

PAINFUL AND SCALY PIMPLES

Like Boils. Worst on Face. Watery When Rubbed. Also Hands Cracked and Smarted. Cuticura Soap and Ointment Cured.

Main St., Eye-Brow, Sask.—"I was bothered with small pimples similar to little boils for four or five years. They were all over me but worst on my face. Of course they gave me a bad appearance. The pimples were both painful and itchy so I scratched till quite large sores would be the result and they seemed to be very watery after I rubbed them to a sore. My face was very scarred during the time it was sore."

"I was troubled with sore hands most all winter for two years. They kept cracked till they would be bleeding, and they smarted and were so sore I could hardly bear to get them wet."

"Upon seeing Cuticura Soap and Ointment advertised I thought there would be no harm in trying them so I started with a small sample. I purchased a full-sized cake of Cuticura Soap also a box of Cuticura Ointment and before I had quite finished this I saw I was lots better so the second cake of Cuticura Soap and box of Cuticura Ointment was purchased. But little was used when I was entirely cured." (Signed) Mrs. Wm. Dickson, May 23, 1913.

For treating poor complexions, red, rough hands, and dry, thin and falling hair. Cuticura Soap and Cuticura Ointment have been the world's favorites for more than a generation. A single set is often sufficient. Sold everywhere. For a liberal free sample of each, with 32-p. book, send post-card to Potter Drug & Chem. Corp., Dept. D, Boston, U.S.A.

ASHAMED OF ITS NAME.

Derbyshire Village Wants to Modernize its Name.

Bugsworth a little village in the Peak district of Derbyshire, is ashamed of itself, says the Boston Transcript. In England, you know, the word "bug" can have but one meaning; it is not used indiscriminately to describe any and all insects. Hence Bugsworth's shame, and a recent vote to change the village's name. Mr. Wells once wrote a story of a Mr. Snooks who was refused by the lady of his affections on account of his plebeian name, and discovered later that the lowly word was identical with Sevenoaks or Sennox. It is just such a trick that fate has played upon the little Derbyshire village, which really takes its title (like Buxton) from the bucks once hunted in its vicinity. A fine modern hyphenation—Norfolk-Howardsworth—is suggested for the new cognomen, but how much simpler the mere change to "Buxworth" would be.

Mother Looks the Part.

"How pale and worried your mother looks. Is she sick?"
"No, ma'am, but pa's got the grip."
"And is she afraid that he won't get well?"
"Oh, no, but whenever pa's sick he worries her so that she always looks as though she had what was ailing him."

New Brunswick Woman's Message

TELLS HER SUFFERING SISTERS TO FIND RELIEF IN DODD'S KIDNEY PILLS.

Mrs. James B. Roy was ill for Two Years and the Doctor Could not Help Her — How She Found a Cure.

Tremblay Settlement, Gloucester Co., N.B., May 25 (Special).—Mrs. James B. Roy, an estimable lady, well known here, has made the following statement for publication:

"For two years I suffered from an extreme weakness and an awful pain in the back. Sometimes my back was so weak I could hardly walk. I was always nervous, I had no appetite and I was failing very fast. I took medicines from a doctor, but continued to grow worse. "Then I started to use Dodd's Kidney Pills and soon began to improve. By the time I had finished the third box I was completely cured. I know I owe my cure to Dodd's Kidney Pills, and I want other sufferers to know that they also may be cured."

Mrs. Roy's symptoms showed that she had Kidney trouble. That's why she found speedy relief and complete cure in Dodd's Kidney Pills. They are a Kidney remedy, pure and simple. The reason they cure so many suffering women is that nine-tenths of women's troubles come from sick Kidneys.

Death Nearly Claimed New Brunswick Lady

Was Restored to Her Anxious Family When Hope Had Gone.

St. John, N.B., Dec. 15th.—At one time it was feared that Mrs. J. Grant, of 3 White St., would succumb to the deadly ravages of advanced kidney trouble. "My first attacks of back-ache and kidney trouble began years ago. For six years that dull gnawing pain has been present. When I exerted myself it was terribly intensified. If I caught cold the pain was unendurable. I used most everything, but nothing gave that certain grateful relief that came from Dr. Hamilton's Pills of Mandrake and Butternut. Instead of being bowed down with pain, to-day I am strong, enjoy splendid appetite, sleep soundly. Lost properties have been instilled into my blood—cheeks are rosy with color, and I thank that day that I heard of so grand a medicine as Dr. Hamilton's Pills." Every woman should use these pills regularly because good health pays, and it's good, vigorous health that comes to all who use Dr. Hamilton's Mandrake and Butternut Pills.

Gentlemen.—In January last, Francis Leclaire, one of the men employed by me, working in the lumber woods, had a tree fall on him, crushing him fearfully. He was, when found, placed on a sled and taken home, where grave fears were entertained for his recovery, as his hips being badly bruised and his body turned black from his ribs to his feet. We used MINARD'S LINIMENT on him freely to deaden the pain and with the use of three bottles he was completely cured and able to return to his work. SAUVEUR DUVAL, Elgin Road, L'Islet Co., Que.
