

**COMES FROM NOVA SCOTIA THIS TIME**

**ANOTHER SPLENDID CURE BY DODD'S KIDNEY PILLS.**

R. Moulaison, whom two doctors treated, finds relief and permanent cure in Dodd's Kidney Pills.

Surette Island, Yarmouth Co., N.S., May 20 Special—Mr. Renie Moulaison, a well known resident here, is telling his neighbors of his cure from a severe attack of Kidney Disease which kept him in a state of pain and suspense for two months and defied the efforts of two doctors who were treating him.

"My trouble started with a cold," Mr. Moulaison says. "My muscles would cramp and I had backache and dizzy spells. My head ached, and I had a tired, nervous feeling while specks of light flashed in front of my eyes.

"I suffered in this way for over two months and was treated by two doctors, but they didn't seem to be able to do much for me. Then I started to take Dodd's Kidney Pills and they helped me almost at once. Six boxes cured me."

Dodd's Kidney Pills always cure the Kidneys. Cured Kidneys strain all the impurities out of the blood. That makes pure blood and good health.

All men are born free and equal, but most women are slaves to fashion.

Very many persons die annually from cholera and kindred summer complaints, who might have been saved if proper remedies had been used. If attacked do not delay in getting a bottle of Dr. J. D. Kellogg's Dysentery Cordial, the medicine that never fails to effect a cure. Those who have used it say it acts promptly, and thoroughly subdues the pain and disease.

**WHY IT FAILED.**

"I used to think I would know just how to manage my wife when I got her."

"Has your system proved to be a failure?"

"No; the system may be all right, as far as I know. She has never let me try it."

**IN COMMON TROUBLE.**

"I always make it a practice to let to-morrow take care of itself." "That's easy enough, but it's troubling yesterday that causes trouble for so many of us."

The Oil for the Athlete.—In rubbing down, the athlete can find nothing finer than Dr. Thomas' Electric Oil. It renders the muscles and sinews pliable, takes the soreness out of them and strengthens them for strains that may be put upon them. It stands pre-eminent for this purpose, and athletes who for years have been using it can testify to its value as a lubricant.

**'MARVELOUS' CURES OF SKIN ERUPTION**

Four Children Constantly Scratching. Nearly Tore Limbs Off. Cured in a Month by Cuticura Soap and Ointment

"Two of my daughters and two of my sons were suffering from very bad heads, the doctor ordering my daughters to have all their hair cut off so as to prevent it from spreading all over their heads, and to get to the seat of the trouble in order to be able to rub some ointment, which he gave them, well into the sores. These sores started in small blotches which got larger and larger and then burst and spread all over their heads, and in some cases down their backs and bodies. The doctor said it was eczema, but they seemed to be daily getting worse. The sores formed like little boils, then filled with matter, and looked like abscesses. They became all inflamed and irritated, causing them to be constantly scratching themselves. This made the sores burst, and the matter flowed all over their heads. We had to cut their finger nails and at times to put gloves on their hands, the irritation was so bad, to keep them from digging into the flesh, and at night they would nearly tear their limbs off. The sores would be literally covered with blood.

"The teachers would not let them attend school for fear of infection spreading among the other children, so I resolved to try the Cuticura Remedies, which I found to benefit my children greatly. I continued with the Cuticura Soap and Cuticura Ointment for one month, and the result is a marvelous cure." (Signed) George Arthur Robinson, 37, Fitzwilliam St., Hoyland Common, nr. Barnsley, Yorks., Eng., Jan. 3, 1911.

Although Cuticura Soap and Ointment are sold throughout the world, a liberal sample of each, with 25¢ book on the skin will be sent free, on application to Potter D. & C. Corp., 46 Columbus Ave., Boston, U. S. A.

**SIR WM. WHYTE.**

Sir W. Whyte, who is a genial man with a keen sense of humor, tells these two stories of himself. A young reporter who had just come to Winnipeg was sent to the C. P. R. offices for news. He was energetic and enterprising and managed to make his way up to Sir William's office, his secretary being out of the ante-room at the time. "Anything fresh this morning?" said he briskly to the grey-haired official. "Nothing that I can see except you," replied the vice-president with a smile.

spection he stopped at a little station, and going into the room of the operator, who was a new employe, enquired, "Are there telegrams for me?" The young man glanced up, not knowing to whom he was speaking, and said in a sarcastic tone: "Did you think your picture would be on them?" "My name is William Whyte," replied the big man quietly. The operator fell over himself.

**CURE FOR CONSUMPTION.**

Such is the recuperative power contained in Copeland's Cure for Consumption that even the most advanced cases have been cured by its beneficial action. It can be taken by the weakest patient, to whom it gives a fighting strength as nothing else will. The appetite comes back. The weakening perspiration is stopped. The lungs and respiratory organs are healed at the same time. Its efficacy to fight consumption, weak or bleeding lungs, lingering coughs and bronchitis is proven beyond doubt not by what I state, but by what is stated by those who have taken it for those ailments and have been cured. Copies of testimonials of those who, after being given up by doctors and specialists, as only having a few days to live, and are alive and well to-day, are sent on request. Price \$1 per bottle at your druggist, or direct from Wm. Copeland, 511 Pape Ave., Toronto, Canada.

About one man in a hundred can stand prosperity. The other ninety-nine never have a chance to find out whether they can or not.

**WERE CLEVER SMUGGLERS.**

English smuggling has stories as amusing as the recent Italian incident. There is, for instance, that of the gloves on which duty was never paid. An agent bought the consignment abroad and shipped over only the left-hand ones to England. These were duly seized by the customs and eventually put up for sale. No one wanted odd gloves, and it was easy for those in the plot to acquire them at a nominal price. Then, after a suitable interval, the right-hand gloves came over, similarly sold and—found their long-lost partners.

**HAVE YOU A SKIN RASH?**

**Zam-Buk Will End It.**

For skin rashes, eruptions, eczema, etc., either in adults or children, there is nothing known to science which equals Zam-Buk in the quickness and certainty of its curative power. Mr. Raymond Webber, of Allanburg, Ont., writes: "I have tried Zam-Buk for many ailments, and every time have found it successful. Some time ago I had a bad rash all over my body. I tried home-made salves, herb salves, and various home-made preparations, and these proved of no use, but when I tried Zam-Buk I was cured in a quarter of the time that I had been experimenting in vain with other preparations.

"My boy had boils, and once again Zam-Buk brought about a complete cure. We have also used it as a household balm and it always gives us full satisfaction."

Zam-Buk owes its unique healing power to certain herbal extracts it contains. Unlike most ointments it contains no poisonous coloring matter, no animal fat, but is purely herbal. For eczema, piles, blood poison, abscesses, ulcers, cuts, burns, and all skin injuries and diseases it is without equal. 50c. box all druggists and stores. Use also Zam-Buk Soap, 25c. tablet.

Minard's Liniment Co., Limited, Yarmouth, N. S. Gentleman.—In January last, Francis Leclaire, one of the men employed by me, working in the lumber woods, had a tree fall on him, crushing him fearfully. He was, when found, placed on a sled and taken home, where grave fears were entertained for his recovery, his hips being badly bruised and his body turned black from his ribs to his feet. We used MINARD'S LINIMENT on him freely to deaden the pain and with the use of three bottles he was completely cured and able to return to his work. SAUVEUR DUVAL, Elgin Road, L'Islet Co., Que.

**TAKE IT IN BITS.**

"No one has any more right to go through life unhappy than he has to go through it ill-bred," says Stevenson. When we remember what the writer's own life was, and what a brave battle he made against pain and discouragement, practising his own doctrines of good cheer to the last, it adds force to his words. He learned to find pleasure in the out-of-way places and to take it in bits as it came to him. The trouble with most of us is that we want our happiness in large quantities all at once, and we trample upon the little flowers of sweetness that spring all along the way.

In trying to carve his fortune many a man uses poor tools.
