### COMMUNICATIONS.

To the Editor of the Gazette:

Dear Sir,—

Ever since the Curlers' entertainment a few days ago, there is a question in my mind which I have been trying to answer, namely, "What is the matter with the people of Fenelon Falls, the good loyal citizens of Fenelon Falls?"

I refer to the manner in which we sang, or rather did not sing our National Anthem on that occasion. The signal for leaving the hall, or putting on our coats, is not, as so many of us seem to think, when the performers leave the stage, but after we, the audience, have sung the National Anthem.

I know it is late, and we are in a hurry to go home, but do you know how long it takes to sing the National Anthem? If you take out your watch, and time yourself you will find, unless you actually go to sleep, that it won't take you one minute. A trifle over half a minute is good enthusiastic time.

A year ago last September some of us had a terrible scare. We thought reciprocity was going to carry and inevitably we would be annexed to the States. Now, were we really frightened or only pretending? If we had to sing "God save our President," or "The Star-spangled Banner" it might be expected to stick in our throats, but there is no reason why our National Anthem should, or that we should

show contempt by rushing out of the hall while the orchestra is playing it.

This is not the first time that this occurred. It seems to be becoming the regular thing and I think everyone will agree that it is time for a change.

Anyway, the National Anthem is a prayer and, as such, demands that, if we cannot take part, we must at least listen with due respect and reverence.

Once more I ask, what is the matter? Thoughtlessness, carelessness, apathy? Let us wake up! We all know better. Then let us do it.

Thanking you, Mr. Editor.

Yours truly,  
ONE OF THE AUDIENCE
