The War Against War.

Grain Growers' Guide

The Balkan war, regrettable as were the economic waste and loss of life, will not be wholly a loss to mankind if its lessons are learned never to be forgotten. There is good reason to hope for this happy result judging by the way public opinion is being marshalled in favor of international peace. The world-wide money stringency, as all economists agree, is due partly to the sinking of so much capital in the actual hostilities between Turkey and the Allies, and still more largely due to the vast sums expended every year by the Great Powers in war preparations. The men of money, without whose support war would be impossible, will have to be reckoned with more than ever before, now they see that even a third rate war ties up normal business development the world over. Here is what the Bankers' World says on war:

"Bankers have come to dread war as one of the greatest enemies of national prosperity, and the shadow of conflict which forever hangs over one country or another has grown to be one of the malign influences with which business calculations must always reckon. The world's capital is needed as never before for the development of enterprise—the building of houses, the construction and equipment of manufacturing plants, and for the production of food and clothing. War and the preparation for war absorb for purely destructive purposes a constantly enlarging portion of the capital sorely needed for beneficent employment."

If the world's bankers, who supply the money for war materials, and the workingmen, who do the actual fighting, stand shoulder to shoulder against unnecessary conflicts, the gold-laced diplomats will have to wage their wars on paper.

Successful Candidates.

The Education Department last week published a list of the names of the successful candidates for the Entrance to Model Schools and Lower H. S. exam. Among the list for Victoria Co. were the following names: Nyhl Hetherington, K. Ingram, Zetta McFarland and Ella Webster. These are candidates of the Fenelon Falls High School and comprise four of the six sent up for this exam. This percentage of successful candidates is far in advance of that of the whole province and speaks well for the first year that this work has been undertaken in Fenelon Falls. The matriculation reports will be published the first week in August.

Foxes and Bears.

One day last week as Chief of Police Jones, Mr. A. Boynton of the Falls, and Mr. I. E. Weldon of Lindsay were motoring near Barnt River, they noticed a couple of foxes "taking stock" of the car and apparently not at all frightened by it. The men got out, went over toward the foxes, and threw a few stones at them, but the animals would only run away a short distance. On locking around, a ground hog that had just been killed was found, evidently by the foxes for dinner, which they were loath to go away and leave. A few days previously Mr. H. Kearns had rather a novel experience while driving near Kimmount. He was just entering a long stretch of road through a swamp, when a large bear walked out ahead of him. The horse stopped suddenly, and was trying to turn around when Bruin started off down the road on a smart lope. As soon as the bear started, the horse changed its mind, and struck a two-forty gait after the bear, no doubt with the idea of keeping up with whatever was ahead of it, like a good horse should. Bruin kept the road until near the end of the swamp, when he tried to jump the wide ditch on one side, but made a misstep or wasn't quite equal to the occasion, and fell over backward into the ditch, where he rolled around and clawed the mud for awhile before recovering himself and making off into the bush. During these comical manoeuvres Mr. Kearns was quite close to the bear, which he says would weigh over two hundred pounds.

Children Protection Act.

The attention of parents and guardians is directed to the following sections of the Children's Protection Act, which is now in force in all parts of the province:

Sec. 17.—(1) No child (under sixteen) shall loiter in any public place after 9 o'clock in the evening, or be there unless accompanied by his parent or guardian or an adult appointed by the parent or guardian to accompany such child.

(2) A child found in public place after the hour named in subsection 1 unless so accompanied may be warned to go home by any constable or probation officer or officer of a Children's Aid Society, and if after such warning the child is found loitering in a public place such child may be taken by the constable or officer to its home, or the Children's Shelter.

(3) A parent who permits his child to violate this section shall for the first offence incur a penalty of \$1 without costs, and for a second offence \$2, and for a third, or any subsequent offence, \$5. Edw. VII. c. 59, s. 19, amended.

Sec. 2. (4) "Public Place" shall mean a street, highway, or lane, whether a thoroughfare or not, and a tavern or other place of public resort, and, generally, any place to which the public have or are permitted to have access.

Traction Ditcher Demonstration at Reaboro.

On Tuesday next, July 22nd, an interesting drainage demonstration will be held on the farm of Mr. John McNevin, a quarter of a mile west of Reaboro, under the direction of the Ontario Department of Agriculture. A large traction ditcher will be used. This machine will dig from fifty to one hundred rods per day, doing its own grading. The G. T. R. train leaves Lindsay for Reaboro at 10.50, arriving in Lindsay at 6.23 on return trip. Tea will be served at 5 p. m. at a garden party which is to be held the same day at Reaboro.

GOOD SEASON'S CUT.

Messrs. Armstrong & Tiers closed down their saw and shingle mill on July 11th, after a successful season's run, in which they cut about 700,000 feet of lumber and 550,000 shingles.

Hurrah for Burleigh Falls.

On Monday next, July 21st, the Fenelon Falls Methodist Sunday School will run their annual excursion per steamer Stoney Lake, to Burleigh Falls, which is noted for its beautiful scenery. The boat will leave Fenelon Falls at 8 a. m., and Burleigh Falls at 4 p. m. Tickets 50c. and 50c.

Music Galore.

Fenelon Falls citizens have been enjoying good music to an unusual extent the past week. On Saturday evening the Monaca Club band gave an open-air concert, lasting an hour and a half, in front of Gould's drug store, and on Tuesday evening repeated the performance, with a different programme of classical selections, at Stanton's studio corner, which was nicely lit up for the occasion. The band is a "top-notch," and a large crowd enjoyed the music immensely, everyone expressing appreciation of the band's liberality. A large number of Cobocok people, who came down on the Wacouta were also present. On Monday evening the well-known Citizens Band of Lindsay came up on the moonlight excursion and played for half an hour, winding up an excellent programme with "Auld Lang Syne," "Yankee Doodle" and "God Save the King."

Beaver Dams Near Cambray.

Lindsay Post:—Four or five recently constructed beaver dams have been discovered on a creek just back of the farm of Mr. Samuel Bagshaw of Lindsay situated near Cambray and occupied by Mr. Geo. Bagshaw. The water had not been running satisfactorily through the stream, and upon investigations being made it was discovered that the beavers had constructed a number of dams on the creek, effectively obstructing the flow. The trees along the route had been felled as cleverly as an experienced chopper would do the work, while the dams were watertight and complete in every detail.

Burning of Rome Canadian National Exhibition.

Nero and the Burning of Rome, the Pyro-Spectacle to be staged at the Canadian National Exhibition by John Henderson, of London, Eng., promises to be the most elaborate scenic production ever produced on the Continent. With 800 performers, elaborate Roman costumes, music, singing and dancing, Nero's triumphal procession, the exercises of the Praetorian Guards, gladiators' fights, masquerades, chariot races and the early Christian martyrs. Mr. Henderson has abundant material to work with and the final scene when the Imperial City is given to the flames is a pyrotechnic effect that cannot be excelled.

ST. ANDREW'S CHURCH.

The Rev. Dr. MacClinchie, of Newark, N. J., U. S. A., will occupy the pulpit of St. Andrew's Church next Sabbath evening. The pastor preaches in the morning. Sabbath School at 9.30 a. m.

BREWER BROWN COMING.

The services of the Salvation Army on Saturday and Sunday, July 19 and 20, will be conducted by Envoy "Brewer" Brown, one-time prize fighter, now famous as the "Workingman's Evangelist." The Envoy is no stranger to the people of Fenelon Falls, and we bespeak for him good audiences at all the services. He will be accompanied by his daughter, Miss Lettie Brown.

W. F. M. S. MEETING.

The regular meeting of St. Andrew's W. F. M. S. was held on Tuesday afternoon at the home of Mrs. Wm. McKendry, Rosedale, with an attendance of forty. Mrs. Lord presided over the meeting, assisted by Mrs. J. Northey. Mrs. Laird of Kingston and Mrs. F. W. Warren each gave a brief address. Mrs. McClinchie of Clinton, Ohio, gave a missionary reading, and Mrs. E. A. McArthur contributed a solo. At the conclusion of the meeting tea and refreshments were served by the hostess.

Midland Free Press: After an illness of some months, Alfred Pinkham passed away at his home, Fourth Street, on Friday. Deceased had been a great sufferer, and although the best attention, medical and otherwise was given he wilted under the disease until the end came on Friday. He was a member of L. O. L. 947, and Canadian Order of Chosen Friends having \$1000 insurance in the latter society. He is survived by a widow and four children. The body was taken to Fenelon Falls on Monday for interment.

DIED.
