

## BABY ALL COVERED WITH ECZEMA

Could Not Sleep Day or Night, Itched and Burned Terribly. Cuticura Soap and Ointment Cured in a Month. Also Cured Mother of Salt Rheum.

Quarryville, N. B.—"For a month after my baby was born he could not sleep day or night with eczema. He was all covered with small watery pimples which would break in a day or two and leave a humourous scab and would itch and burn terribly. He scratched so much that he made sores. His skin burned all the time and when the scab came off it left little marks like chicken-pox. At last I saw Cuticura Soap and Ointment advertised. After the first application he rested easier. I applied the Cuticura Ointment lightly and after an hour I would wash him with Cuticura Soap. After a month's treatment he was cured."

"I was greatly troubled with salt rheum on my hands. They broke out in little watery pimples and would be so itchy I could tear them to pieces. Then they would dry up and crack and bleed and when I put them in water the disease would eat in to the bones. They were so painful I had to keep them tied up with cotton rags. I could not do any work. One box of Cuticura Ointment with the Cuticura Soap cured them." (Signed) Mrs. Grattan, July 31, 1913.

Cuticura Soap and Cuticura Ointment are sold by druggists and dealers everywhere. For a liberal free sample of each, with 32-p. book, send post-card to Potter Drug & Chem. Corp., Dept. D, Boston, U. S. A.

### May Be a Curse.

Wealth may be either a blessing or a curse, according to the use made of it. Riches only bring happiness to people when they are accumulated for the good of others. When they are accumulated for the gratification of avarice, or are used for obtaining personal aggrandizement, respect, adulation, or fame, they are very badly applied, and may be a curse to a man.

## JUST THE MEDICINE FOR THE BABY

Baby's Own Tablets are just the medicine for little ones. They sweeten the stomach and regulate the bowels, thus breaking up colds, curing colic, expelling worms and making teething easy. Concerning them Mrs. E. J. Ayer, Westmoreland Point, N.B., writes: "I have been using Baby's Own Tablets some time and find them just the medicine baby needs." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### Six Feet.

A teacher was giving a lesson in mathematics and English combined.

"A fathom," she said, "is a nautical word used in defining distance. It means six feet. Now I want some little girl to give me a sentence using the word fathom."

Instantly a hand shot up in the rear of the room.

"Well, Mary, you may give your sentence."

Mary stood up proudly.  
"The reason flies can walk on the ceiling," said she, "is because they have a fathom."

## How a Sick Woman Can Regain Health

Read This Very Carefully!

"For years I was thin and delicate. I lost color and was easily tired; a yellow pallor, pimples and blotches on my face were not only mortifying to my feelings, but because I thought my skin would never look nice again I grew despondent. Then my appetite failed. I grew very weak. Various remedies, pills, tonics and tablets I tried without permanent benefit. A visit to my sister put into my hands a box of Dr. Hamilton's Pills. She placed reliance upon them and now that they have made me a well woman I would not be without them whatever they might cost. I found Dr. Hamilton's Pills by their mild yet searching action very suitable to the delicate character of a woman's nature. They never once gripped me, yet they established regularity. My appetite grew keen—my blood red and pure—heavy rings under my eyes disappeared and to-day my skin is as clear and unwrinkled as when I was a girl. Dr. Hamilton's Pills did it all!"

The above straightforward letter from Mrs. J. Y. Todd, wife of a well-known miller in Rogersville, is proof sufficient that Dr. Hamilton's Pills are a wonderful woman's medicine. Use no other pill but Dr. Hamilton's, 25c. per box. All dealers or The Catarrh-ozone Co., Kingston, Ontario.

### Healthful to Yawn.

Yawning is said to have an exceedingly healthful function besides having a salutary effect in complaints of the pharynx and the eustachian tubes. According to investigations, yawning is the most natural form of respiratory exercise, bringing into action all the respiratory muscles of the neck and chest.

It is recommended that every person should have a good yawn with the stretching of the limbs morning and evening for the purpose of ventilating the lungs and tonifying the respiratory muscles. An eminent authority asserts that this form of gymnastics has a remarkable effect in relieving throat and ear troubles, and says that patients suffering from disorders of the throat have derived great benefit from it. He says he makes his patients yawn, by suggestion or imitation, or by a series of deep breaths with the lips partly closed. The yawning is repeated six or seven times and should be followed by swallowing. By this process the air and mucus in the eustachian tubes are aspirated.

### Johnny Hesitated.

"What is an anecdote, Johnny?" asked the teacher. "A short, funny tale," answered the little fellow. "Quite right," said the teacher. "And now, Johnny, you may write on the blackboard a sentence containing the word." Johnny hesitated a moment, and then wrote, "A rabbit has four legs and one anecdote."

## Best Liniment of All Destroys Every Pain But Never Burns.

"How thankful we are to get hold of such a wonderful household remedy as Nerviline," writes Mrs. E. P. Lamontagne from her home near Westkawan, Alberta. "In this far-away section, far away from a doctor or druggist, every family needs a good supply of liniment. Nerviline is the best of all. It destroys every pain, but never burns. We use Nerviline in a score of ways. If it's rheumatism, aching back, pain in the side, sciatica or stiff neck,—you can laugh at them if you have lots of Nerviline handy. For earache, toothache or cramps I don't think anything could act more quickly. For a general all-around pain remedy I can think of nothing more valuable and speedy to cure than Nerviline."

The above letter is convincing—it tells how reliable and trusty this old-time remedy is. Nerviline for forty years has been a household word in Canada. Scarcely a home in Canada you can find without Nerviline. Every community has its living examples of the wonderful curative properties of Nerviline which will cure pains and aches anywhere in the joints or muscles. It's penetrating, soothing, warming and safe for young and old to use. Get the large 50c. family size bottle; it's the most economical. Small trial size 25c. at any dealer's anywhere.

### A Model Child.

George III. was such a thrifty king that we cannot doubt that he hugged the little chap of whom Thackeray tells this delightful story and longed to knight him on the spot.

One day when the king and queen were walking together, probably at Kew, they met a little boy,—they were always fond of children, the good folks—and patted the little tow head.

"Whose little boy are you?" asked the king.

"I am the king's beef-eater's little boy," replied the child.

On which the king said, "Then kneel down and kiss the queen's hand."

But the innocent offspring of the beef-eater declined this treat.

"No," said he, "I won't kneel, for if I do, I shall spoil my new breeches."
