

"The Honey Bee" a bulletin for the use of persons who wish to learn how to begin and continue the industry of bee-keeping, has just been issued. The author is Dr. C. Gordon Hewitt, Dominion Entomologist. Copies of the bulletin may be had free by applying to the Publications Branch, Department of Agriculture, Ottawa.

The new order providing for the detention of horses at British ports will come into operation on January 1st next. The order is designed to prevent the introduction of various equine diseases. All animals, except such as may be exempted for special reasons under licences issued by the London Board of Agriculture, will be detained and tested before being allowed to proceed to their destination.

Solomon had seven hundred wives, but we have no evidence that any of them could cook to suit him.—S. E. Kiser.

There never was a piece of literature yet you couldn't, if you cared to stretch a point, call indecent.—H. G. Wells.

I like extravagance. Economy, anyhow, is only a way of spending money without getting any fun out of it.—Eleanor Sears.

Stray Heifers.

Come on to my premises, about May 1st, one yearling and one two-year old heifer. Owner can have same by proving property and paying charges.—Chris. Lamb.

"Our Personal Advice to all Skin Sufferers."

A. J. Gould, Druggist.

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the effective eczema remedy, you can depend upon it that we give our advice, not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: if you are suffering from any kind of skin trouble, eczema, psoriasis, rash or better, we want you to try a full size bottle of D. D. D. Prescription.

That Boy of Yours—

It seems like yesterday that mother mourned the transition from skirts to trousers—his rocking-horse will soon give place to the baseball and the pigskin. He is developing, changing every day, and you haven't had his picture taken in more than a year—yes, it's two years last Christmas.

J. H. STANTON

SANITOL
Tooth Preparations are different. Their absolute Purity is as essential to good health as Pure Food or Pure Water.
SANITOL TOOTH PASTE 25c
Is pure white and contains no coloring matter. Not only thoroughly cleanses the teeth and keeps gold fillings bright, but permanently destroys the germs of decay.
SANITOL TOOTH POWDER 25c
Contains antiseptic properties which cleanse and whiten the teeth as no other dentifrice can. It arrests decay and tones up the entire mouth and gums, leaving a refreshing coolness and a lasting benefit. 2369
