

**Mayor Beal of Lindsay to Speak on Socialism**

Mayor Beal and Mr. E. J. Johnson of Lindsay will speak on the subject of Socialism in Dickson's Hall, probably Friday evening of next week—date to be announced by bills. As the Socialist movement is rapidly growing and becoming the leading issue of the day, all should make it a point to hear these addresses.

*Correspondence of the Gazette*

Mr. Hugh A. Tiers, C. P. R. operator at Wyburn, Sask., is visiting his parents and friends in this vicinity.

Mr. Arthur McGee was in Toronto on business lately, and reports business dull in the city.

Messrs. C. Robinson and T. Junkin have been cutting wood in these parts lately.

Mr. George Smith purposes erecting a wind-mill on his premises.

Mr. and Mrs. Wm. Elliott intend removing to Fenelon Falls soon.

A quiet wedding took place at the Presbyterian Manse on Wednesday, the 18th inst., at 4 o'clock, when Eta, eldest daughter of Mr. and Mrs. G. O. Tiers was united in marriage to Mr. John Elliott by the Rev. C. S. Lord.

The bride and groom, who were unattended, after the ceremony took the evening train for Toronto. On their return they will reside on Mr. Elliott's farm. We wish them a long and happy life.

**A FEW "STOPS"**

Stop talking—learn to speak only as you and your friends will some how profit thereby.

Stop worrying—when you can handle the present as well as God will handle the future, you will laugh at your worries.

Stop wishing—a wish is confession of weakness. Want what you want hard enough to get it, or else feel superior to the need.

Stop criticizing—only an ass wastes energy in braying.

Stop hesitating—it is the plunger who goes to the bottom of things. And whether gold or mud is at the bottom, the man who has found it rests.

Stop imitating—a real ruby is worth more than an artificial diamond.

Stop idling—either work or play or sleep or travel; in short, make even your rest-period a thing of ambition, volition, system.

Stop hurrying—when you teach your brain to outrun your body, your body will stay quiet.

Lose yourself in your work. Come early and stay late. Use every spare moment in developing methods, first to work better, and then faster. If there is a man higher up in the same business, devote an evening a week to studying how he got there.

Analyze your average day, and find how many hours a week you waste.

He leaves home a boy—he comes back a man. Have a good photograph made of him before he goes out into the big world, before the boyish features and expression have taken on the older impress.

Don't trust to memory to recall them, memory plays queer tricks on us all.

Make a date with your photographer to-day and spare yourself the regrets of to-morrow.

**THE LATEST GREATEST AND UP-TO-DATEST**

system of advertising adopted by us has certainly caused wide comment and considerable furore among the buying public of this section. When we first announced that we would give away absolutely free the beautiful \$350.00 Ennis Parlor Grand Piano which is upon exhibition in our store, much curiosity was aroused as to HOW we could afford, from a business standpoint, to do such a thing, but when it was learned that we would give ONE PIANO VOTE with every cent paid for any article in our store, also that the Piano was to be given absolutely Free to the person presenting the greatest number of these piano votes to us on June 1st, it looked an extremely novel and most liberal advertising method. The earnestness with which the buying public have been "going after" these piano votes more than makes good our prophecy that it would be a "merry strife."

This novel advertising campaign, the ever-increasing crowds, the many splendid values which are offering daily, has made our name a household word, and our store a mecca for the bargain lovers of this community.

Not too late yet to enter the contest. Call at our store and let us explain how you can win this handsome Piano.
