The King of Ranges— "BUCK'S HAPPY THOUGHT"

One Hundred and Fifty Thousand Canadian Women have decided for

The "Happy Thought" Range.

Common Ranges were not good enough—why should they be for you?

Don't be imposed on by "just as good" talk. The construction of The "Happy Thought" is patented, its design registered, it is totally different in every respect to any other. There is none like it. There can be none so good. If you only knew the time, the trouble, the labor it would save you, how little fuel it uses, you would not be one single day without one.

Farmers Declare for Peace.

From the Grain Growers' Guide.

Of all the splendid work that the organized farmers have done for the cause of genuine democracy, nothing entitles them to such a prominent place in the history of civilization as the bold and patriotic declaration in favor of peace, disarmament and arbitration made by the Grain Growers' convention at Brandon last week. Manitoba has been deluged with newspapers and all kinds of literature painting the glories of either the Conservative or the Liberal scheme for taking millions upon millions of dollars from the public treasury for the creation of naval armament which is not at all necessary, and which will only be a further incentive to naval expenditure by other nations. There is not a single member of the House of Commons who has had the courage to enter even a feeble protest against the naval policy of his own particular party. In the light of these circumstances it is a great tribute to the intelligence and the steadiness of character on the part of the Manitoba Grain Growers that they have not joined in the hue and cry for naval expenditure, though many of those who favor it are undoubtedly sincere. The resolution passed by them has already been sent by telegraph and cable to every corner of the earth, and has given added courage and hope to those who are working for the cause of peace. It has placed the Grain Growers along side the great peace parties of the United States, Great Britain and Germany. These peace organizations are working to have all international disputes settled by honorable men in an international court of arbitration. There is no more reason why civilized nations should settle their disputes by slaughtering thousands of the finest citizens of their lands, and throwing tens of thousands of widows and orphans upon the world without a breadwinner, than there is that private quarrels should be settled by the duel. Disputes between private citizens are settled by the courts without bloodshed, and disputes between nations should be settled in the same way. Arbitration is growing in favor with tremendous strides, and will become an assured fact just as soon as the peace-loving peoples of the earth compel their governments to cease the miserable game of diplomacy and apply the principles of the Sermon on the Mount.

The politicians tell us that Canada must have a navy in order to protect her trade. But Norway has a greater carrying in proportion to her population than even Great Britain, and Dutch, Swiss and Belgian merchants carry on trade in every corner of the globe. Yet none of these nations have any navy and no army that amounts to anything. Their trade is safe and their credit stands higher in the world's money markets than that of Germany and Great Britain with their huge armaments. The nations that want Canadian produce would suffer more than Canada if our trade were interfered with. This is why these smaller nations need no protection for their commerce. Canada's trade will be as safe without a navy as it will with ten Dreadnaughts on each coast, and the people will be more happy and prosperous.

The western farmers know as much about the needs of Canada in regard to a navy as any member of the House of Commons, and it savors too much of Russia to have any naval scheme foisted upon the people by 221 members of the House of Commons, who have received no authority from the people to spend one cent for such purposes. If the people of Canada want to spend money for a navy let them do so, but those who are opposed to such an expenditure should at least have an opportunity to say "No." We will venture that at least one-third of the people of Canada are opposed to both naval schemes, yet they have not a representative in Parliament and they have no voice in the expenditure of this money. And this is Canada in the age of civilization.

Two Licenses to be Cancelled—Council has Large Audience.

For many many moons the municipal council of the village of Fenelon Falls has transacted business without spectators, witnesses, or anything that might properly be called an audience. Alone and unattended the town fathers have deliberated, cogitated and calculated; moved, seconded and passed sundry and various motions, by-laws and accounts. Except for the periodical attendance of civic officials or applicants for office, or the occasional intrusion of some forgetful individual with a belated bill for \$2.59, hastily thrusting it on the table and hastily departing, the operations of the council have been undisturbed for many a long day.

But on Monday night last the accustomed solitude and quietness were broken by the appearance on the scene of a halfful of people apparently expecting "doings." They were not disappointed. In a few minutes Reeve Tiers arose and stated that anyone desirous of addressing the council might do so. Dr. Gould, as spokesman for a numerous delegation of citizens, then made the request that, in view of the large vote for local option, and the very narrow margin by which it was defeated, the council should not grant more than one license to sell liquor in Fenelon Falls after the first day of May next, and that the offices of the municipality should be left open for applications. The Reeve asked if any one else wished to speak, but there was no response. In less than half an hour a by-law was passed limiting the number of licenses to one, in accordance with the request as stated. This action by the council means that two of the three licenses now in force will be cut off on May 1st. It has naturally occasioned a great deal of comment, and much speculation as to which one of the three licenses shall be allowed to remain.

Fenelon Agricultural Society's Annual Meeting.

The annual meeting of the Fenelon Agricultural Society was held on Tuesday afternoon. The usual routine business was transacted. It was decided to hold the Fall Fair this year on the same dates as last year, September 10th and 11th. The secretary's report showed a satisfactory condition of affairs. The field crop competition will be continued, and in this connection it was noted that Mr. Thos. Isaac, who won the competition last year, was among the prizewinners for oats at the Ottawa Fair. This is doing exceedingly well for a start. President Knox briefly reviewed the past season's work, and expressed great confidence in the future. Good progress had been made notwithstanding unfavorable circumstances, and there could be no doubt that the removal of some of the drawbacks that had been experienced would ensure a very large degree of success. The secretary, Mr. I. Naylor, and Mr. Knox, spoke of the commendable way in which the past president, Mr. John Aldous, had continued to work after retiring from office, and Mr. Aldous made a fitting reply, stating that he would continue to do all he could in the interests of the Society.

The following officers were elected for 1913: President, Mr. John Knox; Secretary, Mr. I. Naylor; First Vice-President, Mr. Wm. Hetherington; Second Vice-President, Mr. Jos. Moynes. Messrs. D. Duggan, H. B. Raby, Wm. Tolmie and Dr. Johnstone were added to the list of directors, and the name of Mr. D. Tolmie struck off, he having removed to the township of Ops. Dr. Mason was added to the list of honorary directors. Mr. Knox and Mr. Naylor were appointed delegates to the Central Association meetings in Toronto on Feb. 5th and 6th. At the close of the meeting, a unanimous resolution of condolence with Mrs. P. Perdue was passed, regarding the death of her husband, and the secretary was instructed to forward the resolution to Mrs. Perdue.

Fenelon Falls School Board.

The Board met on the above date as per statute. Present, Dr. Mason, H. W. Kearns, M. H. McCallum, Dr. H. B. Johnstone.

McCallum, — Johnstone.— That Dr. Mason be chairman of the Board.

Mason, — Kearns.— That M. H. McCallum be chairman.

Dr. Mason withdrew on account of parliamentary duties which took him away occasionally when the Board's meetings came due. Mr. M. H. McCallum was then unanimously elected as chairman for the current year.

Johnstone, — Mason.— That Rev. W. H. A. French be re-elected secretary of Fenelon Falls School Board for the year 1913 at former salary, and that J. L. Arnold be elected treasurer of Fenelon Falls School Board at a salary of \$30.00 and bond; and that J. L. Arnold be granted an honorarium of \$30.00 for the past year's work.

Kearns, — Mason.— That the following accounts be paid, and that the Chairman sign orders for the same: Thos. Scott, drawing water for north ward school, 50c.; Thos. Scott, drawing water for south ward school, 25c.; J. H. Brandon, 6 tons and 490 lbs. coal at \$7.75 per ton,

\$48.40, drawing gravel, \$11.80, balance old account, 82c.—\$50.72; Toronto School Supply Co., \$7.76.

Mason, — Kearns.— That tenders be asked for fifteen cords of 24 inch body hardwood, ten cords to be delivered at south ward and five at the north ward school, by tenders, to be in on or before February 1st, 1913.

Johnstone, — Kearns.— That Messrs. Brandon, Johnstone and Mason be a committee for the north ward school, and that Messrs. Kearns and Stanton be committee for south ward school.

Johnstone, — Kearns.— That the Treasurer be authorized to pay teachers and caretakers monthly during the current year.

Kearns, — Mason.— That the Treasurer of the School Board be authorized to collect from the municipal Treasurer all monies due this school board as required for school purposes from time to time, and that the Secretary be instructed to give the village Treasurer an order to make such payments.

Mason, — Kearns.— That the regular meetings of this Board be held on the fourth Wednesday in each month, at 8 p. m.
