He leaves home a boy—he comes back a man. Have a good photograph made of him before he goes out into the big world, before the boyish features and expression have taken on the older impress.

Don't trust to memory to recall them, memory plays queer tricks on us all.

Make a date with your photographer to-day and spare yourself the regrets of to-morrow.

The King of Ranges— "BUCK'S HAPPY THOUGHT"

THE day has gone past when a wise woman will put up with an inferior cooking apparatus. She has heard of

The "Happy Thought" Range,

The Corrugated Oven

and her neighbors tell her what it will do.

If by chance you do not know the merits of The "Happy Thought" you owe it to yourself to investigate. See the Range, look into the firebox and flues, weigh the covers, note the patented dampers, the ventilated, illuminated oven, the corrugated oven plates, and all the different features that make this Range so different and so superior.

You don't know true household comfort if you don't know The "Happy Thought" Range.

Write the Manufacturers for Illustrated Catalogue.
