N. L. Gerry, of Brandon, Man. He says: "I had my left foot run over by a wagon loaded with wheat. The foot was very badly crushed, and my little toe and the next toe were laid open. I applied Zam-Buk, and only had to miss work for two days. Zam-Buk healed the wound so quickly that on the third day I was able to put on my boot and walk to my work. In a very short time my toes were quite healed, and the foot is now as sound as ever, thanks to Zam-Buk."

Just as good for chronic sores, ulcers, piles, blood poison, burns, scalds, eruptions, eczema, and all skin injuries and diseases. 50c. box at all druggists and stores, or Zam-Buk Co., Toronto. Try Zam-Buk Soap, too, 25c. per tablet.

WELL DEFINED.

"What is an optimist?" "A man who thinks that if he puts 'Rush' on a letter it will be delivered sooner than it would otherwise."

It Rubs Pain Away.—There is no liniment so efficacious in overcoming pain as Dr. Thomas' Electric Oil. The hand that rubs it in rubs the pain away and on this account there is no preparation that stands so high in public esteem. There is no surer pain-killer procurable, as thousands can attest who have used it successfully in treating many ailments.

"Keep out of debt, young man," said the philosopher. "People will think better of you for it." "Perhaps," was the thoughtful reply; "and yet I've noticed that the more I owe people the gladder they always seem to see me."

Relief for Suffering Everywhere.—He whose life is made miserable by the suffering that comes from indigestion and has not tried Parmelee's Vegetable Pills does not know how easily this formidable foe can be dealt with. These pills will relieve where others fail. They are the result of long and patient study and are confidently put forward as a sure corrector of disorders of the digestive organs, from which so many suffer.

Skin All Covered With Eruption
N. Henri Tardif.
Tried Many Remedies 3 or 4 Years. Cuticura Soap and Ointment Cured.
A Quebec man, N. Henri Tardif, of St. Casimir, writes in a letter dated Mar. 31, 1911: "I had a very bad skin, all covered with eruption, eight years ago. I have had all of both my shoulders covered with it, and the high part of my arms, and my face, but it was the worst on my shoulders. I tried many different remedies to cure it, but nothing was any good. At last I went to an apothecary. He asked me if I had ever used Cuticura Soap and Ointment. I told him no, and I bought a box of Cuticura Ointment and a cake of Cuticura Soap. I used three boxes of Cuticura Ointment, but I am glad of the same, for Cuticura Soap and Ointment completely cured me of my skin eruption. I spread the Cuticura Ointment on all my sore parts, and I think that in washing my face with the Cuticura Soap, it hindered my eruption from itching and burning. I tried many remedies during three or four years but Cuticura Soap and Ointment cured me." (Signed) N. Henri Tardif.
Cuticura Soap and Ointment are sold throughout the world, but to those who have suffered much, lost hope and are without faith in any treatment, a liberal sample of each with a 32-p. booklet on the skin and scalp will be mailed free, on application.
