Monetary Tightness Only Tempor-

ary, Says Sir T. Shaughnessy.

Sir Thomas Shaughnessy, President

of the Canadian Pacific Railway, in

an interview on the financial situa-

into Canada has been beneficial in

that it has enforced on Canadians

that careful and economical hand-

ling of money in business and in

private affairs which has been the

real secret of Canada's past pros-

"The flow of immigration into

Canada cannot cease, for it is due

to economic conditions which show

no signs of changing. Wages, the

price of good land, and the oppor

tunity for work, are all in favor of

Canada, as compared with Great

Britain and Europe. The United

States, our former competitor for

this immigration, is now inclined

rather to restrict than encourage

any further influx. The poorest

laborer coming into a new country,

such as Canada, is the incarnation

of capital, for he brings with him

the capacity to work and to trans-

form some undeveloped natural re-

source into a thing that can be

used, and thus by his labor he cre-

"Canada, therefore, must wel-

come the immigrant for many years

to come, and must continue to pro-

vide increased facilities of trans-

portation, colonization and hous-

ing. To provide such facilities the

European capitalist and the inves-

tor will, in my opinion, continue to

furnish the money, for, owing to

the propaganda carried on by the

Dominion and the Provincial Gov-

ernments and industrial bodies, for

labor and for the profitable invest-

ment of capital, the opportunities

in Canada are thoroughly realized

across the water, and it is only the

FRENCH AVIATORS BURNED.

Aeroplane Collided With Tree and Burst Into Flames.

A despatch from Epernay, France, says: Two military aviators were burned to death near this place on Wednesday, when the aeroplane in which they were flying dashed into a tree and burst into flames. The men were burned beyond recognition. The aeroplane met with the mishap when the aviatons on the charred remnants of took place in Quebec. It is propos- 404. their clothes show that they be- ed to commemorate the historical longed to the military aviation event by the erection of a suitable

ASTONISHING STATISTICS.

Germany Is a Growing Importer From Great Britain.

A despatch from London says: In view of the prevalent impression in Britain and abroad that the British markets are flooded with goods "made in Germany" it is interesting to note the statement appended to a bill regulating commercial rejust framed by the German Federal Council. The statement shows that Germany's trade with Britain and Easy to put on and take off. Fit well her colonies far exceeds her trade over 37,000 indicated horsepower. with any other country, and that Germany's imports from Britain exceeds her exports to Britain in ever-increasing degree. In 1909 the difference was £12,500,000; in 1910, £14,000,000; in 1911 nearly £16,500,-000, and in 1913, £24,500,000.

FEEDING THE UNEMPLOYED.

Seventeen Thousand Three Hundred Men Workless at Winnipeg.

A despatch from Winnipeg says: Seventeen thousand three hundred men are out of employment in Winnipeg at the present time, according to W. Hammond, past president of the Building Trades Council, at the executive council of the Amalgamated Trade Unions in the Labor Temple. He arrived at his figures by a consideration of trade unionists now idle. He says 25,000 will be idle by Christmas. There are in Winnipeg over thirteen thousand trade unionists. Over fifty per cent. of these are idle. Montreal, Dec. 2.-Corn-American No. These are mainly men skilled in the 2 yellow, 82 to 83c. Oats—Canadian West-erns, No. 2, 40 3-4c; do., No. 3. 39 1-2c.
