1. Fresh air day and night.
2. Daily exercise.
3. Moderation in eating and drinking.
4. One hot bath weekly and a cold one daily.
5. A dry, spacious and sunny dwelling.
6. Scrupulous cleanliness.
7. Comfortable and not over heavy clothes.
8. Regular and intensive work, which acts as a preventive against ills of body and mind.
9. Rest after labor must not be sought in distractions. Night was intended for sleep.
10. The chief conditions for good health are a life fruitful in labor and ennobled by good actions.

BORN.

COCHRANE.—In the township of Fenelon, on Tuesday, October 22nd, 1912, to Mr. and Mrs. Robt. Cochrane, a daughter.

Cause of Eczema Explained

After years of debate medical authorities are now agreed that Eczema and other skin diseases are not seated in the blood, but are caused by myriads of microscopic animals gnawing the flesh just below the epidermis. The patient is perfectly healthy, it is only the skin that is diseased. Hence, scientists are now agreed that you must cure the skin through the skin. The medicine must be in liquid form in order to penetrate properly. And we can say with confidence that we have the true remedy for eczema in our store—the D.D.D. Prescription.

The instant you wash with this soothing liquid you will find the itch relieved. We positively assure you of this. Will you try a bottle on our recommendation? Besides the regular Dollar Bottle we can now offer you, through an arrangement with the D.D.D. Laboratories, a special large trial bottle at only 25c. We are not sure how long this offer will be open—but it is open to-day, and by taking it up you can get instant relief from that awful itch and an early cure.

CONDITION POWDERS

How is your horse looking?
Is his coat sleek and glossy?
Is he full of life and action?
Or is his hair stiff and dirty looking?
Is he moving slowly in a tired fashion?
Do his eyes indicate good health?
A horse often needs a bitter tonic as well as does a man.

We keep all of the best makes of condition powders, but recommend Nyal's, International and Royal Purple, as from past experience we have found that these brands give entire satisfaction.

They are just as good for cattle, sheep and hogs.
